

The Rancher

SPECIAL MEMORIAL FUND SUPPLEMENT

January 1973

PUBLISHED BY THE FLORIDA SHERIFFS BOYS RANCH, BOYS RANCH, FLORIDA 32060

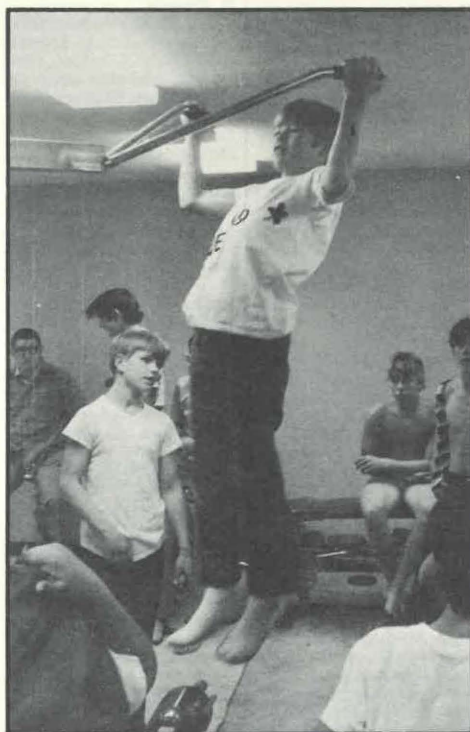

RANCHERS COMPETE FOR PRIZES

All-Events day at the Florida Sheriffs Boys Ranch was similar to the pentathlon in track and field except the winners got 10-speed bicycles and radio equipment instead of medals and ribbons.

The events were a little unusual too, like football punting, the mile run, 100-yard dash, basketball free throw, standing broad jump, rope climb and pull-ups. This variety of competition was chosen to build self-confidence, giving each boy a better chance to win an event.

Ranchers were divided into three age categories with winners in each age group for each event, then overall winners in each age group. In addition to bicycles and radios, there were prizes of cameras, clothing and games.
