# President's Perspective

---

**William A. "Bill" Frye, Jr.**  
President  
Florida Sheriffs Youth Ranches, Inc.

**“Speak the truth. Transparency breeds legitimacy.”**

*~ John C. Maxwell*

**W**hat a year 2020 has been. For many, including me, saying goodbye to this year will be very easy. We have experienced a global pandemic, which continues to infect thousands, along with market ups and downs and a struggling economy. To make matters worse, there have been times of uncertainty all because we did not know what to believe or who to believe in this age of mass communication and social media. John Maxwell says it best in that speaking the truth and being transparent brings about trust and legitimacy.

As the President of the Youth Ranches, serving a Board of Directors composed of men and women of integrity and working beside men and women who are faithful to our mission, I can say with complete legitimacy that here at the Youth Ranches we believe in transparency. Our mission, after all, is “To prevent delinquency and develop lawful, resilient and productive citizens.” That lofty goal could not be reached without teaching the guiding principles of truth and honesty, and we could not achieve any level of success without you, our donors, supporters, Sheriffs and others knowing that what we say is truthful and reliable.

Each year we put forth an annual report to accurately describe what took place throughout the year. Our financial picture is based on the completed audit prepared by independent Certified Public Accountants. The information you find in reference to our employees, youth statistics and census data is derived from our detailed record keeping and is checked and re-checked numerous times by different individuals to ensure an accurate picture prior to publication.

It is so very important to all of us that in this day and age of published questionable information, we at the Youth Ranches get it right so that you may continue to believe in our vision and mission. Too many children in need of our services depend on us to get it right so that you will feel absolute confidence in giving your hard-earned resources to help us help them.

So as you read this report, I hope and pray that you will continue to find our organization and our children worthy of your trust and generosity! As always, we remain so very grateful for all you do for God's children who need the love, care and support that they find here within the Florida Sheriffs Youth Ranches.

God Bless,

## Historical Perspective

When two Florida Sheriffs proposed an idea to establish a Ranch to help care for troubled boys, they never imagined the result of their simple dream.

After all, the original intention was to reach a handful of at-risk boys, offering them a safe home in which to grow as they worked through daily problems. The goal was to stop the spread of juvenile delinquency and keep children out of jail.

Today, after 63 years of growth and expansion, the Florida Sheriffs Youth Ranches is a statewide network of residential campuses, youth camping programs and community-based services. Beginning with a mere \$5,000 and 160 acres of donated land along the Suwannee River, the Florida Sheriffs Youth Ranches has now served over 168,000 boys, girls and their families.

Every year, hundreds of children turn to the Youth Ranches for assistance. We look forward to helping each one of them meet their personal goals and become lawful, resilient and productive citizens. With the support of generous donors, volunteers and staff, we will continue to fulfill this commitment to the needy and deserving children of Florida.

# Key Points

The Florida Sheriffs Youth Ranches (FSYR) must be responsible to the donors who fund our charitable work with the children and families of Florida. We must earn your trust each and every day. Our credibility rests on a foundation of honesty, accountability, integrity and high-quality service to the children and families of Florida.

- FSYR has once again earned the highest audit rating, known as an “unmodified opinion,” from the external audit firm of Batts Morrison Wales & Lee.
- FSYR is in a strong financial position with *no* debt.
- FSYR was the first organization in the state to be issued a Charitable Gift Annuity permit in 1974, and we maintain reserves in this fund equal to, or exceeding, state standards.
- FSYR is very conservative in the allocation of expenses. No portion of our direct mail appeals, donor correspondence or publications is considered an “educational or program-related” expense.

Furthermore, we do not hire professional fund-raising companies, *nor do we conduct any telephone solicitations.*

# Programs & Services

## **Residential Care**

Our trained and devoted staff is well-equipped to nurture needy, neglected boys and girls and provide a warm sense of security, guidance and tenderness. Youth are cared for by Cottage Parents who help develop a strong work ethic, sense of responsibility, teamwork and respect in each boy and girl.

## **Referral Services**

Serving the 67 counties of Florida, we work with the families of children in our care. Our therapists are available to assist parents as necessary, offering supportive and referral services to the families of Florida.

## **Camping Services**

**Harmony in the Streets®** is a mobile camping program that brings the four “R’s” directly into local communities that may be socially and/or economically challenged. Our staff and law enforcement volunteers teach children to Respect Themselves, Respect Others, Respect Authority and Respect the Environment.

**Harmony in the Schools** is much like our Harmony in the Streets mobile camping program in that it brings leadership, cultural understanding and team-building skills directly into the schools. It encourages building relationships between students and peers as well as with school staff.

**Summer Resident Camp** includes many therapeutic camping activities. Canoeing, archery, swimming, arts and crafts and other activities allow deserving boys and girls the opportunity to build basic teamwork and peer communication skills. The youth also spend a week enjoying the beautiful, tranquil outdoor environment.

# Programs & Services

**Residential Leadership Programs** are hosted at camp and led in conjunction with community partners. This sometimes includes JROTC, ROTC and other leadership groups that work with us to guide young people through challenging activities to help them grow in their leadership skills.

**Summer Day Camp** consists of a variety of camping activities. These day camps are held on campus at the Youth Ranches around the state. Each one has special components, and whether it features a challenge course, horseback riding and horsemanship skills or a focus on aquatics, each Youth Ranch is a valuable resource to the community.

## A Note Regarding COVID-19's Effect

As you review the total number of youth served in our residential and camping programs, please keep in mind the incredible impact COVID-19 had on the Florida Sheriffs Youth Ranches. Throughout the country, other summer camp programs were closed due to the pandemic; however, the Youth Ranches camping programs remained open. We reduced our numbers, offered fewer sessions, and were able to provide hundreds of needy children the opportunity to enjoy a fun and educational summer camp experience. COVID-19 also had an impact on our residential campuses. New placements to our program were restricted due to the spike in new cases in the state of Florida.
