A message from Roger O. Bouchard, Jr.  
President of the Florida Sheriffs Youth  
Ranches, Inc.

## "Character Counts!"

Over the past months, we have been shocked and sickened by reports of fraud in the corporate world. Enron, Arthur Anderson, WorldCom and other national and international giants have fallen apart as the news broke of deceptive accounting practices and falsification of reports. In attempts to bolster stock prices (and profits for company leaders) the basic values of honesty and integrity were ignored and private investors lost their hard earned money.

Although the Securities Exchange Commission and our government will surely place more stringent guidelines on corporations and accounting firms, we must not ignore the deeper underlying problems. Honesty and integrity are not acquired at the corporate leadership level. These basic character traits are learned at a young age on the laps of parents, in the elementary schools, churches, and around the dinner table at home. When children do not learn the value of a true and upright character at an early age, they have no firm foundation for making the right decisions when they become adults.

## Put a Star on Your Car!

The Florida Sheriffs Youth Ranches Specialty License Plate provides Florida citizens with a unique and personal way to help in the ongoing fight against juvenile delinquency and neglect. Along with the regular tag fees, the additional specialty tag donation will help Florida's needy boys and girls find shelter, guidance and self-confidence. To purchase your Youth Ranches Specialty Plate today, please contact your local Tax Collector.

One of the basic foundations of the Florida Sheriffs Youth Ranches is the belief that young people must be taught character before anything else. The principals of honesty, integrity, hard work and the respect for others become the underlying foundation all else is built upon. Our cottage parents, counselors and other staff must continually teach each child that honesty really is the best policy and a person's good name is more important than wealth, status or position.

This year, over 5,000 children from all 67 counties in Florida will be exposed to these "old fashioned" values in our residential programs, camps and other services. Over the years, we have seen the difference this makes in the lives of our graduates. With your support and prayers, these young people are making life changes that will impact their lives, and the lives of those around them for a lifetime.

As we celebrate our 45<sup>th</sup> anniversary in October, I would like to express my thanks and appreciation to all of the Sheriffs, donors and staff who have helped over 50,000 young people build a strong, healthy foundation of values to guide their lives. You truly are making a difference.

Even when it rains at camp, we can still have fun with our friends. Sarasota County Deputy Sheriff Hill helps Barry get ready for the summer rain shower by letting him try on his bright yellow raincoat and Deputy hat.

# Family, Fun and Friends

The Alachua County Sheriffs Office let Deputy Winsker (behind the wheel) and Deputy Scott (foreground) bring the Sheriff's Office four-wheeler to camp. These girls enjoyed learning about this vital piece of equipment and how it can help the Sheriff's Office search rough terrain.

Each year, our donor family gives nearly 900 boys and girls a chance to attend the Florida Sheriffs Youth Ranches Summer Camp. Many of these youngsters would not have the opportunity to be a part of this dynamic program without the sponsorship of some very special donors. In many ways, our donors provide and care for our kids much like a loving grandparent or close family member.

"Thank you! Thank You!! THANK YOU!!!" wrote one camper in a postcard to his sponsors. The enthusiasm just jumped off the page as he expressed his excitement about attending camp. Another youngster jotted this note about camp, "Everything is so COOL...Camp is AWESOME!"

When you think of all the fun activities like swimming, horseback riding, archery, challenge course, fishing, canoeing, arts and crafts...how can a kid not enjoy camp? Well, when we asked them what we could do to make camp better, we heard things like "get rid of the bugs," "let us stay longer," and "let the girls spend more time with the boys" – pretty typical responses from youngsters between the ages of 10 and 15.

Beyond the fun and games, Summer Camp is also a unique time in a child's life when special friendships can be formed. Volunteer Law Enforcement Officers spend a week with the children and promote the camp theme "Law Enforcement Officers Are Your Friends!" They forge a special bond as they sing and share the

excitement of camp. So often, we hear about the impact a Deputy Sheriff has had on the life of a child, simply because of this new friendship.

Quoting one camper, "The Deputies keep us safe." Another added, "They help us stay off drugs." "Deputy Jay is my best friend." And finally, from one young man, "He treated me like a son!"

What a difference a week of Summer Camp can make in the life of a deserving child!

## "SWEET TREAT"

Casey is the unofficial camp dog at Caruth Camp. He is owned by the Supervisor of Maintenance Skip Weed and gets to come to work every day! Casey has been around long enough to know the camp routine. Mysteriously, right around snack time, Casey slips away to find a tenderhearted camper.

