President's Perspective

Roger O. Bouchard, Jr.
President, Florida Sheriffs
Youth Ranches, Inc.

As we move into the Fall season, we are thankful for so much. Since I wrote the last perspective for The Rancher, we have seen many of our youth graduate high school and go on to further their education. With their departure, we have also seen new boys and girls take their places in our programs. In my 22 years with the Youth Ranches I have seen hundreds of young people come and go. I cannot tell you how proud I am of their resiliency in facing major life problems, setting goals for themselves and then achieving those goals.

In June, Live Oak was deluged with 20 inches of rain in a two day period by Tropical Storm Debby. Although we sustained no major damage at the Boys Ranch, our Thrift Store in Live Oak was flooded with eight inches of water throughout the whole building. We lost most of our furniture along with some appliances, clothing and other items on the sales floor. We have had to tear down walls and begin restoration in the worst hit areas of the store. Our thrift stores are an important part of our revenue stream and we appreciate those who helped us with repairs as well as restocking the sales floor with good donated items.

On a happier note, our Summer Camps were a great success. Hundreds of underprivileged boys and girls spent a week at the Youth Camp in Barberville and Caruth Camp in Inglis. Thousands more attended week long mobile day camps in their home communities. As our staff worked side by side with Sheriffs' Deputies, these young people experienced our theme that "Law Officers Are Your Friends." Through a week of fun activities and educational experiences, they learned some important life lessons about respecting themselves and others.

As a donor and supporter of the Youth Ranches, you are a big part of all we do to help Florida's children live healthier and more productive lives. The investments made in these young lives will continue to pay dividends for many years to come.

Sincerely,

Roger Bouchard, President

Quotes and Notes

“You guys are doing a great job at these ranches. I am a retired teacher of 41 years from Vermont. We are now Florida residents and would love to visit a ranch some time. Education is so important in a young person’s life. Keep up the good work.”

~ J & C Magwire, Donors

“Enclosed is a check from the Women’s Fellowship of The Community Church of Vero Beach. We are pleased to support the outstanding work you are doing in our community.”

~ N. Laird, Treasurer

“I was a resident there from 88-92. I lived in Merrill, Jellison and finally Blackburn cottages. I never realized how great it all was until I was gone...Great cottage parents named Mom and Pop Garrison for one. I live in Virginia now, married with two kids. I would love to know how to contact some of the people I knew when I was there.”

~ James T.
Boys Ranch Alumnus

“I lived at the ranch in the early 80’s. I’m proud to say that I am doing well. Thank you for your help. I have grown up to realize that the ranch helped me become a better person. I would like to thank my house parents. I miss them and think of them every day. Thank you Sheriffs Youth Ranch for helping an abused little girl become a good person.”

“My gratitude abounds to past and present Florida Sheriffs and Deputies who give so much time with the children, raising money to help them live, have goals and grow to adulthood. May you be rewarded beyond expectations! I hope I can ‘pedal faster’ and catch up with all you have done by accomplishing more contributions, as the Florida Sheriffs and the many other selfless donors have already done.”

~ P. Moore, Donor

Editor’s Note: These are just a few of the notes we receive in the mail, Facebook or from our website — www.youthranches.org. Minor adjustments may be made for clarity within the content, but the context remains the same.

“Many Hands Make Light Work!”

Imagine what it takes to feed hundreds of kids, counselors and cops each and every week of Summer Camp! Fueling children of all sizes each day for swimming, hiking, sports, crafts, canoeing, games, singing and all the other high energy summer camp activities is an amazing feat. Cases of meat, vegetables, eggs, milk, bread, and so much more stream through our kitchens as we prepare well balanced, filling meals for all to enjoy.

And while many of our faithful donors across the state provide the financial support to help with these expenses, the kids have to do their fair share to make each meal successful. Every day, two youngsters from each campsite are designated as “table setters.” They arrive 15 minutes before mealtime and proceed to set the table for their group. While this may seem like a simple task, many of our kids have never set a table before. We have a handy model attached to the wall so the campers can learn where each utensil should be placed.

Christopher is one of two table setters for his campsite. He has all the supplies he needs to set the table for lunch.

Michael is quite satisfied after a dinner of baked chicken, beans and mashed potatoes! Chocolate Pie for dessert made everything perfect!

Tayleigh proudly shows off the wall display to help each camper learn how to properly set a table.

After dinner, each "table setter" helps clear the dishes and clean the tables so they are ready for the next great meal at summer camp!

