President's Perspective

A message from Roger O. Bouchard, Jr.

President of the

Florida Sheriffs Youth Ranches, Inc.

Over the years, the Youth Ranches has had the opportunity to see thousands of boys and girls come through our gates and into our hearts. Many of them are with us for a few months, or school semesters, and then return home to their families. Others are not able to go home and stay at one of the Ranches until they graduate from high school.

In May, we were privileged to celebrate the high school graduation for one of our Ranchers who has been with us for almost six years. David initially attended Summer Camp in the summer of 1994. He was then accepted into the Youth Ranch - Bradenton / Sarasota. Living in a cottage with a "Mom and Pop" and nine other boys helped him develop responsibility and strong relationships with others. Over the years, he became a leader and role model for other boys in the program. David attended public school and worked until he saved enough money to buy his own used car.

David is pictured with Mr. and Mrs. Warren Donaldson, good friends of the Youth Ranch-Bradenton/Sarasota.

The Florida Sheriffs Youth Ranches is a private, not for profit charitable organization. Our mission is to prevent juvenile delinquency and develop lawful productive citizens through a broad range of family-centered services.

We strive to be excellent stewards of the resources donated to help the children in our care. If you would like a copy of our Annual Report for the fiscal year ending September 30, 2000, please call or write Roger Bouchard, President Florida Sheriffs Youth Ranches PO Box 2000 Boys Ranch, FL 32064 1-800-765-3797. A complete independent audit prepared by Purvis Gray and Company, Certified Public Accountants is also available.

Thank you for Caring and Sharing!

Many of the guests who have visited the Youth Ranch - Bradenton / Sarasota remember David. Over the past six years, he has been a great ambassador for the Youth Ranch as he led tours, answered questions and spoke to groups about his goals and dreams. During his stay, he earned the friendship and respect of all those he came in contact with. This included several Sheriffs and two of Florida's Governors.

David has recently joined the United States Air Force and is in basic training at Lackland Air Force base in Texas. We are sure that he will continue his growth as a leader as

he serves his country.

Whether a youth spends a few months or many years at one of our programs, we know that the experience can provide the skills and motivation to help them become a success in life. David is just one more story of how, you, our donor family fruitfully provide a chance for boys and girls to turn their lives around.

Thank you for caring and sharing!

Leon County Deputy Sheriff Jamie Meeks welcomes two new friends to camp.

Calhoun County Deputy Sheriff Chris Mears helps the young ladies load their gear before they head to the campsite.

These youngsters play a quick game of BLOB TAG. Once you are "it" and you tag another person, they are linked to you. The "it" BLOB grows ever larger as they catch each member of the group. The game teaches teamwork, cooperation, strategy, and communication. Young Derrick proved to be the quickest of the group as he was the last camper to be caught by the BLOB.

Camp Counselors often spend time with the kids helping them talk through some problems. With patience and full attention, youngsters begin to share their troubles and develop a strong bond of trust and friendship with their Camp Counselor.

Youngsters are given the opportunity for adventure and new experiences at camp. Riding Instructor Ms. Plaxico shows Taleena how to properly hold Misty's reins before they go for a ride.

Escambia County Lieutenant Dale Tharp caught this young man off guard when he brought out his ticket book. The youngster was very relieved to learn he was actually receiving a "good deed" ticket for picking up a piece of trash. The citation can be turned in at meal time for a special treat. Many School Resource Officers attend camp and help build a positive rapport with the campers. This positive interaction strengthens the camp theme that "Law Enforcement Officers are Your Friends."