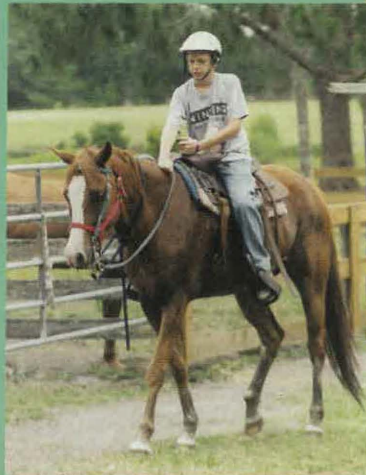

Today, James looks like the best candidate. Casey moves in and sits waiting expectantly for that last bite of a popsicle. However, James is a quick thinker. He convinces his counselor to let him have an extra snack for Casey. With a quick lick, chew and gulp, Casey downs his own sweet treat before James can finish the one he is eating. Yes, you guessed right...today Casey got both a popsicle and the last bite!

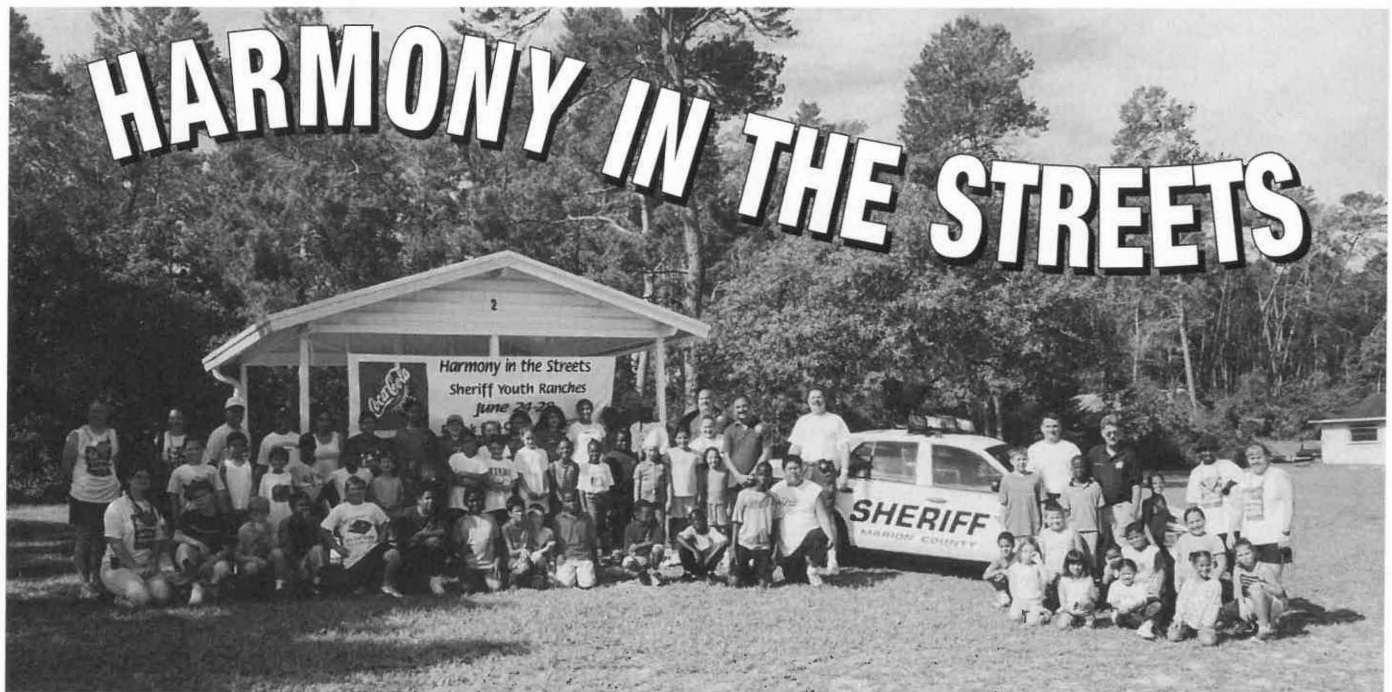

## Thanks for sending me to Camp!

Dear Sponsor,  
I've been thinking a lot about how much fun I have been having at camp. I felt kind of bad not giving anything back in return. I mean we pick up trash and I help my counselors, but I still felt it wasn't enough. So I decided to write you head directors and say thanks for all the opportunities you've given me and other kids. Again, thank you!!! - "Tommy"

Riding a horse can sometimes be a challenging experience. After receiving the proper instruction (like how to groom, saddle, and guide the animal) youngsters get the opportunity to climb on board for a ride!

Ring the camp bell is an important job at camp. Three tugs 15 minutes before the meal means its almost time to eat! This traditional reminder gives everyone within earshot plenty of time to get cleaned up and ready for supper.

## Teaching the "Four R's" of Good Behavior

"Harmony In The Streets" Site Director Nikkia Clark calls the children together for "Morning Congress". They scurry under the pavilion from the various field games, craft projects, and other activities that have kept them busy for the last hour. Nearly 60 boys and girls from all walks of life have come to this free day camp led by the Florida Sheriffs Youth Ranches.

