# President's Perspective

---

**William A. "Bill" Frye, Jr.**  
President  
Florida Sheriffs Youth Ranches, Inc.

**"The time has come for all evangelists to practice full financial disclosure. The world is watching how we walk and how we talk. We must have the highest standards of morality, ethics and integrity if we are to continue to have influence."**

*~ Billy Graham*

In this day and age of so many charities asking others to support their missions, I believe the quote by the late Reverend Billy Graham is applicable to all organizations seeking out the generosity of others. Here at the Florida Sheriffs Youth Ranches, since our creation by the Sheriffs of Florida through the Florida Sheriffs Association in 1957, we have been practicing full financial disclosure with the publication of our Annual Reports. If we are going to teach the children who come into our care the positive character traits of Responsibility, Integrity, Honesty, Truthfulness, and Reliability, among others, we ourselves must walk our talk. Our Sheriffs, supporters and donors require and deserve nothing less than our very best each and every day!

While reading this year's annual report, you will once again discover that we have done our due diligence in providing you the most accurate overview of our agency. Our financial picture is based on the completed audit prepared by independent Certified Public Accountants. Information regarding our employees, youth statistics and

census data comes from our detailed record keeping. This data is checked numerous times to ensure accuracy prior to being published.

As a donor myself, I also like to know how my gifts are used in regards to helping children who come to the Ranches because of abuse, neglect or other issues within the family. This is why it is so important that we live up to our rich history of being transparent in all that we do. The Florida Sheriffs Youth Ranches depends on the generosity of others if we are to continue providing quality residential, camping and other family-based programming to children in need. It is only with the support of our donors, Sheriffs, law enforcement officers, foundations, volunteers, employees and others that we continue to exist. This is why it is so important to maintain, as Billy Graham stated, the highest standards of morality, ethics and integrity.

As you read through this year's report, I hope you will discover the many wonderful things that were accomplished this past fiscal year. Please know that none of this would have been possible without the many blessings that were bestowed upon us throughout the year. We remain very grateful for the love and support of so many in helping us meet the needs of God's children. Through your love and generosity we will continue to make a difference in the lives of children.

God Bless,

## Historical Perspective

When two Florida Sheriffs proposed an idea to establish a Ranch to help care for troubled boys, they never imagined the result of their simple dream.

After all, the original intention was to reach a handful of at-risk boys, offering them a safe home in which to grow as they worked through daily problems. The goal was to stop the spread of juvenile delinquency and keep children out of jail.

Today, after 62 years of growth and expansion, the Florida Sheriffs Youth Ranches is a statewide network of residential campuses, youth camping programs and community-based services. Beginning with a mere \$5,000 and 160 acres of donated land along the Suwannee River, the Florida Sheriffs Youth Ranches has now served over 165,000 boys, girls and their families.

Every year, hundreds of children turn to the Youth Ranches for assistance. We look forward to helping each one of them meet their personal goals and become lawful, resilient and productive citizens. With the support of generous donors, volunteers and staff, we will continue to fulfill this commitment to the needy and deserving children of Florida.

# 2018-2019 Milestones

- ★ SRE garnered over \$4 million in sales for the first time ever

# Key Points

The Florida Sheriffs Youth Ranches (FSYR) must be responsible to the donors who fund our charitable work with the children and families of Florida. We must earn your trust each and every day. Our credibility rests on a foundation of honesty, accountability, integrity and high-quality service to the children and families of Florida.

- FSYR has once again earned the highest audit rating, known as an “unmodified opinion,” from the external audit firm of Batts, Morrison, Wales and Lee.
- FSYR is in a strong financial position with *no* debt.
- FSYR was the first organization in the state to be issued a Charitable Gift Annuity permit in 1974 and we maintain reserves in this fund equal to, or exceeding, state standards.
- FSYR is very conservative in the allocation of expenses. No portion of our direct mail appeals, donor correspondence or publications is considered an “educational or program-related” expense.