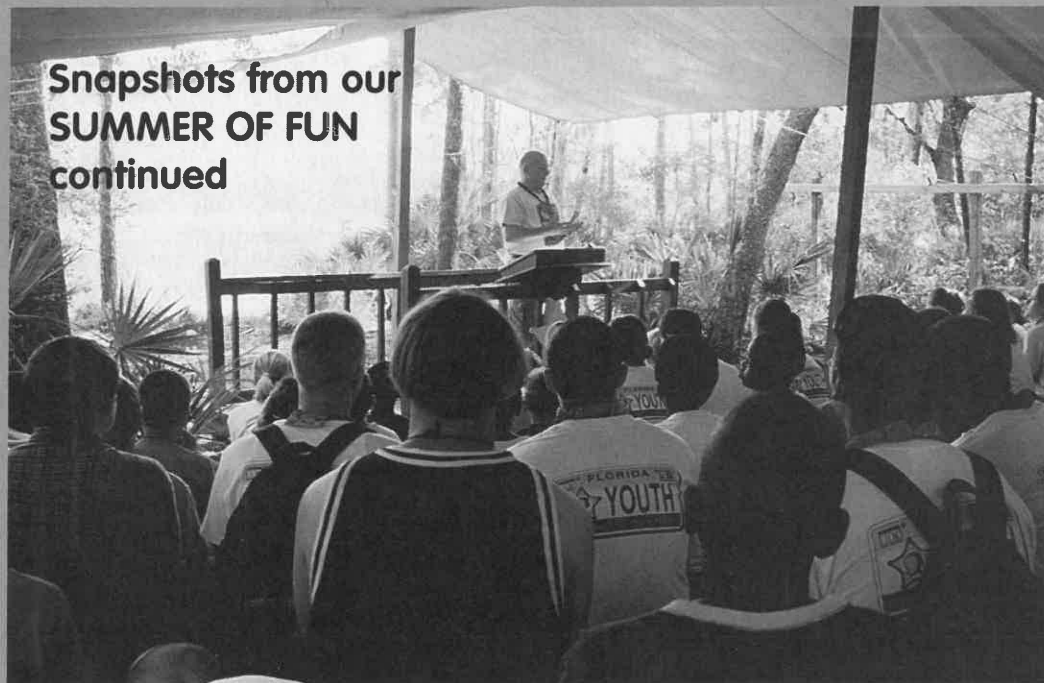

On the last night of Camp, the Law Enforcement Officers put on their uniform for the awards ceremony. All week long, the kids have enjoyed the Deputies' company and earned a new respect for the men and women who wear the Sheriff's star. This young man wanted to thank Escambia County Deputy Tama Barber for her commitment and dedication to the children at camp.

Thanks to our generous donor family, Summer was tickled to attend camp this year!

Morning Congress is held every day at camp. It is a quiet time of reflection and learning that includes a unique story to help the children reflect on the choices we face every day. On this day, Seminole County Deputy Stu Walthers selected this reading about human nature and challenged the kids to choose who will win the battle inside them.

The Eagle and the Wolf

*There is a great battle that rages inside
of me.*

*One side is the soaring eagle.
Everything the eagle stands for is good
and true and beautiful,
And it soars above the clouds.
Even though it dips down into valleys,
It lays its eggs on the mountaintops.*

*The other side of me is the howling wolf.
And that raging, howling wolf represents
the worst that is in me.
He seeks my downfall,
And justifies himself by his presence in the
pack.*

Who wins the great battle?

The one I feed.

Volusia County Deputy De Rosa made a super impression on the boys in his group. They spent hours together in various healthy activities designed to burn energy and build great friendships.

PUTTING THE PIECES TOGETHER - A YOUTH GROWTH PLAN

Each child that enters one of our residential programs comes with a unique combination of challenges. Oftentimes, these enormous obstacles overlap into many areas of their lives. For example, a boy who does not know how to accept responsibility or adult supervision may, consequently, experience problems in school that will hinder his educational growth.

The Youth Ranches uses a multifaceted approach to help youngsters identify areas of concern where they need to concentrate their efforts. This Youth Growth Plan targets desirable components or categories that promote overall wellness and the healthy development of an individual. Specific issues of concern, identified by a group that includes the youth, the family, and the Youth Ranches Social Worker, are documented as areas that need improvement. Measurable, attainable goals are set, with quarterly reviews to evaluate and celebrate the youth's personal achievements. Successful growth helps turn a troubled youth into a productive, law-abiding member of our community.

- 1. Physical Growth:** Nutrition, hygiene, clothing, fitness, substance abuse prevention...
- 2. Social Growth:** Accepting responsibility, resolving conflict, maintaining desirable relationships with adults, peers, and authority figures, developing respect for others and self...
- 3. Emotional Growth:** Sense of self-worth and belonging, awareness of personal and cultural heritage, identifying with the program, community, and country, handling anger and disappointment appropriately...