This is day three of a five-day session sponsored by the local Sheriff to help bring positive values and healthy activities into the lives of children who have few alternatives for summer fun. Quickly, Ms. Clark has their attention! The youngsters giggle and laugh as they sing silly camp songs full of active motion and funny faces.

As the Marion County Deputy Sheriffs help serve the kids a healthy breakfast snack, Ms. Clark reviews the lessons of yesterday. "Who can tell me one of the Four R's of Good Behavior?" An arm shoots straight up in the air. "Yes, Thomas." "RESPECT YOURSELF!" he proclaims with a toothless grin. "Super answer!" she said! "But what does that mean?" One child offers a suggestion, "Don't hurt yourself." "Only do things you can be proud of," replied another.

The lesson continues as the children recall the remaining answers and offer their interpretation of the rules:

### RESPECT OTHERS

"Keep your hands to yourself."  
 "Don't say bad things about someone else."  
 "Be friendly, not mean."

All the Campers, Counselors, and Deputies gather together for a group photo of "Harmony In the Streets".

### RESPECT YOUR ELDERS

"Listen to them."  
 "Don't talk back."  
 "Don't show 'attitude.'"  
 "Obey!"

### RESPECT OUR COMMUNITY

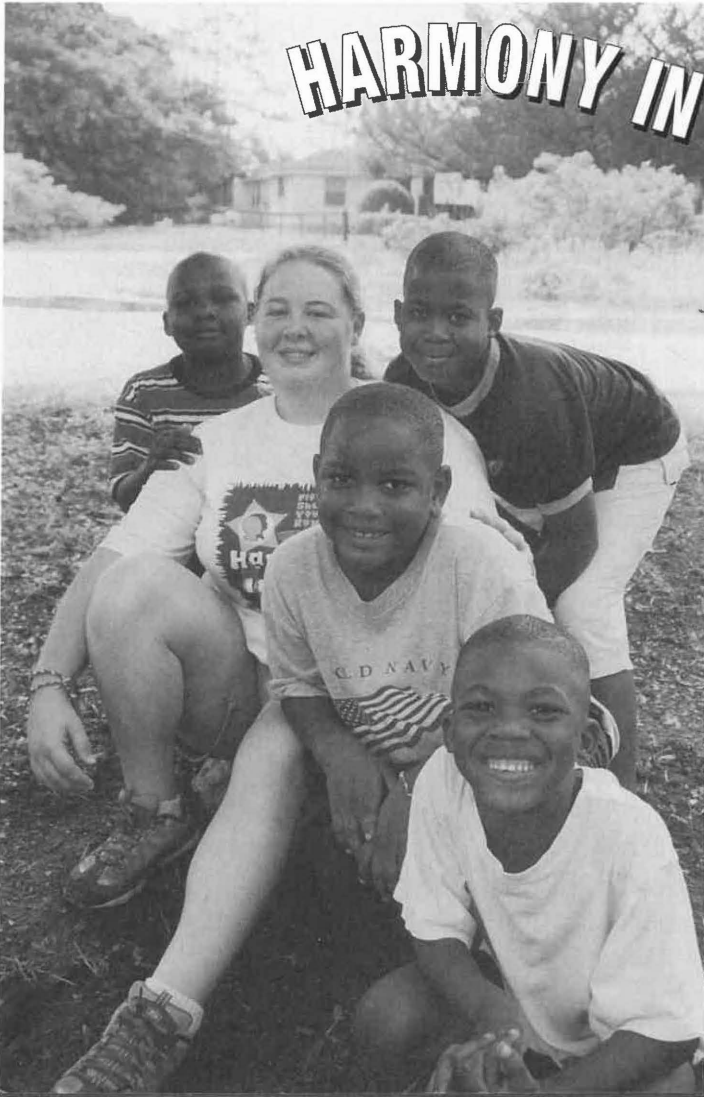

"Pick up trash."  
 "Don't write on the tables."  
 "Don't destroy property."

A sense of shared achievement spreads over the group as they know they have conquered the "Four R's of Good Behavior."

