# Kids & Cows

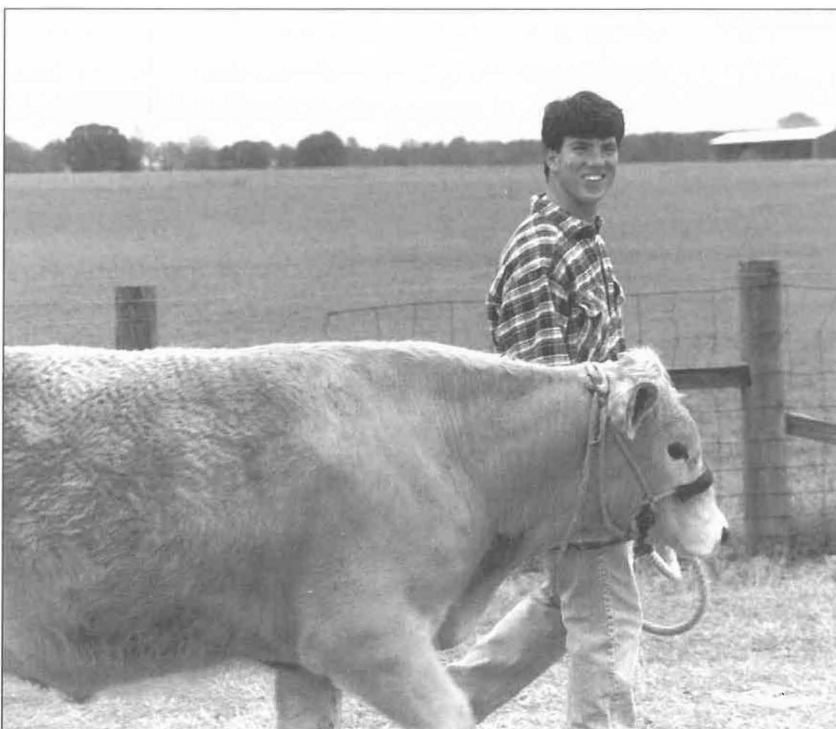

Jaime looks forward to working with his heifer, "Baby." After daily work on the farm is done, Jaime spends each day preparing his heifers for the fair.

**Y**oung boys from around the state live at the Florida Sheriffs Boys Ranch near Live Oak. Many come from large, crowded cities and have never had the opportunity to see a "real" working farm. Arthur and Jaime are two such boys who work on the farm at the Boys Ranch. Under the careful and experienced guidance of the Farm Manager, the pair has learned that hard work and dedication are required to be a part of the Boys Ranch farm.

Diligently helping to care for horses, goats, chickens, and cattle, the boys can earn the privilege of raising a steer or heifer to exhibit as part of the 4-H Spring Livestock Show at the Suwannee County Fair. This is no easy undertaking as the animal is not tame when this process starts. The boys must continue their jobs on the farm in addition to caring for their animals. The experience begins in October, and ends at the livestock judging in March. The boys learn they must make a commitment, set a goal, and work hard to follow the project through to the end. Arthur and Jaime will have spent many hours of their free time working with their steer or heifer. The boys train the animal to wear a halter, walk on a lead line, and stand for inspection and judging during the livestock show.

Arthur spends time each day teaching his steer to walk on a lead line.

Jaime carefully adjusts the halter on "Snow White," his Charolais heifer.