- 4. Moral/Spiritual Growth:** Sense of right and wrong, development of healthy conscience, respect for God, personal spirituality, respect for the beliefs of others, forgiveness toward others for wrongdoing....
- 5. Educational/Vocational Growth:** Good study skills and habits, organizes and completes assignments, appropriate school behavior, positive extra curricular activities, passing school grades, vocational testing and work readiness skills....
- 6. Work/Career Skills:** Successful performance of work tasks, punctuality, dependability, accepts supervision, money management, personal skills and marketing of self...
- 7. Leisure Time Activities:** Learning of lifetime recreation skills, development of healthy hobbies, participation in group activities, good sportsmanship and team skills...
- 8. Planning for the Future:** Setting realistic goals; teaching the ability to evaluate progress and modify actions to succeed.

Every piece of the pie is important to the healthy development and growth of a child. This comprehensive plan enables our youth to face and conquer problems that have suffocated their lives for so long. Their achievements serve as a constant reminder of where they have been, how they are doing, and, most importantly, where they can go in the future.

Well Done, Son!

David's journey began over 19 years ago. Those early years were far different than those of the typical healthy, happy child. Poor school performance, truancy, and a lack of supervision were just a few of the troubles faced by this twelve year old youngster. He wanted to keep up with the big kids and every opportunity to take the wrong road was right in front of him.

Fortunately, he was involved in some community-based programs with caring professionals who knew he was headed down the wrong path. With quick intervention, David was given the chance to attend the Florida Sheriffs Youth Ranches Summer Camp program (free of charge, thanks to our generous donor family.) Finally, a first step to a healthy, happy childhood!

David returned from summer camp eager to know more about the lifesaving work of the Florida Sheriffs Youth Ranches. He knew he needed to change his ways or he would continue this downward spiral to destruction. In early 1995, he found the home he was searching for - one with a mom and a pop, three square meals a day (and a few snacks here and there) a safe, secure home where he could learn and play, a place where he could grow to become a man.

Literally, you could say that David has grown up at the Youth Ranch in Bradenton. We have shared his success and his sorrows, his energy and enthusiasm. While in our care, he experienced his first football game, his first job, his first date, his first car, and his first dreams of success!

And David dreams big! Right after high school graduation, he left for basic training and proudly serves our country in the United States

In 1995, just a few months after he arrived at the Youth Ranch in Bradenton, David began to experience success. Not only did he win three awards from Mom and Pop Stump, but he was also willing to take the microphone and express his thanks to the donors for providing him with a home.

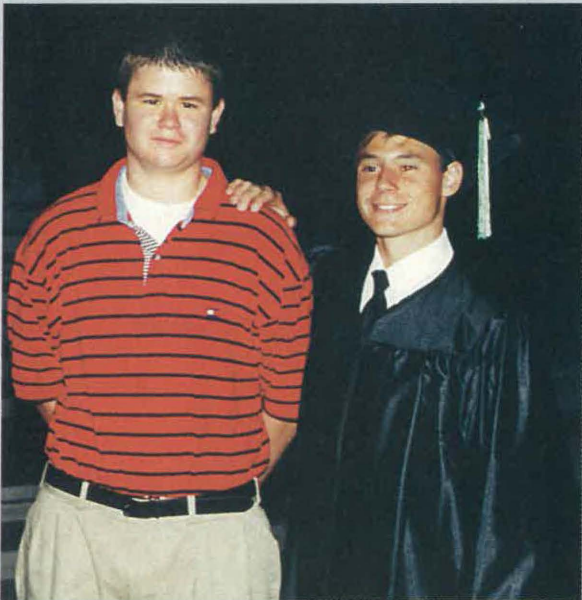

Air Force. He knows this experience will polish his skills and talents as he prepares for his future. We salute his individual accomplishments and look forward to many great things from him in the future. Because of our donor family and the superb staff who helped raise him to become a man, he now has the opportunity to succeed in life. David has displayed the inner strength and tremendous fortitude to "pull himself up by his bootstraps" and make us all proud as we collectively say "Well Done, Son!"