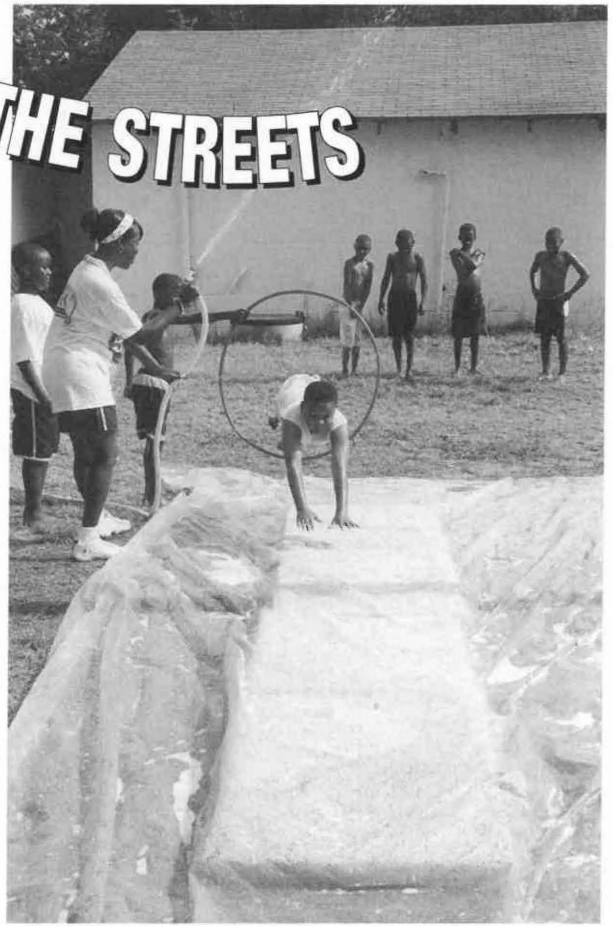

Next, Ms. Clark quiets them down and as the Counselors act out a story about a king and his three sons...each with a chance to inherit the kingdom, if only they reach their goal. One cares too much about the past, another is only concerned with the present, and finally, the triumphant son is the one who has his eye on the future and genuinely strives to reach his goal. The moral of the story is cleverly woven together to encourage the children to excel in school and keep their eye on their future goals!

Feeling the children are ready to go, Ms. Clark divides them into four groups and sends them off with the Counselors and Deputies for another fun-filled day of healthy activities. As she realizes all they have learned in just a few short days, she understands the true meaning and mission of "Harmony In The Streets."

# HARMONY IN THE STREETS

Friendly faces and good behavior can make all the difference in the world!

The homemade Slip 'N Slide is one of the fun activities of day camp.

Silly songs bring smiles and laughter to children in need.

Counselors serve as positive role models for the youngsters served at "Harmony In The Streets."

The first day of camp! After a long bus ride, these campers, counselors, and volunteer Deputy Sheriffs are ready for a fun and exciting week at camp. Before the activities begin, they took a few moments to attend the special cabin dedication ceremony at the Youth Camp in Barberville.

# COOL CAMP CABINS

## The Way It Use To Be

In a canvas platform tent with mosquito netting tied on a pvc frame over your head and tucked around the cot mattress, you scarcely move for fear of opening the tiniest of gaps that will let the dreaded, buzzing insects in to invade your personal sleeping space. But, it's so hot and humid, you can't help tossing and turning in your bunk. The morning light appears all too soon...and you rise to greet the sun without a good night's sleep.

## A New Day Dawning

Thanks to the generosity of several members of our donor family, our kids now have new "cool" cabins to help them rest well so they are better prepared for a full day of activ-

Saint Johns County Deputy Sheriff Kennedy joined Sylvia and Steve Bekemeyer, Bill Demetree, Jr., and Youth Ranches President Roger Bouchard as the ribbon was cut for one of the new cabins at the Florida Sheriffs Youth Camp.

Director of Camping Services Phil Shults, Development Officer Sandy Phillips, the Bekemeyers, Bill Demetree, Jr., and Youth Ranches President Roger Bouchard stand near a special plaque honoring the donors who funded the cabin construction.

**Camp, Cops and Kids...What a GREAT combination!** St. Johns County Deputy Sheriff Kennedy is just one of the many Law Enforcement Officers who makes a strong commitment to help out at Summer Camp. He immediately made friends with campers Brad and Nick at the dedication ceremony for the new cabins. Throughout the rest of the week, Deputy Kennedy enjoyed spending time with the kids hiking, swimming, canoeing, horseback riding, and participating in many other exciting camp activities. On the last night, an awards ceremony is held. Deputy Kennedy will participate with his campsite and recognize each and every camper with a special award for his accomplishments at camp!

ities at camp.

The William C. Demetree, Jr. Foundation, Mr. and Mrs. W. C. Gentry, Mr. and Mrs. Floyd McRae, Mr. and Mrs. Steve Bekemeyer and Mrs. Isabel Fowler all made significant gifts to help fund the construction of six air conditioned cabins for our boys and girls.

With great glee and enormous energy, several of the campers eagerly approached the donors after the dedication ceremony. "Thank you so very much," one young lady proclaimed as she repeatedly pumped the hand of this special donor. "I can't wait to be the first camper to sleep in this new cabin!"