We eat "family style" at camp so once grace is said and everyone is seated, the "table setters" bring the serving dishes full of food from the kitchen to the table. You can always tell a camper's best buddy as the favor-

Joshua is excited to help carry the lettuce to the salad bar for all to enjoy.

ite dish of the meal will be placed in front of that camper so he or she can go first.

After dinner, the dishes are cleared, the table is cleaned and camp songs begin! With motions, movement and music, mealtime often brings out the biggest smiles of the day. As everyone exits the chuckwagon, they must stack their chairs away from the table and one campsite per day stays behind to sweep up and mop as necessary.

Chores like this teach our children basic manners and values. We learn to care for and respect each other as we share food and fellowship.

We express thanks for what we are given and pitch in to make everyone feel welcome and comfortable.

Kudos to the cooks at Camp who take such good care of our kids and hooray for our donor family who make sure our boys and girls have three square meals and snacks every day. Finally, we offer a very special thanks to one amazing donor, Ms. Antoinette "Toni" Stabile, who provided a HUGE, generous gift to renovate the entire commercial kitchen at the Youth Camp in Barberville this spring. We are so grateful!

Staying Sharp, Staying Smart!

Over the summer, we like to keep our kids in shape academically so they do not struggle when they step back into the school year. One of our Cottage Parents decided to exercise the kids' vocabulary skills and gave each a list of words for the week. The youth is expected to write an essay on any appropriate topic using those words.

Jessica, along with her younger four siblings, has lived with us since January. She took the opportunity to express herself in the following way. The words on her list are underlined.

*Great Job
Jessica!*

This place is called the Florida Sheriffs Youth Ranch, and it's for kids who need a home. The Youth Ranch is a fantastic place to live. You will meet the most amazing people there. I was so fortunate to meet all the staff here. I love it! They have the most incredible ideas planned for you to have fun.

The Florida Sheriffs Youth Ranch is like the biggest flower in the world. It blooms out and lends a helping hand when needed. If you ever need someone to talk to when you are feeling alone or upset, our therapist is the most fabulous person to talk to. My favorite thing about the Ranch is how I get to stay up a little bit later than the other kids, but it's only because I am older and it is summer time.

The Ranch is like a second family to me, but being in foster care is not fun at all. Also on Thanksgiving and holidays you can find us having the biggest feast of all times. That is my story about the Florida Sheriffs Youth Ranch.

~Jessica

Ranchers at the Races

Daytona International Speedway President Joie Chitwood III generously provided over 70 tickets for our children and staff to attend the 2012 Coke Zero 400 NASCAR race.

Volusia County Sheriff's Office Lt. Charlie Brown and his wife, Maryanne, met our group of Ranchers in Daytona and provided them with a hearty meal before heading over to the race. Our boys and girls were excited and totally impressed with the speed of the shiny NASCAR race cars. It was a memorable day and we are so grateful for the generosity of President Chitwood, Sheriff Ben Johnson and the Volusia County Sheriffs Office.

fair share of pain. "I have only seen my mom twice in my whole life," he said wistfully. "Once when I was two months old and once when I was seven. I am really not sure where she is now but she doesn't really want me."

"My older brother has been in some trouble and he used to take his anger out on me. I tried to fight back but it was tough. My dad needed help, too. It was better for me to come here. When I get older and bigger, I want to get

back together with my family," Keegan added. "Even if they tried to hurt me, I still love them."

For the past six months, Keegan has lived in Saunders Cottage with nine older brothers and two loving Cottage Parents. "It's pretty good so far," he said confidently. "I feel safe!" He added, "Mom is a great cook, too!" When asked about his favorite dish, he replied, "Well, I can't tell you because I haven't tried all of them yet!"

At 11 years old, Keegan likes Legos, bike riding and playing basketball with the older Ranchers. "The big boys let me play point guard because I am so fast," he claims with a mischievous grin!

Things in his world are remarkably good, but Keegan is still working on a few issues as he adjusts to life on the Ranch. "Controlling my temper is getting better, but I still need to be more truthful," he stated matter-of-factly. "There is still work to be done."

Keegan also understands that the Boys Ranch is supported by our donor family.

He said, "It's pretty cool that people give money and other stuff for us. They are so nice. I can't believe they are thinking about helping a kid like me. Sometimes I write a note just to say 'thanks'. I hope they get it because I really mean it."