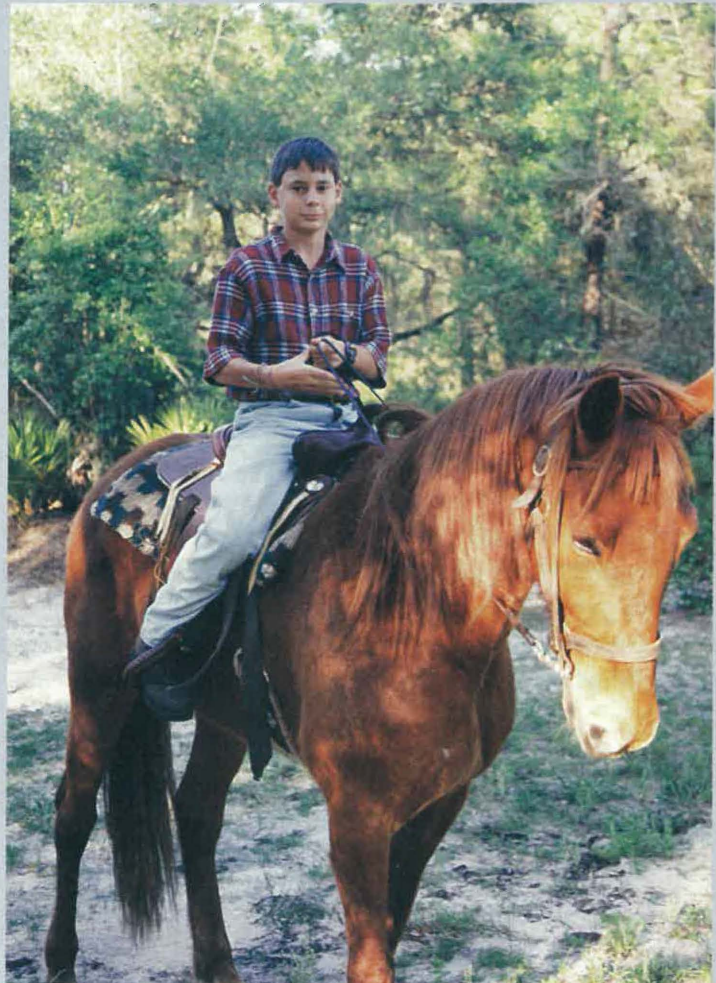

Through the years, David won almost every major award at the Ranch. His leadership skills, friendly nature and cordial manners were known far and wide. Always grateful for the opportunities he has been given, he paused again, at his last awards banquet and thanked the many people who supported him through his six years at the Ranch.

David and the other boys at the Ranch quickly learned that school was a major priority. Each day, with backpacks full of books, they headed off to class.

David has always been a leader and a role model. He proudly celebrated his graduation success with Mike, a younger Rancher who is still in the program.

David enjoys the great outdoors and the opportunity to care for animals. Additionally, he played football and is a fantastic cartoonist.

A Message from Youth Ranches Vice President Financial Development

William W. Yarick

Recently, during one of the closing segments for 60 Minutes, Andy Rooney described the routines some men go through at the beginning of their day. In his usual humorous way, he covered the process of getting up, shaving, showering, and getting dressed for work.

For most of us, a large portion of our adult life is spent going to work. Along the way we plan for retirement. We save some extra money when we can and maybe invest some in stocks, bonds or real estate. Hopefully, the investments do well and the proverbial nest egg grows to a rather substantial sum.

While we have sacrificed to save and taken the risk for the reward, we realize a silent partner wants to share in our good fortune. However, all is not lost, for the hand that taketh, also giveth! Uncle Sam and the IRS still appreciate the value of charities and charitable work.

In May, Congress passed major changes in the tax law and the President signed the Economic Growth and Tax Relief Reconciliation Act of 2001 or 2001 Tax Act, for short. This legislation is very broad and incorporates many changes in income, estate and gift taxes.

The 2001 Tax Act did not make provisions to include deductions for charitable gifts made by non-itemizers as many

of us hoped. However, overall, income taxes will be significantly reduced for taxpayers and rate reductions are immediate with additional reductions forth coming.

The estate tax will be phased out beginning January 1, 2002. Total repeal will occur in 2010. However, Congress must act before year-end 2010 to continue provisions of the Act. Otherwise, it will 'sunset' and estate taxes may be 'in' again.