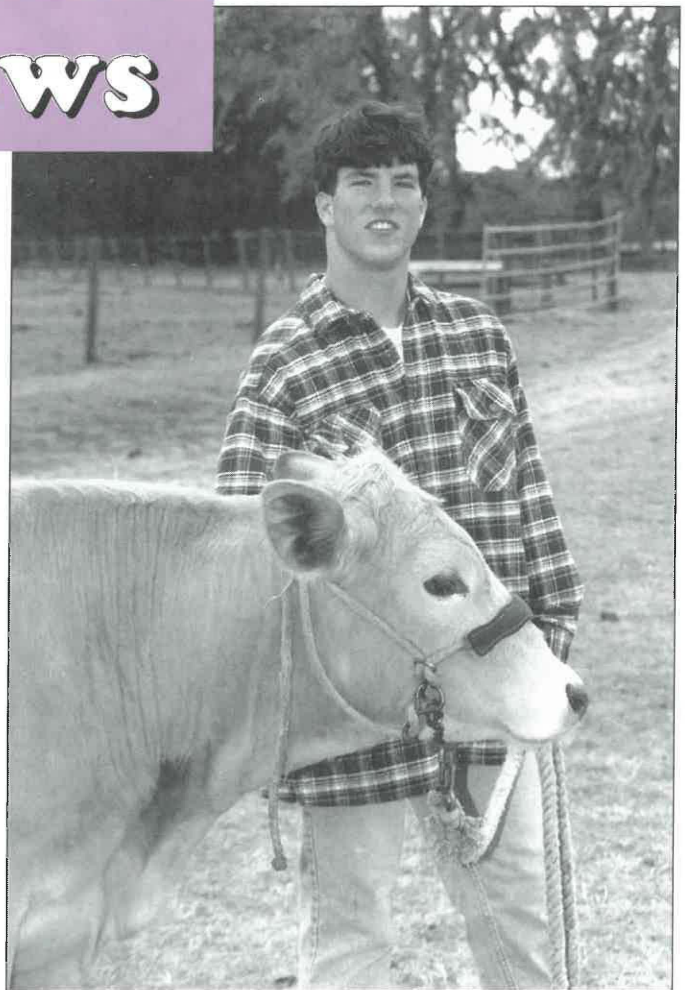

After many hours of training "Snow," Jaime is now able to hand feed the heifer.

Continued from page 3

Raising a steer or heifer teaches the boys self-sacrifice. Instead of a warm, quiet indoor activity, the boys spend much of their free time in the damp cold of a gray winters day teaching the cow how to walk and stand for judging. But, by the time the boys load their animal onto the trailer bound for the fairgrounds this spring, the cows will be as tame as a pet! This is a time when the boys are especially proud. They can see the result of their hard work and diligent efforts.

Jaime was very eager to show off the progress he has made with his two heifers. One is a Charolais named "Snow White", the other is a Simbrah-Braford cross named "Baby." Jaime is grateful for the opportunities he has had at the Boys Ranch, "I really

like being here. It has taught me responsibility and helped me like school. Before, I didn't care about school at all, I hardly ever went." Jaime looks forward to spending time with his heifers, he has done a great job of taming them and teaching them to walk and obey his commands.

Arthur has also been quite successful with his work at the farm. He is the 1996 winner of the Carleton F. Tweed Memorial Award for outstanding horsemanship. Arthur hopes to be as successful with his steer as he has been with his horse.

Of course, not every steer or heifer will win at the show, but Arthur and Jaime have committed themselves to this project and are putting forth their best effort. With much encouragement and support, the boys know they have succeeded because they did their best to meet their goal. Completing the task and appearing at the Steer and Heifer Show will be a tremendous reward. Winning at the Fair would be the icing on the cake!