Such enthusiasm is contagious! Sincere gratitude as seen in the genuine smile of a child is often all the "thanks" our donors require. So many of you deserve that kind of appreciation. Without your generous support and sponsorship of Summer Camp, we wouldn't be able to provide this exciting experience to the deserving children of Florida. Thank you for providing a safe, comfortable living environment for our boys and girls.

# Q: What is the relationship between the Florida Sheriffs Association and the Florida Sheriffs Youth Ranches?

Simply stated, they are two separate 501(c) 3 charitable organizations, each with a unique purpose but they work very closely together. The mission of the **Florida Sheriffs Association** is to foster and enhance effective law enforcement activities through educational and charitable efforts including the prevention of crime, the apprehension of criminals, and the protection of the life and property of the citizens of Florida. It is located in Tallahassee and works closely with the 67 Sheriffs of Florida. The Florida Sheriffs Association is the founding organization of the Florida Sheriffs Youth Ranches.

The Florida Sheriffs Association is made up of Honorary, Business, and Law Enforcement Members who pay yearly dues of \$20. The Florida Sheriffs Association actively supports the Florida Sheriffs Youth Ranches and other law enforcement related programs.

The Florida Sheriffs Youth Ranches accepts donations in any amounts and uses these gifts to support the children in our care. Voluntary gifts are a primary source of funding. Charitable gifts, bequests, wills and trusts can be earmarked to benefit any of the statewide programs.

The Florida Sheriffs Youth Ranches is nationally accredited by the Council on Accreditation of Services for Families and Children, Inc. and the American Camping Association. Since 1957, the Florida Sheriffs Youth Ranches has touched the lives of over 50,000 boys, girls, and their families.

While both organizations work very closely together on many issues, each administers its own program through a separate Board of Directors. Gifts to either the Florida Sheriffs Association or the Florida Sheriffs Youth Ranches are tax deductible.

# Michelle Wells Golf Tournament

*Faithful Friends Help Heal A Heart!*

Eighteen years ago, Manatee County Sheriff Charlie Wells got the call every parent dreads. His beloved daughter Michelle was involved in an accident...and she did not survive. The anguish and sorrow that filled his heart was almost unbearable.

Fortunately, Sheriff Wells had many friends who cared deeply about his loss and stood by his side throughout this ordeal. One person in particular suggested they find a way to make some good come out of this tragedy. Within months, they organized and held the First Annual Michelle Wells Memorial Golf Tournament to benefit the boys and girls of the Florida Sheriffs Youth Ranches.

**Michelle Wells, a graduate of Leto High School, passed away in 1985 at the age of 19.**

**Sheriff Charlie Wells (right) and Bruce Meade (left) receive the Crystal Star Award for the Manatee County Sheriffs Office from the Chairman of the Florida Sheriffs Youth Ranches Board of Directors Bradford County Sheriff Bob Milner. This Award is for cumulative gifts of over \$250,000, most of which were generated through the Michelle Wells Memorial Golf Tournament.**

Since then, the tradition has continued each and every year. Friends and supporters of Sheriff Wells join together and raise a very generous amount of money for the children in memory of Michelle. Sheriff Wells recently said, "Michelle would have loved an event like this. She was very outgoing and comfortable around people." He went on to express his sincere appreciation to the volunteers, golfers and sponsors who help make the event so successful. "Thank you so very much for remembering Michelle in this very special way."

## Cottage Life

Youngsters who come to one of our four residential programs move in a cottage with a "Mom and Pop" and eight to ten other kids. They live together, eat together, get to school and do chores around the house just like everyone else. The goal is to function much like a real family. For many of our children, this is a new experience. Typically, the child fits right in to the daily household routine and begins to understand the value of a loving home environment.

Our Cottage Parents are some of the most patient and caring people in the world. They take this job of raising other people's children very seriously. It is a tough job and, at times, the results are hard to see.

But they keep going, knowing they are making a difference by changing the life of a child in need. Some consider it a mission...a calling... even, a gift of love to help these boys and girls become productive members of our communities. We applaud their effort and know the time and energy invested in the lives of these youngsters is well spent.

**(Left) Mom and Pop Knight have been Cottage Parents at the Boys Ranch for many years. They welcome these boys into Jellison Cottage and treat them as sons.**

**Pop Bryant believes in spending quality time with each Rancher. A friendly game of chess can go a long way to building a trusting relationship with a boy in Hauer Cottage.**

Boys Ranch major Awards Winners Mike, Ben, and Jason show off their trophies and Savings Bonds provided by an anonymous donor.

Kids, who were once forgotten, broken or beaten, rarely have the self-confidence to consider themselves a winner. Angry teens, who mistrust adults and typically only seek negative attention, barely believe there is a chance for others to see them in a positive light. Boys and girls, who once thought of themselves as failures, now shine brightly for all the world to know. Each child – special, unique and talented has something to give – and thanks to you, we can celebrate the changes in their lives.