Recently, the boys found this abandoned fawn who was alone and very hungry. Keegan and the other boys helped restore Bambi's strength before the little fawn was taken to a regional wild animal care facility.

Keegan may be one of our younger boys, but he is beginning to understand what it means to be safe and loved. He is able to enjoy just being a boy growing up on a Ranch with brothers, and bikes and basketball.

Thank you for sharing and caring about kids like Keegan!

Building a Strong Work Ethic!

Many teenagers today are lazy and carry a sense of entitlement that they "deserve" things that are not earned. At the Florida Sheriffs Boys Ranch, we try to raise our teens with a different perspective in life. One of the attributes we instill daily in our Ranchers is a strong work ethic. We want them to learn the value of a day's wage for a day's work and experience

the personal satisfaction of a job well done.

There are many jobs available on the Ranch so every teenager has a chance to earn some money and explore vocational interests. Work sites at the Boys Ranch include the farm, gym, office, school, chapel, maintenance or mechanics shop. Each teen must complete an application, go for a job

interview and then perform at a satisfactory level before they can be considered for a promotion. Additional training and guidance is given along the way so the youth can grow in knowledge, skills and abilities.

If a young man applies for a job in grounds maintenance, he will first shadow a staff member performing the duty. Next, he will be given a

task and timeframe such as operating a push mower on a specific part of the property. As the young man excels in his assignments, he will be given more responsibility such as operating a riding mower or weed eater. He must demonstrate he can handle this step up and complete the job on time and to his supervisor's satisfaction.

Progressing forward, work sites like the farm offer higher paying jobs but also require additional education and experience. For instance, all youth who work with the tractors, must be 15 years of age or older, pass a written test, a driving test and walk through the explanation of the equipment. He must demonstrate an understanding of the inherent dangers of using the equipment and attend monthly general safety meetings. When we see

Austin completed his tractor and driving tests and is given the responsibility to mow the ball field.

a young man driving a tractor, we know he is a reliable, responsible young man with a strong work ethic.

Some Ranchers also seek to enhance their work experience by becoming a Crew Chief. These boys have proven their work abilities and now have a Rancher or two working with them on certain projects. The Crew Chief takes a lead role and helps the other boys stay on task. Some of the jobs completed by work crews include repairing fence lines, loading hay bales, and picking up limbs and branches around the campus. While staff are nearby, a sense of independence, autonomy and confidence grows as these young

men begin to learn how to work as a team and complete a job successfully.

Each step in our vocational development program teaches our teens the importance of arriving on time, being respectful, accepting feedback, and completing assignments with quality and pride. Furthermore, as they earn a paycheck, they are learning about money management and building self-esteem and self-sufficiency. We want them to leave us with a strong work ethic and the confidence and basic abilities to obtain and retain a job. We proudly watch them succeed year after year as they enter the work force and earn their way to a brighter future.

ACHIEVING EXCELLENCE!

Imagine, if you can, the paths these kids have taken. From some of the toughest and trying times, their journey led them through the gates of the Florida Sheriffs Youth Ranches...and their future has changed forever!

Each spring, we end the school year with a joyful awards dinner filled with praise, plaques and honors for our children. We highlight academic achievements, athletics, work ethic, and many other areas of personal growth. Each young person beams

with pride as they step up to be recognized. It is a moment of personal triumph and satisfaction which fills our hearts with joy.

Fishing with the Best of the Best!

Under the leadership of Sarasota County Sheriff Tom Knight, the Sarasota County Sheriff's Office and many generous friends host an annual fishing tournament for our kids. The boys are paired up with boat captains early in the morning and always enjoy a beautiful day out on the water.

Upon returning to shore, they share a fabulous lunch together where the stories of "what got away" are incredible! Sheriff Knight's team provided everything for the boys, including tackle, shirts and awards for the kids.

Many of our youngsters have never experienced a day on the water like this fishing trip. They truly enjoyed the experience complete with great role models and new adventures. Thanks to those individuals who stepped up to help our boys in this special way.

The community of Live Oak was hit hard by the massive, unexpected flooding of Tropical Storm Debby. As the rain subsided, the Boys Ranch was fine, but our thrift store near downtown was under eight inches of water. The entire floor of the store and

warehouse was damaged by the flood water.

Immediately, folks pitched in to help salvage what we could and protect what had not been affected. The water in the parking lot stayed for days and the store remained closed until we could repair the immediate damage.

All the proceeds from the store benefit our boys and girls. Days without sales, along with repair bills, certainly hurt the bottom line.