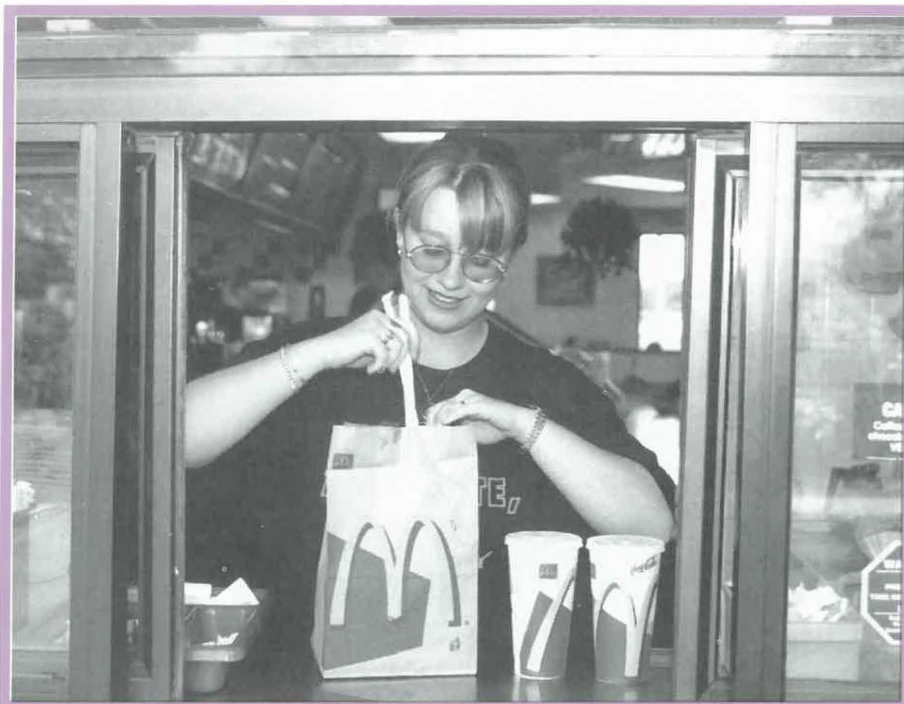

One of the traditions emphasized at the Youth Ranches is a strong work ethic. All of the boys and girls in residential care are assigned daily chores. After their schoolwork is finished the youth are responsible for doing their laundry, keeping their room clean, emptying trash, washing dishes, and other general household duties.

Additionally, all youth in residential care have an on-campus job for which they earn a wage. The boys and girls may work in an office performing custodial duties such as emptying trash and cleaning. Some may work in the cafeteria helping out after lunch to clean-up tables, wash dishes, and mop the floors. At the Boys Ranch, youth also have the option to help on a real working farm. This is especially appealing to those boys who are fond of animals and enjoy the outdoors.

Occasionally, we have youngsters who go above and beyond what is expected or required of them. Two of these exceptional ranchers are Dawn and Roy. In addition to school, their on-campus jobs, and cottage duties, both Dawn and Roy manage to include jobs at local restaurants in their busy schedules.

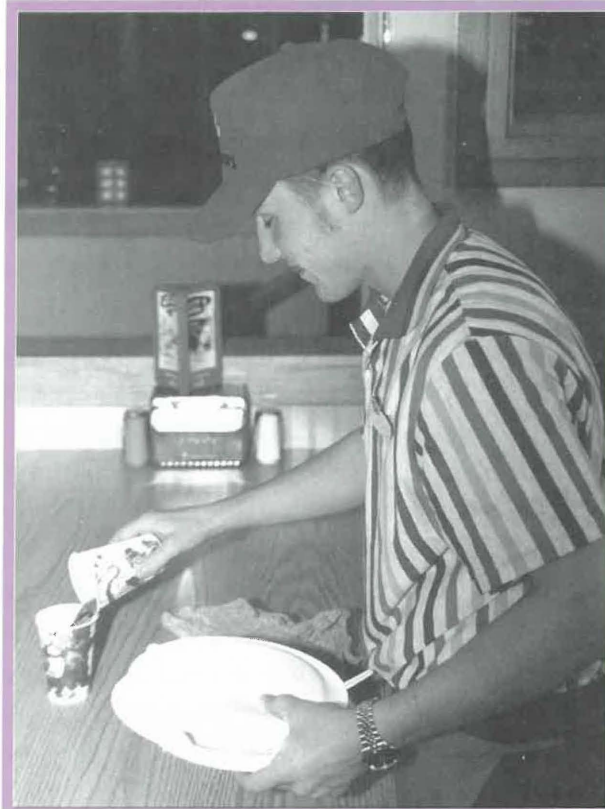

Dawn is a bright girl with a quick smile and contagious laugh. Her blue eyes sparkle with life. She lives at the Youth Ranch in Safety Harbor. Dawn, a senior in high school, has learned the importance of a strong work ethic and setting goals for herself. She plans to go into the Army National Guard after she graduates from high school. Until then, she is diligently working at McDonalds and carefully saving money. Dawn hopes to purchase her first car with her savings and is within \$120 of reaching her goal.