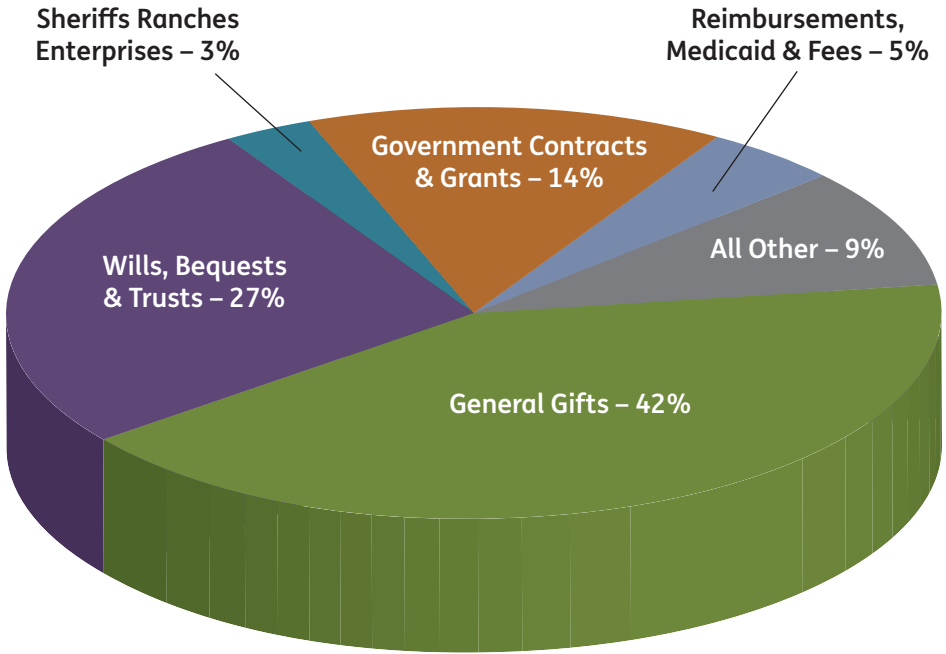

Furthermore, we do not hire professional fund-raising companies, *nor do we conduct any telephone solicitations.*

# Programs & Services

## **Residential Care**

Our trained and devoted staff is well-equipped to nurture needy, neglected boys and girls and provide a warm sense of security, guidance and tenderness. Youth are cared for by Cottage Parents who help develop a strong work ethic, sense of responsibility, teamwork and respect in each boy and girl.

## **Referral Services**

Serving the 67 counties of Florida, we work with the families of children in our care. Our therapists are available to assist parents as necessary, offering supportive and referral services to the families of Florida.

## **Camping Services**

**Harmony in the Streets®** is a mobile camping program that brings the four “R’s” directly into local communities that may be socially and/or economically challenged. Our staff and law enforcement volunteers teach children to Respect Themselves, Respect Others, Respect their Community and Respect the Environment.

**Harmony in the Schools** is much like our Harmony in the Streets mobile camping program in that it brings leadership, cultural understanding and team-building skills directly into the schools. It encourages building relationships between students and peers as well as with school staff.

**Summer Resident Camp** includes many therapeutic camping activities. Canoeing, archery, swimming, arts and crafts and other activities allow deserving boys and girls the opportunity to build basic teamwork and peer communication skills. The youth also spend a week enjoying the beautiful, tranquil outdoor environment.

# Programs & Services

**Residential Leadership Programs** are hosted at camp and led in conjunction with community partners. This sometimes includes JROTC, ROTC and other leadership groups that work with us to guide young people through challenging activities to help them grow in their leadership skills.

**Summer Day Camp** consists of a variety of camping activities. These day camps are held on campus at the Youth Ranches around the state. Each one has special components, and whether it features a challenge course, horseback riding and horsemanship skills or a focus on aquatics, each Youth Ranch is a valuable resource to the community.
