President
Florida Sheriffs Youth Ranches, Inc.

"No Legacy is so rich as Honesty"
~ William Shakespeare

Each year, the Florida Sheriffs Youth Ranches produces an Annual Report. The report is prepared for many reasons, the main one being to share what took place within the Youth Ranches during the fiscal year. We also want to provide an accurate overview of not only our finances but also the programs and services we provided in carrying out our mission. This, along with data on the number of children and families receiving these services, provides our Board of Directors, Sheriffs, supporters and others a clear picture of how we utilize our resources.

As we prepare for the production of our Annual Report, we wait until we have all the information necessary to put forth a precise and complete overview of our agency. The financial numbers are based on a complete audit prepared by independent Certified Public Accountants. The other information regarding employees, youth statistics and more all comes from our detailed record keeping. This data is checked and rechecked before it is published.

It is important for me to begin this Annual Report by sharing this information because in today's climate, there tend to be more and more variations on the truth. Here at

the Florida Sheriffs Youth Ranches, we take every measure to ensure that what we put forth is based on complete transparency! Our rich history and our desire to continue being afforded the opportunity to serve children who are in need demands nothing less. It is only with the support of our donors, Sheriffs, law enforcement officers, foundations, volunteers, employees and others that we exist. It is only through accurate reporting and absolute honesty that we will maintain trust and positive relationships that will allow us to carry on our programs for future generations.

As you read through this year's report, you will see the many wonderful things that were accomplished over the last fiscal year. Please know that none of this would have occurred if not for the wonderful support we received throughout the year. We remain grateful for all the blessings that have been, and continue to be, bestowed upon us. Thank you for allowing us the opportunity to serve and make a difference in the life of a child!

God bless,

BOYS AND GIRLS HAVE A HOME.

Historical Perspective

When two Florida Sheriffs proposed an idea to establish a Ranch to help care for troubled boys, they never imagined the result of their simple dream.

**Founded by the Florida Sheriffs Association
in 1957**

After all, the original intention was to reach a handful of at-risk boys, offering them a safe home in which to grow as they worked through daily problems. The goal was to stop the spread of juvenile delinquency and keep children out of jail.

Today, after 61 years of growth and expansion, the Florida Sheriffs Youth Ranches is a statewide network of residential campuses, youth camping programs and community-based services. Beginning with a mere \$5,000 and 160 acres of donated land along the Suwannee River, the Florida Sheriffs Youth Ranches has now served over 159,000 boys, girls and their families.

Every year, hundreds of children turn to the Youth Ranches for assistance. We look forward to helping each one of them meet their personal goals and become lawful, productive citizens. With the support of generous donors, volunteers and staff, we will continue to fulfill this commitment to the needy and deserving children of Florida.

BOYS AND GIRLS LEARN RESPONSIBILITY.

Key Points

The Florida Sheriffs Youth Ranches (FSYR) must be responsible to the donors who fund our charitable work with the children and families of Florida. We must earn your trust each and every day. Our credibility rests on a foundation of honesty, accountability, integrity and high-quality service to the children and families of Florida.

- FSYR has once again earned the highest audit rating, known as an “unmodified opinion”, from the external audit firm of Batts, Morrison, Wales and Lee.
- FSYR is in a strong financial position with *no* debt.
- FSYR was the first organization in the state to be issued a Charitable Gift Annuity permit in 1974 and we maintain reserves in this fund equal to, or exceeding, state standards.
- FSYR is very conservative in the allocation of expenses. No portion of our direct mail appeals, donor correspondence or publications is considered an “educational or program-related” expense.

Furthermore, we do not hire professional fund-raising companies, *nor do we conduct any telephone solicitations.*

Programs & Services

Residential Care

Our trained and devoted staff is well-equipped to nurture needy, neglected boys and girls and provide a warm sense of security, guidance and tenderness. Youth are cared for by Cottage Parents who help develop a strong work ethic, sense of responsibility, teamwork and respect in each boy and girl.

Referral Services

Serving the 67 counties of Florida, we work with the families of children in our care. Our therapists are available to assist parents as necessary, offering supportive and referral services to the families of Florida.

Camping Services

Harmony in the Streets® is a mobile camping program that brings the four “R’s” directly into local communities that may be socially and/or economically challenged. Our staff and law enforcement volunteers teach children to Respect Themselves, Respect Others, Respect their Community and Respect the Environment.

Harmony in the Schools is much like our Harmony in the Streets mobile camping program in that it brings leadership, cultural understanding and team-building skills directly into the schools. It encourages building relationships between students and peers as well as with school staff.

Summer Resident Camp includes many therapeutic camping activities. Canoeing, archery, swimming, arts and crafts and other activities allow deserving boys and girls the opportunity to build basic teamwork and peer communication skills. The youth also spend a week enjoying the beautiful, tranquil outdoor environment.

Programs & Services

Residential Leadership Programs are hosted at camp and led in conjunction with community partners. This sometimes includes JROTC, ROTC and other leadership groups that work with us to lead young people through challenging activities to help them grow in their leadership skills.

Summer Day Camp consists of a variety of camping activities. These day camps are held on campus at the Youth Ranches around the state. Each one has special components, and whether it features a challenge course, horseback riding and horsemanship skills or a focus on aquatics, each Youth Ranch is a valuable resource to the community.