Thankfully, many of you responded and sent in a cash contribution to help cover our lost sales or made a donation of items so we could re-stock the store. We want to express our gratitude to neighbors and friends from across the state made an extra contribution to help us through this crisis. Thanks to you the store is up and running and we are regaining momentum we need to help the kids we serve!

Kentucky Derby Social was a Smashing Success!

Mr. and Mrs. Steve Berman of Ponte Vedra Beach have been significant supporters of law enforcement and the Florida Sheriffs Youth Ranches for many years. Last summer, Mrs. Jennifer Berman heard a Rancher speak at the Florida Sheriffs Association Conference and leaned over to her husband saying, "We absolutely have to do something to help these children!"

Soon thereafter, she suggested the idea of hosting a Kentucky Derby Social as a benefit for the Florida Sheriffs Youth Ranches. Intricately involved in the planning, Mrs. Berman enlisted the help of her Girl Scout troop #142, of the Gateway

Council. The boys at the ranch built a huge horseshoe of good luck and the Girl Scouts earned a community service badge by decorating it perfectly for the event.

St. Johns County Sheriff David Shoar, Duval County Sheriff John Rutherford and Polk County Sheriff Grady Judd joined us for the fastest two minutes in sports as we all cheered "I'll Have Another" on to victory. Ranchers were on hand to speak to the guests about life at the Youth Ranches

and encourage folks to bid on many delightful items at the silent auction. By the end of the evening over \$25,000 was raised for the benefit of the boys and girls we serve.

The Florida Sheriffs Youth Ranches education programs produce results!

67% of the students at the Cooke School increased their grade point average in the fourth quarter of this past school year. New students to the Cooke School in the 2011-2012 school year increased their GPA by 1.8 points!

As you can imagine, these kinds of results do not come cheap. Your “back to school” investment will provide:

- Advanced educational software such as Read 180, Accelerated Math and EdOptions to help our kids overcome learning deficiencies
- Small classes allowing a high degree of individualized attention
- Two-to-one computer to student ratio insuring computer literacy

Bo with his books at the Boys Ranch Cooke School

- Summer school programs to help kids advance grade levels
- Tutors for students at school and after school

We are committed to providing our boys and girls with every opportunity to succeed! We need your financial support as we continue to offer a quality education and safe living environment for the youngsters we serve!

The Pratts also took notice of Debbie Crowder's dedication, determination, commitment and endurance as she hiked Appalachian Trail to raise money and awareness for the children of the Florida Sheriffs Youth Ranches.

Make a Great Charitable Gift!

Would you consider making a gift to the Florida Sheriffs Youth Ranches through your will, trust or possibly list us as a beneficiary of a life insurance policy?

Your gift, small or large, will help us prevent juvenile delinquency and develop lawful, productive members of our communities.

Many people believe in our children and want to help, but they need to preserve the money they have right now to cover the rising cost of medical care and other living expenses. We understand this dilemma and know you should first care for yourself and your loved ones. However, one way you can fulfill your intent to support our boys and girls is by including the Florida Sheriffs Youth Ranches in your will or other estate plans.

As you think about your plans, a simple way to make a commitment

of this type would be to change the beneficiary of a life insurance policy or add the Florida Sheriffs Youth Ranches, PO Box 2000, Boys Ranch, FL 32064

as a beneficiary to your investment or retirement account.

This will ensure the remaining funds will be used to help serve the children in our care. If you have any questions or would like to learn more about these gifting options, please contact President Roger Bouchard at (800) 765-3797.

Please Donate Your Vehicle to the Sheriffs Ranches Enterprises

The Sheriffs Ranches Enterprises accepts vehicles in fair to great condition. If your vehicle has proper emission controls, fair tires, no major body or rust damage, and the engine/transmission are in good working order, please consider sharing this resource with our charity.

Your donation will be used to benefit the boys and girls of the Florida

Sheriffs Youth Ranches. For more information or to set up an appointment for a Sheriffs Ranches Enterprises representative to pick up your vehicle, call us today at 800-765-3797.

Please Note: The American Jobs Creation Act of 2004 contains new rules pertaining to the charitable deduction allowed for vehicles donated to a qualified charity after December 31, 2004. Basically, this law limits the donor's tax deduction to \$500, or the gross proceeds from the sale of the vehicle, if over \$500. We recognize that each individual's tax situation is different and the impact of any charitable deduction is based on a variety of circumstances. You are strongly encouraged to consult with your independent tax advisor.