Needless to say, those of us who have certain desires and plans for the disposition of our assets will need to become informed as to how the 2001 Tax Act, and all of its ramifications, will affect our future plans.

The value of using certain charitable vehicles, such as charitable trusts, will continue to be important and may be ever more beneficial to you now. This is especially important for those who have been concerned with distributions from qualified retirement plans such as IRAs, 401(k)s and other similar arrangements.

We have a new booklet entitled 'Charitable Giving After the 2001 Tax Act' to help provide you with an overview of the major provisions. As always, we encourage you to check with your advisors to help determine the exact effect of the law on you and your loved ones.

If you would like the booklet, just fill out the coupon below and we will be pleased to send it to you, complimentary and with no obligation.

Thank you for caring and sharing with our youth.

Awards Night

Each year a special night is set aside to honor the achievements of the youngsters in our care. Everyone dresses up and the anticipation builds as the boys and girls eagerly await the big announcements. As a member of our donor family, we know you join us in celebrating their success. It is our privilege to share their accomplishments with you!

Rancher J.R. (left) was surprised and pleased to receive the Outdoor Sports Award from Recreation Specialist Jeff Harrell.

Major award winners Stephen, Tony, and Jeremy are congratulated by Madison County Sheriff Pete Bucher.

The Boys Ranch Alumni Association provides the funds to purchase the trophies for the boys. Alumni member Bill Riggins (center) is proud to recognize three of our graduating Seniors Josh, Spencer, and Andy.

It takes a special effort every day to receive the Cottage Pride Award. Blackburn Cottage Mom Sandy Davis bestowed this honor on Patrick and Brooks for the cleanliness of their room and their attitude in the cottage.

Rancher Rick had the Highest GPA at the Boys Ranch and this achievement earned special recognition from Director of Education Nancy Nielsen

Harmony In The Streets: Day Camp that makes a Difference

Harmony in the Streets is a unique day camp program offered by the Florida Sheriffs Youth Ranches to help disadvantaged or at-risk youth within the local community. Each summer the Youth Ranches collaborates with the Sheriff and other key leaders to provide this dynamic and interactive weeklong event at no cost to the children.

"We go directly into some of the most challenging areas and try to reach the kids who have little chance for healthy outdoor activities," said Director of Camping Services Phil Shults. "Our goal is to teach these youngsters to get along with each other and develop positive relationships with law enforcement officers."

The "Harmony in the Streets" message helps children learn new ways to resolve conflict, reduce violence, and renew a strong sense of respect for each other as well as the local community.

So many boys and girls end up in trouble during the summer months because they are left unsupervised or their peers tempt them to participate in delinquent behavior. The Florida Sheriffs Youth Ranches has developed this innovative program to help fulfill its mission to prevent juvenile delinquency and develop productive, law abiding members of the community.

The Harmony In The Streets program includes fun activities to help cool down on a hot afternoon. This homemade slip and slide is one of the most popular events at camp.

Ms. Stutzman takes time to read with the children. Educational books provide an opportunity to teach the youngsters some very important lessons.

Arts and Crafts can stimulate a child's imagination and creativity. In the corner of the room, this Counselor prepares the simple supplies needed to weave a friendship bracelet. As she works, she talks with the children about the meaning of friendship and how they can help keep their friends safe by encouraging them to "Just Say No" to drugs and alcohol.

Organized games at a nearby park keep the kids busy throughout the day. Teamwork, communication and sportsmanship can be taught as they play wholesome, healthy activities together. This game blends aspects of kickball, softball and football all into one game. When a child is "up" he or she throws, kicks, or sends multiple balls into the playing field. The opposite team cannot touch the items until the last ball is put into play. Then, as the "batter" runs to the base, the other "team" must work together to gather the objects and get them back to the box at home base. If the runner is off a base when the last item reaches home, he or she is out.