Dawn's supervisor commented that she is a good employee who always does her best. Her friendly attitude and warm smile are appreciated by the customers who stop at the drive-through. Dawn even earned a "special" shirt to wear at work by being "Fast, Accurate, &

Roy also lives at the Youth Ranch in Safety Harbor. Like Dawn, he works in the community in addition to school and his responsibilities at the Ranch. Roy is a quiet young man with exceptional manners. He is very polite and enjoys the opportunity to work and save for his future. Roy is a junior in high school and plans to attend college after he graduates in 1998. He likes his job at Chuck E. Cheese's and has a winning way with the children who frequent the restaurant. Roy will even dress up as Chuck E. Cheese and put on a show for the kids! Larry Kunkel, General Manager said, "I can always count

on Roy. He is willing to do anything asked of him and I know it will be done right the first time."

Roy helps one of the younger customers retrieve her tickets from a game.

## A Message from Youth Ranches Vice President Financial Development

*William W. Yarick*

How many times have you read or heard about the influence of one single individual? This issue contains such a story, please see page 8. Richard Thornton's enthusiasm for the work of the Florida Sheriffs Youth Ranches greatly influenced Cora Seifert and their lives will no doubt influence many youngsters in need.

The collective good of so many individuals, like Richard and Cora, is demonstrated daily at the Youth Ranches. For 40 years, caring people have joined hearts and hands to carry out the mission of this great work. Many youngsters now lead productive, law abiding lives and make meaningful contributions to society because of proper guidance and a "helping hand."

Opportunities still abound as we change and grow to meet the tremendous needs of boys and girls we serve. The Florida Sheriffs Youth Ranches is hard at work providing quality child care and family services throughout the state. We are counting on people like you to help us save these children and prevent juvenile delinquency.

Many individual ways to help are available

to our friends and donors, including a gift annuity. Like Richard and Cora, you can support the boys and girls and receive reliable income. Effective March 1, new favorable rates will be in effect, thereby increasing the value of this arrangement. Please see page 14 for more details about gift annuities.

As always, I am available to provide assistance and additional information upon request at no obligation or cost. Please contact me at (904) 842-5501 or complete the coupon below.

Thank you for caring about our boys and girls!

# A Photo ID... it's the Sheriff and Me!

For many years, Cora Seifert had heard her neighbor Richard Thornton speak about the Florida Sheriffs Youth Ranches. He told her about the great work being done to prevent juvenile delinquency and showed her a copy of THE RANCHER magazine. He even told her about the income he received through the Youth Ranches Gift Annuity program. Mr. Thornton was so interested in helping children, he quietly told Cora he made plans for one final gift to the boys and girls through his estate planning.

Cora trusted Richard and knew he gave good advice. So in 1991, she celebrated her 85th birthday by purchasing her own Gift Annuity. This not only provides her with a steady stream of income and a tax deduction, it also helped deserving youngsters have a new start in life.

After his death in 1994, Cora learned Richard had been true to his word. Mr. Thornton had been very generous and left a substantial gift to continue saving young lives. After careful thought, Cora decided to follow in Richard's footsteps. She called an attorney and arranged to include the Florida Sheriffs Youth Ranches in her will.

Not knowing Ms. Seifert personally, the attorney requested she bring along a photo ID. You can imagine his surprise when she arrived with an 8 x 10 photograph of herself with Lee County Sheriff John McDougall. The photo was taken when he presented her with a plaque representing Lifetime Honorary Membership in the Florida Sheriffs Association. If the attorney didn't believe her, he could just call Sheriff McDougall. Needless to say her identification was complete and her will finalized right way!

In 1996, Cora asked if the Youth Ranches could do something special to remember Richard. She thought it would be nice if a tree could be planted in his memory at the Youth Ranch-Bradenton/Sarasota. As plans for this tribute were made, it seemed fitting to plant two neighboring trees, side by side; one in memory of Richard Thornton, and the other in honor of Cora Wakeman Seifert's 90th birthday.

# SUMMER CAMP 1997

Summer is right around the corner. Preparations are already being made at the Youth Camp in Barberville for the first summer campers of 1997. Hurting boys & girls will enjoy many activities designed especially for

the healing of wounds from abuse and neglect. Many of the youth who attend camp carry scars from broken homes, and broken dreams. These youngsters have little hope in life, and need a guiding hand and loving support.