Every year, we take the time to acknowledge the accomplishments of the children in our care. From academic awards to best worker, many youngsters receive the recognition they have earned and deserve for completing a very successful year.

Miles of smiles accompany the presentations, as staff members brag about these youngsters and the progress they have made. With great admiration for the children who have made these tremendous achievements, we ask you to join with us as we applaud their efforts and reward their positive behavior.

# Awards Night

# A Celebration of Change!

Mr. and Mrs. Bill Powers came to the Boys Ranch to help celebrate Keith's achievements. Keith was one of the lucky boys chosen to serve as a Page in the Florida Senate alongside Senator Richard Mitchell. During his visit to Tallahassee, Keith became great friends with Bill and Karen Powers as a guest in their home.

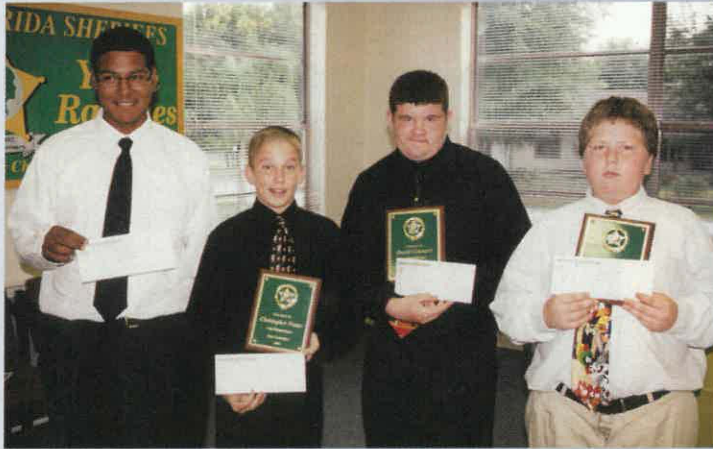

Mom Bryant proudly presented Tony with the Cottage Pride Award for Hauer Cottage.

Elli and Ben Crowder were joined by Polk County Sheriff Lawrence Crow as they presented the Crowder Memorial scholarship to Sarah. The gift was especially meaningful to Mac Crowder (right) as the fund was originally established in memory of his wife.

Christopher received the award for best worker at the Youth Ranch in Bradenton from Cottage Pop Joel White.

Francisco, Christopher, David and Brandon all received a Savings Bond with their special awards.

Polk County Sheriff Lawrence Crow was pleased to visit with two former Ranchers at the Youth Villa Awards Banquet. Trish Pearce once lived at the Youth Villa and has just entered the Masters Program in Accounting at the University of South Florida. Deputy Willie Nickerson grew up at the Boys Ranch. He obtained a Masters Degree from Florida A & M University and now works for Sheriff Crow as a Law Enforcement Officer.

# Leon County Sheriffs Office Hosts Second Annual Fishing Tournament

A whopping \$23,000 was raised for the boys and girls of the Florida Sheriffs Youth Ranches during the second annual fishing tournament sponsored by Sheriff Larry Campbell and the Leon County Sheriffs Office. Forty three boats launched out early in the morning to see if today would be the day they would land "the big one".

Sheriff Campbell and a host of dedicated volunteers waited on the banks to see what big "fishing tales" were brought in. Weigh Master Joey Ferris did an outstanding job carefully evaluating the catch of the day.

Afterward, everyone enjoyed a fantastic barbecue and great entertainment by Ray Wiley and band. Sheriff Campbell helped award the prizes and thanked everyone for the outstanding participation in support of the Florida Sheriffs Youth Ranches - "Florida's Charity For Florida's Children".

Leon County Sheriffs Larry Campbell (center) and Capt. Ray Wood proudly presents a check for \$23,000 to Youth Ranches Development Officer Linda Crews.

### Helping the Kids!

Pasco County Sheriff Bob White (right) recently received the title and keys for an automobile from Mrs. Loretta Doran. Standing here with her attorney Robert A. Green, Jr., Mrs. Doran decided the Florida Sheriffs Youth Ranches kids could benefit from her late husband's car. She called Sheriff White and he gladly accepted this gift on behalf of our boys and girls.

### Another Generous Gift!

Many of the folks in his community know Bradford County Sheriff Bob Milner is passionate about helping the children in our care. Two local residents of Starke, Ray and Nancy Norman, approached the Sheriff about donating their Buick to the Florida Sheriffs Youth Ranches. The Normans dropped the car off at the Sheriff's Office and gave the Sheriff the keys. He immediately called the Ranch and arranged for us to pick up this very generous and thoughtful gift.

### Thanks for helping us fix the Firetruck

We received many calls with leads and tips to help us fix the Boys Ranch Firetruck. One Rancher Reader suggested we contact the Mack Company. Tom Loetbeier of the Mack Truck Museum responded by sending us the parts and service manuals along with the history of the 1950 Mack Firetruck.