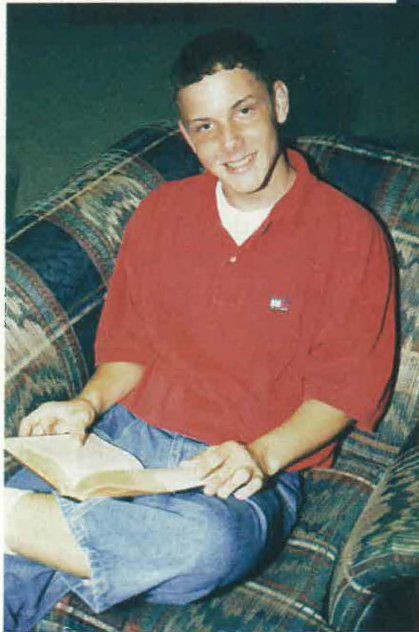

Site Director Mike Brennan is joined by Bradford County Deputy Sheriff Kaye Sargent as they congratulate this young lady on her successful completion of the Harmony In The Streets program

Back to School

With books and backpacks ready to go, our youngsters are eager to take on the challenges of a new school year. With your help, these children will receive all the support they need to overcome the failures of their past.

So many of the boys and girls in our care come to us with a poor academic record. They have the ability to achieve great things but lack the self-discipline and determination to succeed. Over the years, we have seen countless children who never believed they would pass to the next grade, let alone graduate from high school. But here, with careful guidance and encouragement, they find the desire to achieve great things and complete their education with pride.

Will you consider a special gift to help support these deserving boys and girls? Will you open up the path of opportunity and encourage them to take on the challenges of this new school year? If so, please complete the coupon below and return it right away. School starts soon and they need to know how much you care!

Please sponsor youngsters in time for the 2001-2002 School Year.

Thank You for Your Caring and Timely Gift !

A Tiny Treasure

By the time Derrick got to the basketball court, the other boys had already formed the two teams. Sides were even, and there wasn't much room for one more. He shrugged and moved on - he really didn't want to play anyway. So he shuffled away from the court and began to walk back to his cottage.

As he walked, he noticed the big, strong pines and majestic, large oak trees that line the Boys Ranch campus. He marveled at their beauty when something small and slight caught his eye.

He cautiously moved closer and saw the quivering body of a baby squirrel near the road. Thinking that the Mama was nearby he backed up and stood still, watching carefully as his little fuzzy friend quietly stirred.

Some time passed and Derrick realized the baby had some minor injuries and must have fallen from the tree. With Mama nowhere in sight, Derrick gathered the little one in his hands and gently carried him home. "I just want to keep him until he's better," pleaded Derrick. "Look!" he exclaimed. "He's really eating from this eye dropper."

Caring for an injured animal is a time consuming but very tender experience. Derrick got special permission from his teacher to bring the little squirrel to class so the feeding schedule would not be interrupted. Amazed, Boys Ranch Teacher Keith Stavig says, "It has been inspirational to watch the bond between this boy and this animal. Because of his new responsibilities, Derrick has been more attentive in class and has been very prompt in completing his assignments. He is very motivated to retain the privilege of caring for the baby squirrel."

Derrick knows his time with the baby squirrel is short. Once he has regained his strength, he must be released back to his natural habitat. However, this boy will always have a special reason to miss the next basketball game, walk a little slower, and look into the trees for his fuzzy little friend.

Boys Ranch Teacher Keith Stavig (back row, left) agreed to let Derrick (front row, center) bring his baby squirrel (on Derrick's shoulder) to class.

Once upon a time....

Once upon a time in a far off land, there was a boy named Matt. He was leading a good but not so quiet life. You see, Matt was a fat little fellow at the age of seven. He was always in trouble. But, he could always find his way out, even though he was guilty of everything he did. By the age of ten, things began to catch up with him and he ran away from home. He ended up in foster care and was bounced all over the state.

The last place he landed was the Florida Sheriffs Youth Ranch, where he learned a lot. He has been there for a year and a half and has learned to talk out his problems. This skill will help him in life with his peers, bosses, family members, and with himself. He has learned how to care for family members, how to hold a job, and how to take responsibility for what he has done. He has also learned how to control his thoughts, what he says, and how he acts toward others.

In the future, this will help him achieve every goal he has planned for the rest of his life. He will know how to talk out problems and avoid arguments. He plans to teach these lessons to his kids so they will know right from wrong and how to deal with thier problems without fighting.