There is a "Challenge Course" designed to teach youth teamwork and encourage imaginations to solve various problems facing the group. The youth will also practice teamwork paddling a canoe across the still waters of the lake. Some youngsters will experience the thrill of riding a horse for the first time. Others will enjoy the cool waters of the swimming pool on a hot summer afternoon.

Since 1981, our generous donor family has made it possible for over 5,500 hurting and troubled youngsters to attend camp. Summer camp allows young boys and girls to spend 5 days with caring counselors and dedicated Deputy Sheriffs, who help them begin

Summer camp is designed to enhance self-esteem, strengthen peer relationships, and build self-confidence. It also gives these unfortunate boys and girls a chance in which to be carefree, enjoy life and learn there is hope; they can follow a path to a better and brighter future.

Please help the hurting, troubled and neglected children around the state have the opportunity to attend the Youth Ranches summer camping program. With your generosity, deserving children can stop hurting and start healing. Please remember our boys and girls and sponsor a child at summer camp. Thank you for your love, compassion and continued generosity.

# *First Impressions, Lasting Impressions*

Walking tours provided quality time for the boys and the Sheriffs-Elect. Suwannee County Sheriff-Elect Al Williams (left) and Citrus County Sheriff-Elect Jeff Dawsy enjoyed Curtis' sense of humor and imagination.

**F**irst impressions last a long time. Young Ranchers learned the value of this lesson recently when the newly elected Sheriffs visited the Florida Sheriffs Boys Ranch. As a part of their training and orientation, the Sheriffs-Elect witnessed some of the long-standing history and traditions of "Florida's Charity for Florida's Children."

By discovering and understanding the strong connection between this delinquency prevention child care program, Florida's 67 Sheriffs, and the Florida Sheriffs Association, the Sheriffs-Elect had the opportunity to get directly involved with the boys and girls at the Florida Sheriffs Youth Ranches.

Led by over 8 veteran Sheriffs including the President of the Florida Sheriffs Association Sarasota County Sheriff Geoffrey Monge and the Chairman of

the Florida Sheriffs Youth Ranches Board of Directors Polk County Sheriff Lawrence W. Crow, Jr., the newly elected Sheriffs could see the commitment and responsibility of Florida's Sheriffs to help these deserving youngsters.

When the formal training was complete, Sheriffs-Elect were given a grand tour of the Boys Ranch. Each group was led by a young Rancher who had earned the privilege of escorting the special guests on campus.

They visited the Elvis Presley House, which is the current headquarters for the Boys Ranch Alumni Association, and met Alumni Association President Bill Riggins. Each group stopped in Saunders Cottage to see firsthand where the boys eat, sleep, and live. Saunders Cottage was the first cottage built on the Boys Ranch in 1958 and was named in memory of former Pinellas County Sheriff Sid M. Saunders.

The next stop was the Beck Memorial Learning Center. Over half of the boys in residence attend this

Sheriffs-Elect, current Sheriffs, and key members of several Sheriffs Offices gathered for a warm welcome to the Florida Sheriffs Boys Ranch.

Ranchers and Sheriffs alike enjoyed a hearty meal and fine entertainment at the Boys Ranch Sheriff-Elect Day. Leon County Sheriff-Elect Larry Campbell received his Honorary Rancher certificate from Boys Ranch Alumni Association President Bill Riggins.

on campus school, where learning can be focused and specifically geared to meet the youngster's individual needs. Next, a brief stop at the Heye Memorial Arts and Crafts Center, where the boys could show the Sheriffs-Elect their bicycle repair shop.

Traveling past the Carleton F. and Suzanna Tweed Gymnasium and several other cottages at the Boys Ranch, the tour groups gathered together and met all the youngsters currently in care. After enjoying a delicious dinner, the boys, and their special guests heard a moving speech from former Rancher Thaddeus Bullard, inspirational music from some of the boys and a call to action from Polk County Sheriff Lawrence W. Crow, Jr.

As the day drew to a close, many Ranchers understood a good first impression can help you establish a positive relationship and perhaps, a new friend. Equally important, the Sheriffs-Elect under-

stood in their heart how vital their job will really be ...especially for these youngsters who are counting on them to lend a helping hand.