However, the most beneficial call came from a caring donor named John, who is an employee of Westwood Automotive in Kirkwood, MO. He put us in touch with owners of Westwood Automotive, Joe and Margie Muller. They graciously agreed to do all they could to help us fix the truck. We sent some of our broken parts to Mis-

souri and they repaired them for free. We are so blessed to have such a caring network of folks who helped us put the Firetruck back together again!

## Help our boys and girls work, study, pray and play growing up the American way!

Over the years, the Florida Sheriffs Youth Ranches has used the phrase "We work, study, pray and play...growing up the American way!" This message reflects some of the basic areas we strive to build within our boys and girls.

With this summer's challenge to the Pledge of Allegiance and other attacks on American traditions, we believe more than ever that a child's basic education should be strongly rooted in a firm foundation.

Many of the boys and girls who come to the Youth Ranches are behind in school. They see themselves as failures and usually "just quit" trying to succeed. If we do not restore the basic desire to learn and energize their self-esteem, our country could be facing a future generation of young adults who "give up" when the going gets tough.

At the Florida Sheriffs Youth Ranches, we want our teenagers to "get up" when the going gets tough. We encourage them to stand up and face the future with confidence and a renewed determination to succeed.

But, we can't do it alone. We need your help and support to instill these values in our youth. Your gift to the Florida Sheriffs Youth Ranches is an investment in the lives of children who have been rejected by others. They have been told their best is not good enough. We believe differently! We are counting on you to help us by making a special gift to help our boys and girls work, study, pray and play growing up the American way!

## Leaving a Legacy

Many people have a strong desire to help our boys and girls, but they feel they have nothing of significant value to give. You may be just like them. You have evaluated your circumstances and planned for your future very carefully. You need to preserve your assets and savings to ensure you will have enough to cover the unknown costs of future care. A significant gift to our children may not be in your best interest at this time.

However, there are some other very special ways that you can help our kids. Perhaps years ago, you took out a life insurance policy to cover the cost of college for your children. Now, they are grown and you still have the policy. You could consider changing the beneficiary on your life insurance policy to include the Florida Sheriffs Youth Ranches, Inc. This gift will be of great benefit to our children.

Or maybe you have an IRA or 401(k) that will provide you with income during your retirement. Listing the Florida Sheriffs Youth Ranches as a

beneficiary of this account could provide a substantial gift to help prevent juvenile delinquency.

Each year, we receive word about those special individuals who have left the Florida Sheriffs Youth Ranches, Inc. as the residual beneficiary of their estate. This can be done through a simple will or trust document. As a Florida resident, if you die without a will or similar document, your estate is distributed in strict accordance with Florida laws. No provision is made for charitable gifts. Wouldn't you prefer to control or designate who will receive your hard earned money?

Any of these options can make a difference in the life of a deserving boy or girl. What a wonderful way to leave a legacy by sharing what you have left with the children in our care.

If you would like more information about these giving options, please call 1-800-765-3797 or complete the coupon below and return it in the enclosed envelope. Thank you so much for considering a gift to help our boys and girls.

### About your estate planning...

Many of our friends have thoughtfully made provision in their estate planning for our boys and girls. If you are considering a gift of this nature or if you would just like to know more about the many and varied opportunities for sharing, we can help. At your invitation, it would be our privilege and pleasure to visit you in your home. If you prefer, you are welcome to visit us or we can furnish information by mail or telephone, whichever is most practical and convenient.

*If you would like to know more about including the Youth Ranches in your estate plans, please complete the coupon below and mail it in the postage-paid envelope found elsewhere in this magazine.*

# Customer Appreciation Days

## Clowning Around on Customer Appreciation Day

Two of the three Florida Sheriffs Youth Ranches Opportunity Stores held a Customer Appreciation Day this summer. Bargains galore greeted the customers as they walked into the store. Significant savings on everything like clothing, couches, books, and more. The sale drew large crowds as they searched for a certain treasure or special trinket.

Every year, our donor family generously provides the items we sell at the Opportunity Store. With each tax-deductible gift, we make every effort to convert the non-cash donation into much needed cash to help support the children in our care. Thank you for caring and sharing!

Manager Bob Conley thanks the visiting clowns who spent the day entertaining customers at the Opportunity Store in Crystal River.

The Citrus County Sheriff's Office FOCUS (Filtering Out Crime United with Students) Car made a special visit to the Florida Sheriffs Youth Ranches Opportunity Store Customer Appreciation Day in Crystal River.

The Florida Sheriffs Youth Ranches Opportunity Store in Live Oak had over \$7,000 in sales at their annual Customer Appreciation Day.