My name is Matthew. I am staying at the Florida Sheriffs Youth Ranch and this is my story. I have changed since I have been at the Youth Ranch and I plan to use the things

In 2000, Unit Director Jery Erlandson presented Matt with the Determination Award. This year, Matt won the coveted Leadership Award.

I have learned when I get out in the world. Thank you for helping me change my life!

Planning For Your Future?

Have you made plans to care for those you love? Proper planning can make a world of difference. Many kind and generous people have decided to include our children in their plans, as if they were their own. It is a simple task, but it often goes undone. Providing a gift for less fortunate boys and girls who need a helping hand can be one of the most satisfying decisions you will ever make. It is truly a gift from the heart and will make a world of difference.

Should you want to make a special provision in your will for our youngsters, the following words may be helpful. **"I give and devise to the Florida Sheriffs Youth Ranches, Inc. PO Box 2000 Boys Ranch, FL 32064 the following...."**

Examples of gifts to the boys and girls in our care could be

- 100% of the residual value of my estate
- a specific amount of \$ _____
- a description of the property
- a certain quantity of stocks
- or any combination of the above choices.

We encourage you to contact your attorney, advisor or the Youth Ranches to assist you as needed.

Escambia County Sheriff Ron McNesby gives a true "thumbs up" as he introduces the Southern Heat Band.

Members of the Southern Heat Band are all smiles as they get ready to play for the boys at the Ranch.

Escambia County Sheriff Brings "Southern Heat" Band to the Boys Ranch.

Sheriff Ron McNesby has become very active in his support of the boys and girls served by the Florida Sheriffs Youth Ranches. In March, he donated a 48' trailer loaded with used office equipment including desks, computer equipment, telephones and other various items. Wanting to be sure the trailer was full, he added over 50 unclaimed, recovered bicycles to the donation. Sheriff McNesby felt this equipment would be put to good use at the Youth Ranch or could be sold at one of the Opportunity Stores to raise money for the kids in care.

The Sheriff of Escambia County is very proud of the men and women who work in the Sheriff's Office. He has encouraged them to take an active role in community issues, including the prevention of juvenile delinquency. In keeping with this commitment, he has endorsed the efforts of a local band named "Southern Heat." The band is comprised of Sheriff's Offices employees and other law enforcement individuals. They truly enjoy performing for youngsters at schools and other youth oriented events.

Sheriff McNesby contacted the Boys Ranch and arranged for the entire band to travel to Live Oak for a very special performance. The band arrived early, set up and enjoyed a great visit at the Ranch. The boys were a bit skeptical at first, but as soon as they heard the beat, they began to take interest. Before long, the Southern Heat band had them out on the floor!

The message was subtle, but clear. Music can stir the

Ranchers Spencer and Aaron (with hats) play the tambourine as the band jams with a popular tune.

heart and smiles can be a big part of the plan to ensure kids and cops have fun together. As they laughed and sang, a positive and healthy bond of friendship was built between the Escambia County Sheriffs Office Southern Heat Band and the youngsters at the Boys Ranch.

Special Friends Visit the Boys Ranch

Serving as Executive Assistant to the Sheriff is an extremely responsible position. These ladies work diligently to ensure that the Office of Sheriff runs smoothly.

Friends, family and other special folks visit our campuses from time to time. We welcome those who stop by for a cup of coffee and want to learn more about the children we serve. Occasionally, we even host a group or club that wants to see the ranch firsthand. Our philosophy embraces these opportunities as a way to let people experience and witness the services they help us provide for youngsters in need.

A few months ago, the Florida Sheriffs Boys Ranch had the special privilege of hosting some significant and key individuals known as the Administrative Assistant to the Sheriff. Everyone knows that most successful organizations rely on the dynamic skills and abilities of these talented employees who work directly with the Sheriff of each county. Their job, if done well, seldom brings them attention, but their effort always makes a difference for the citizens in their county.

For our boys and girls, this difference literally had a direct impact on their lives. You see, before a child is admitted to one of the programs operated by the Florida Sheriffs Youth Ranches, his or her application must be approved by

On a walking tour of the campus, Rancher J.R. (third from left) explains some of the activities available to the boys on the Ranch.

the local Sheriff. The paperwork must be organized, accurate and complete. The Administrative Assistant often handles the many details prior to the Sheriff's final review.