Gilchrist County Sheriff-Elect David Turner walks with Rocky during the tour. This in depth conversation gave the new Sheriff a better understanding of the youngsters served by the Florida Sheriffs Youth Ranches.

# Santa Wore Green This Year !

**B**elieving all children deserve the joy and excitement of the holiday season, Alachua County Deputy Sheriff Ashley Edwardson placed a call to the Florida Sheriffs Boys Ranch. Soon after, she learned several boys had no place to go for the holidays.

Troubled by this thought, she set out to make their Christmas one to remember. With the support

of Sheriff Steve Oelrich, Deputy Edwardson began an off-duty crusade, seeking donations from area merchants and personal friends. She was determined to provide the boys with gifts and a special deep sea fishing trip.

Many good-hearted people gave abundantly; the generous response was tremendous!

Inviting Sheriff

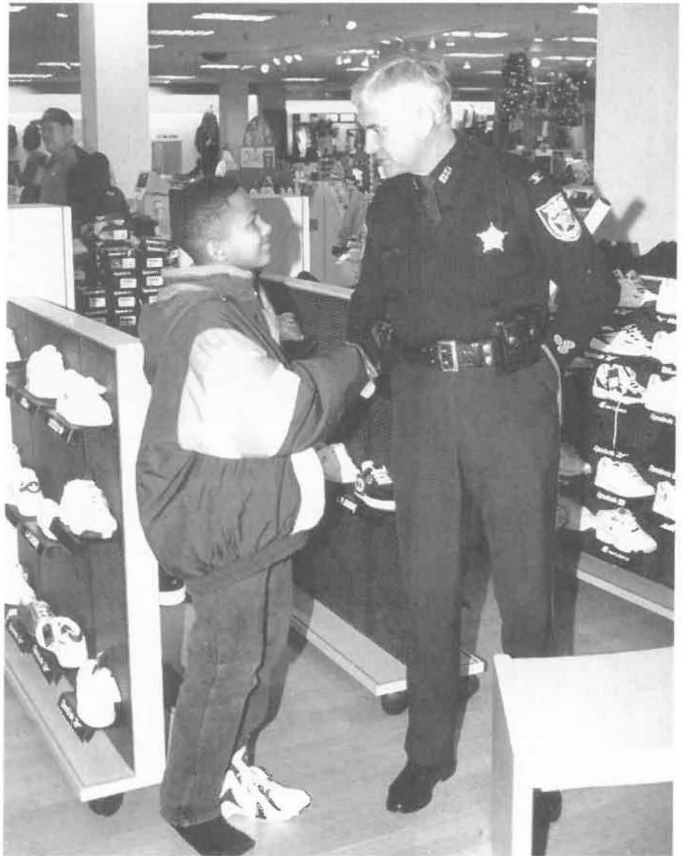

Oelrich along, a special shopping trip was planned at the Oaks Mall in Gainesville. Beginning at Sears, new shoes were the first order of the day. "These are the shoes of life," exclaimed Adam. "I've never had name-brand, new shoes like this before."

A bit more reserved, Troy stood to thank the Sheriff before he put his second shoe on the other foot. "This is very kind of you," he said quietly.

Shoes led to socks, then jackets and jeans, belts and watches, all things the boys needed...all things for which they were very grateful. For them, this year, Santa definitely wore the deep green of the Alachua County Sheriffs Office.

Receiving a warm embrace from Aimee, Administrative Assistant to the Sheriff, Adam shows his excitement. Not only did he get new shoes, Sears donated a protective spray to help them look new for months to come.

Even before putting on the other new shoe, Troy says "Thank you" to Sheriff Oelrich. Needless to say, Troy wore his new shoes right away.

An eager group gathered to begin a whirlwind shopping trip courtesy of many generous merchants in the Oaks Mall and other contributors throughout the Alachua County area. Ranchers Quason, Troy, and Adam beamed with excitement when they met Deputy Ashley Edwardson, Sheriff Steven Oelrich, and Sarah Graham from Sears Department Store.