Rick Baker of Karlin Daniel and Associates presents two checks to Indian River County Sheriff Roy Raymond (right) and Florida Sheriffs Youth Ranches Vice President of Public Relations Alison Evans. One check was the donation of 10% buyers fee from the auctioned vehicles and the second check was a personal gift from Mr. and Mrs. Baker.

As a token of our appreciation, Sheriff Raymond gave Rick Baker a Pictorial History Book of the first 40 years of the Florida Sheriffs Youth Ranches, Inc.

## Auctioneer Has A Heart For Kids!

As pioneers in the Florida auction industry, Karlin Daniel and Associates has been very active in handling many unique items of interest, including property and estates. They are very supportive of several Florida Sheriffs as they auction surplus items for the Sheriff's Office. This year, Indian River County Sheriff Roy Raymond invited the Florida Sheriffs Youth Ranches to put a few donated vehicles up for sale at the auction hosted by Karlin Daniel and Associates.

The auction was a huge success and the vehicles generated more money than expected. On top of the direct proceeds, Karlin Daniel and Associates generously agreed to donate the 10% fee they typically collect from the buyer to the Florida Sheriffs Youth Ranches. Our kids appreciate the tremendous support they have received from Karlin Daniel and Associates.

Joe and Eric, two of the boys from the Ranch, helped load the items purchased at the Customer Appreciation Day.

Those who give \$2,500 or more in cash, or \$5,000 or more in non-cash gifts, receive Lifetime Honorary Membership in the Florida Sheriffs Association. A large wall plaque is awarded to each Lifetime Honorary Member, and gold stars are added when that person's total gifts reach \$5,000 (one star); \$10,000 (two stars); \$15,000 (three stars); \$20,000 (four stars); and \$25,000 (five stars). For gifts of \$50,000 or more, there is the Golden Star Award. Donors of \$100,000 or more receive the Grand Star Award. We want our donors to know we have never permitted other organizations to use our lists of supporters, and we will continue to do everything possible to preserve their privacy.**

## A Labor of Love

Aaron is an insightful and curious young man. He has a strong desire to succeed and takes a great interest in various projects around the Ranch. Aaron spied the hanging swing project in the Heye Arts and Crafts Center and convinced Boys Ranch Carpenter J. D. Sanchez that he was the man to finish the job. Mr. Sanchez carefully instructed Aaron about the best way to apply the stain and then let the boy try his hand at the work. Aaron took the assignment seriously and did an excellent job on the swing. After the staining was complete, Aaron volunteered to help Mr. Sanchez hang the swing on the porch of the Bastien Ranch House. Of course, once it was complete, he was also the first one to try it out! Great Job Aaron!

## Alumni Activity Day at the Ranch

Each year the Florida Sheriffs Boys Ranch Alumni Association hosts an activity day for the boys at the Ranch. The day starts early with fun games that help build sportsmanship and teamwork skills. The Alumni help plan the events and serve as team captains. They encourage the boys to excel in the competition but always inject humor and laughter so the games never get too serious. The interaction between our current Ranchers and the Alumni is always a blessing because of the strong tie that binds them together. Common ground and stories of "the way things use to be" at the Ranch are often heard throughout the day. The fellowship and camaraderie is so genuine and helps everyone feel a part of the Boys Ranch family.

Tug of War is a classic game that involves strategy, skill and might. Each boy was able to participate on a team that had the chance to claim the championship bragging rights for the rest of the year. Using their energy to tug and pull their way to victory, the boys learned how successful a "team effort" can be!

## Unit Director for a Day!

At the Boys Ranch, we try to teach responsible behavior and provide an interactive learning experience. One of the many opportunities a growing boy can attempt is to be the Unit Director for a day. Keith has earned the privilege of accepting this responsibility by his good behavior. He will dress professionally, carry the radio and shadow the Unit Director around the campus. Keith did an excellent job, but also learned the job is tougher than he thought.

Camp Counselor Tiffany Adderholt and this young camper share a confident smile after a good conversation about the "four R's" of good behavior. (see page 6-7 for more about "Harmony In the Streets".)

# HAPPINESS IS... HARMONY IN THE STREETS

Sharing a smile and lending an ear, Camp Counselors and Deputy Sheriffs take the time to build positive relationships with the children in local communities. "Harmony In the Streets" is a very popular summer day camp program that blends fun and exciting camp activities with valuable lessons for today's kids. Building on the camp theme that "Law Enforcement Officers Are Your Friends," this program encourages youngsters to develop powerful, healthy friendships with these positive adult role models.

Marion County Deputy Sheriffs care about the kids in their community. (L-R) Deputy Allan Brooks, Lt. Bruce McCormick, Robert, Victoria, Megan, Deputy Tom Terrell and Jason are ready for an exciting day of "Harmony In the Streets".