Somehow seeing the paperwork is not the same as meeting the people involved in the process. This visit was a unique and genuine opportunity for these folks to meet some of the youngsters who have experienced the benefit of the Boys Ranch. One Administrative Assistant remarked, "It was so nice to visit a place that I have known of for many,

Will (fifth from right) gave these folks a tour of the Pentland Counseling Center. Here each boy can meet with his Therapist and talk through some of the challenges facing him.

many years. To actually be in a place that has only existed in pictures was indeed a rewarding experience."

Another shared, "Having time to spend with those young men and see what kind of life they have now and listen to what their lives were like before the Youth Ranches was a very heartwarming experience." Touching, seeing and learning about the wonderful place known as the

Rancher Robert (third from left) greets some of our guests at the front door of Conn cottage. He showed them the cottage, his room and talked about the other aspects of Ranch life.

Florida Sheriffs Boys Ranch truly is a unique and moving opportunity.

We encourage and welcome all the members of our donor family to visit any one of our sites. Your interest and commitment to our children is a vital part of our success. Surely, you will leave with a powerful impression of who we are and how we care for children in need.

Tractor has pulled it's weight many times over during the past 17 years.

With 85 horsepower and two wheel drive, this 1984 Ford 7610 tractor has pulled it's weight many times over during the past 17 years. It has handled much of the heavy-duty farm work at the Boys Ranch.

Ranchers, like Mike, have used it to pull a drum chopper, mow and cut fire lines between the stands of timber, to pull the feed out to the cattle in the distant pasture, and for many other major projects. It has been an invaluable part of a working ranch.

But, time has begun to take it's toll and there is a great need to consider replacing this important piece of equipment with a four wheel drive, 75 horsepower tractor. Business Manager Bruce Goff says he can get a new tractor for \$25,000. We are hoping a kind and generous donor will understand this great need and consider funding this spe-

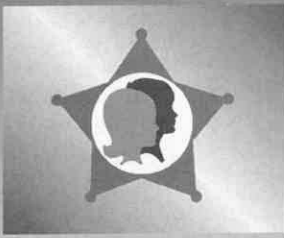

cial and important request. If you would like more information or want to discuss the possibility of making a gift to purchase a new tractor, please contact the Boys Ranch at 386-842-5555. Thank you for caring and sharing!

Put a Star on Your Car !

The Florida Sheriffs Youth Ranches Specialty License Plate provides Florida citizens with a unique and personal way to help in the ongoing fight against juvenile delinquency and neglect. Along with the regular tag fees, the additional specialty tag donation will help Florida's needy boys and girls find shelter, guidance and self-confidence. To purchase your Youth Ranches Specialty Plate today, please contact your local Tax Collector.

HONOR GIFTS

A gift may be made to the Youth Ranches in honor of a person and/or a special occasion, such as a birthday, anniversary, etc. If appropriate, and if a mailing address is provided, a letter of acknowledgment will be sent to the person being honored. A listing of the donor and the person honored will appear in a future issue of *The Rancher* magazine and, when address is provided, the person honored will receive a copy of the issue in which his or her name appears. In the listing below, the Honoree is listed first in all caps.

Summer Camp Fun!

These boys, counselors and Santa Rosa County Deputy Michael pose for a shot with "Casey" the camp dog! "Casey" is one of the most popular and mellow residents at Caruth Camp.

Leon County Sheriffs Office Truly Cares About Kids!

Rancher Tony (front row) joins Youth Ranches Development Officer Linda Crews for a special presentation ceremony to accept a check for over \$11,000 from Leon County Sheriff Larry Campbell. Supporting Sheriff Campbell in this effort is (back row l-r) Stan Willis, Jason Lee, Billy Parramore, Billy Joyce, Ray Wood, Jerry Shuler, and Al Estes. The check represents proceeds from the Leon County Sheriffs Office Annual Fishing tournament to benefit the boys and girls of the Youth Ranches.

Boys
can be tough,
Or perhaps a bit rough.
Growing up way too soon,
Ready to fly to the moon.
But, inside their heart,
There's a soft little part.
When a puppy they meet,
That is gentle and
sweet!