# THE ROAD AHEAD

Putting THE ROAD AHEAD to a brighter future for deserving youngsters through your gifts and their hard work describes a new initiative at the Youth Ranch-Bradenton/Sarasota. This unique giving opportunity focuses on receiving tax deductible donations of cars, boats, RV's, and other vehicles from caring donors and teaching young men productive work skills.

The donated vehicles are cleaned and detailed by the boys and then sold at the Adesa car auction. All proceeds generated benefit the Florida Sheriffs Youth Ranches, Inc. In the first two auctions, over \$8,500 was raised. Currently the boys have 4 cars lined up for the next auction. If you are in the Bradenton/Sarasota area, please call

1-800-622-6282 for more information on THE ROAD AHEAD program.

If you live outside the Bradenton/Sarasota area and would like to donate a vehicle to the Youth Ranches, please call Beulah at 1-800-765-3797.

## Don't Quit

When things go wrong, as they sometimes will,  
When the road you're trudging seems all up hill,  
When the funds are low and the debts are high,  
And you want to smile, but you have to sigh,  
When care is pressing you down a bit,  
Rest, if you must-but don't you quit.

Life is queer with its twists and turns,  
As everyone of us sometimes learns,  
And many a fellow turns about  
When he might have won had he stuck it out;  
Don't give up, though the pace seems slow-  
You may succeed with another blow.

Often the goal is nearer than  
It seems to a faint and faltering man,  
Often the struggler has given up  
When he might have captured the victor's cup.  
And he learned too late when the night slipped down,  
How close he was to the golden crown.

Success is failure turned inside out-  
The silver tint of the clouds of doubt-  
And you can never tell how close you are,  
It may be near when it seems afar;  
So stick to the fight when you're hardest hit-  
It's when things seem worst that you mustn't quit.

# Three Thumbs Up for Leverock's Fish Fry

Ranchers Robert, Cliff, and Erick were all on hand to help make the Sixth Annual Leverock Fish Fry a tremendous success. Residents from all over the Tampa Bay area gathered to enjoy tasty fish, hear the fine music of the St. Petersburg Community Band, and meet the Sheriff (both past and present). This event embraces the support and commitment to the Florida Sheriffs Youth Ranches made long ago by Johnny Leverock, founder of Leverock's Seafood House.

Former Pinellas County Sheriff Don Genung and current Pinellas County Sheriff Everett S. Rice lend a hand frying fish with the fine folks from Leverocks.

Youth Ranches President C.T. O'Donnell was on hand to meet and greet the guests. Long-time donor and faithful friend, Mrs. Victoria Pokorny received his warm thanks for volunteering at the event and supporting Florida's Charity for Florida's Children.

Trish and Samantha, both residents at the Youth Ranch in Safety Harbor, encourage people to stop in and support the Florida Sheriffs Youth Ranches.

and their efforts paid off handsomely for the boys and girls of the Florida Sheriffs Youth Ranches.

Thanks to the loyal support of so many caring people, Sheriff Robert L. "Bob" Crowder was able to present a check for \$ 6,800 to Youth Ranches Development Officer Dr. Hank Edwards. Expressing his pride in the dedicated staff of the Martin County Sheriffs Office and the other volunteers who helped make the day so successful, Sheriff Crowder said, "Today, you are making a difference in the lives of many youngsters. Tomorrow will be a brighter day for them because of you."

Rancher Matt is the center of attention during a recent field trip to Golden Pond Retirement Residence when the Ranchers gave their artwork as gifts to some of the residents.

## The Young and Young at Heart

In an effort to help our troubled boys learn the value of giving back to their community, the young men of the Youth Ranch Bradenton/Sarasota had an opportunity to share some of their artwork with residents at the Golden Pond Retirement Residence in Bradenton.

A caring and generous donor visits regularly with the young men at the Youth Ranch to instruct them in art appreciation. The boys have produced some very nice artwork under her guidance. Knowing the importance of returning the kindness shown them, the young men spent an afternoon enjoying good fellowship with their new-found friends.

*The boys and girls at the Youth Ranch/Safety Harbor were treated to a day of personal instruction on fly-fishing, courtesy of the Suncoast Fly Fisherman's Association. The volunteers from the SFFA furnished the equipment, and spent an entire day teaching the youth the art of fly fishing. The youth and volunteers had a great time...and even caught a fish or two from the pond in their own backyard!*

Sheriff Buddy Smith

Sheriff Richard Worch

Sheriff Gary Wheeler

Sheriff Dwayne Walker

Panama City - At the Florida Sheriffs Association Mid-Winter Conference several Sheriffs received Builder Certificates for their personal donations to the Youth Ranches. Polk County Sheriff Lawrence W. Crow Jr., who serves as the chair of the Florida Sheriffs Youth Ranches Board of Directors made the presentations to Calhoun County Sheriff Buddy Smith; Charlotte County Sheriff Richard Worch; Indian River County Sheriff Gary Wheeler; Lafayette County Sheriff Dwayne Walker; and Levy County Sheriff Ted Glass.

Sheriff Ted Glass

**Thank you,  
Universal Studios!**

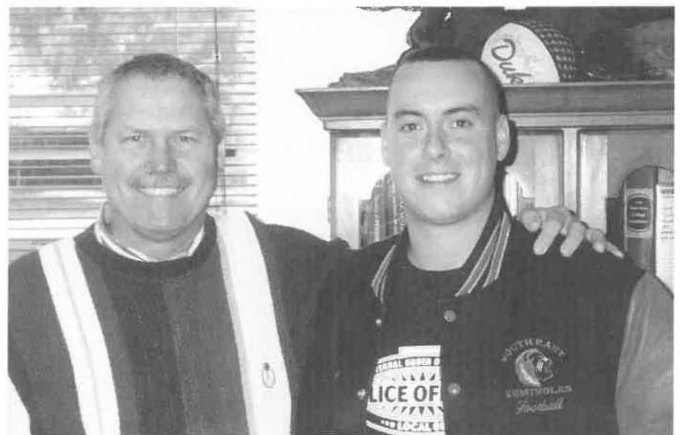

Thanks to the generosity of Universal Studios, Florida, 100 of our boys and girls were treated to a day at the theme park. Rancher Brian thanked Mr. Craig Weidele, Director of Security at Universal Studios, by presenting him with a Youth Ranches baseball cap. Deputy Joe Moore, Orange County, and Sandy Phillips, Youth Ranches Development Officer, were on hand to present Universal Studios with their Lifetime Honorary Membership plaque with a recent addition of a gold star.

**Touching Base at Home**

After successfully completing the program at the Florida Sheriffs Youth Ranch - Bradenton/Sarasota, Evan had to make a tough decision. He had been recruited by the Ringling School of Art and Design, but also had a desire to give something back to his country. Believing he had much to be thankful for, Evan proudly decided to enlist in the United States Marine Corp.

Recently on leave, Evan stopped by the Youth Ranch to say hello. He was greeted warmly as he proudly shared his many accomplishments. When Development Officer Bill Brown (left) asked him about his current assignment in Hawaii, Evan replied with a slight grin on his face, "It's a tough job, but someone's got to do it."

**Family, Fellowship 'n Fun**

Sheriff Buddy Smith believes in family, fellowship, and fun. Each year he hosts a special event to raise money for the boys and girls of the Florida Sheriffs Youth Ranches. The annual gospel sing begins with a family style gathering for dinner. Youngsters from the Boys Ranch join the Sheriff and all the entertainers for a delicious, yet informal meal. Later, members of the Blountstown community enjoy warm fellowship and inspiring, family-oriented music sponsored by the Calhoun County Sheriffs Office.

# Boys Ranch welcomes newly elected Sheriffs as Honorary Ranchers!

Taking an oath in front of a large crowd gathered at the Florida Sheriffs Boys Ranch, Sheriffs-Elect were sworn in as a part of the first class of Honorary Ranchers. They were joined by current Sheriffs who have a key interest in supporting the boys and girls of the Florida Sheriffs Youth Ranches.

Ranchers played a key role in hosting this event. They welcomed their new-found friends and educated the Sheriffs-Elect about life at the Boys Ranch. For more about this historic visit, please see pages 10 and 11.
