President's Perspective

A message from Harry K. Weaver,
President of the Florida Sheriffs
Youth Ranches

Spring, 1998 is already here. On September 17, 1997, I returned to the Youth Ranches, after three years of retirement, and will remain President only until a new candidate is selected.

Perhaps fleeting time is caused partly by so many well wishers. Everyone has been so supportive: the Board, Florida's Sheriffs, our donor family, staff, the boys and girls, friends and the list goes on.

I am pleased to report the committee appointed by Board Chairman and Sheriff Lawrence W. Crow, Jr., has developed a procedure for the search, screening and selection of a new President. The Board acted on the procedure on February 19, 1998, and the official search has begun.

Authorization was given to invite applicants from Youth Ranches current employees and two have applied. In a previous search for my replacement, no one applied from within the organization.

The Board will choose from the many directions that are available, such as, make a selection from the two internal applicants; invite applicants from outside the agency, and put the two internal applicants in the mix; or select a President from the outside only.

We do believe, as in the past, that a mixed committee of Sheriffs, staff and lay persons will be an important part of the Screening Committee which will recommend applicants to the Board for their final decision.

In the meantime, the Youth Ranches is prospering and going about its business of caring for and helping to heal hurting and troubled boys and girls. As always, it does a super job because of dedicated and committed Board and staff; willing and cooperative boys and girls and families, and the outpouring of love, concern, and generosity by our donor family.

Thank you, again, for your visits, letters, calls, notes, and expressions of encouragement and support. You cause hurts to go away or to be only a memory in our growth. You cause "coping power" to develop and succeed. We are grateful for your continued interest and tremendous dedication.

The Long Kiss Goodnight

It is 1955. R. Ed Blackburn, Jr., Sheriff, businessman, administrator, reformer, legislator, crime fighter, and a Boys Ranch founding father, helps lead a historic journey across the sun-drenched blacktop between Ocala, the panhandle of Florida, and the states west to Texas, along with the late Sheriff Don McLeod. While on a tour of the local countryside, they learn of an innovative and unique ranch program established by former wrestler Cal Farley which housed hundreds of underprivileged and neglected boys.

Encouraged by the Texans' success, and haunted by the plight of Florida's troubled children, Blackburn and others propose creating a similar project for the youth of Florida - a "ranch" to benefit needy boys throughout the state. After months of persistence and passion, as one of the primary catalysts of the Florida Sheriffs Boys Ranch project, Blackburn fulfills this vision, leaving a legacy that has become the Florida Sheriffs Youth Ranches.

By serving as the first Boys Ranch Executive Director (unpaid), campaigning for donations statewide, and participating vigorously on the Boys Ranch Board of Trustees, R. Ed Blackburn, Jr., dedicated himself to the crusade of helping needy, neglected children. Blackburn even penned an inspiring poem that professed his devotion to the Boys Ranch endeavor (above).

While the Florida Sheriffs Youth Ranches has lost an emotional and inspirational leader, his life-saving legacy will persist and persevere. Blackburn would have

*"It's every boy's hope
To reach up his hand,
And find there a grip
That he'll understand.*

*In every boy's heart
There's a burn running deep
For a friend tried and true,
Whose love he will keep.*

*And should the boy win
This goal of his life,
His soul soon will lift
From its moment of strife.*

*But finally when passed
A trophy from above,
The real winner will be
Him who gave love!"*

insisted upon it. Like any thoughtful father, his life was devoted to the care of our "children." It is the ongoing passion and compassion which assures the continued care of thousands more troubled and neglected youngsters throughout the state.

On December 9, 1997, the Florida Sheriffs Youth Ranches lost a founding father, but not his faith, spirit, or the hope he shared with generations of lost boys and girls.

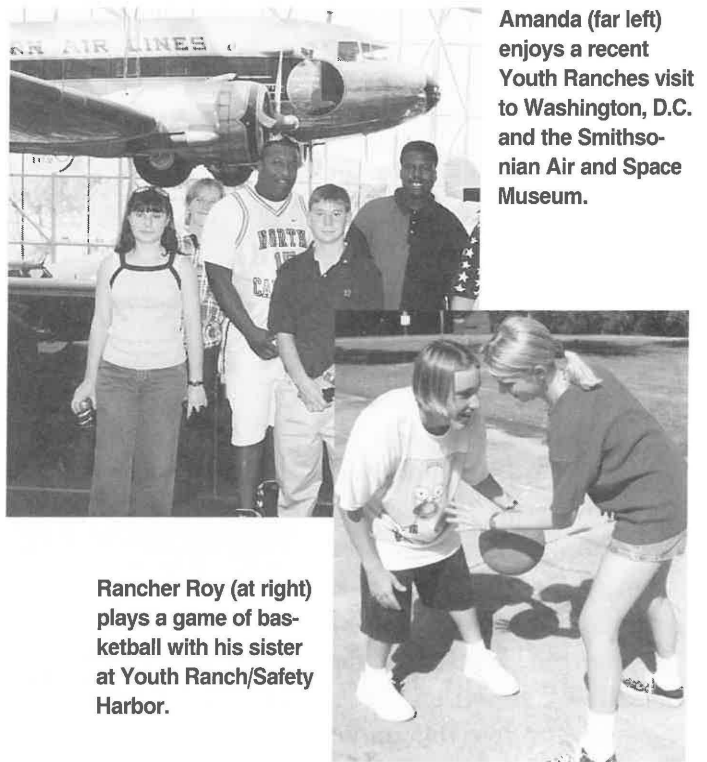

Truly, An Honorable Occasion

Youth Ranches proud of youngsters' academic success

Two exceptional youth from the Youth Ranch/Safety Harbor were recently inducted into the Margaret Meade Chapter of the National Honor Society at Countryside High School. Amanda, an eleventh grade inductee, joined Roy, a Senior inducted last year, as a member of the prestigious honor club.

To qualify for membership students must achieve a minimum grade point average of 3.5 and be recognized for high standards of service, leadership and character.

"I feel personally honored by the achievements of these two young people," said Youth Ranch Director of Education Warren Swiger. Congratulations, Amanda and Roy, for your tremendous achievement and the inspiration you share with all of your peers.

Amanda (far left) enjoys a recent Youth Ranches visit to Washington, D.C. and the Smithsonian Air and Space Museum.

We want our donors to know we have never permitted other organizations to use our lists of supporters, and we will continue to do everything possible to preserve their privacy.

A Special Message from the Florida Sheriffs Youth Ranches.

As many of you are already aware, due to the unique nature of the Youth Ranches 40th Anniversary *Rancher* (Winter 1997), the usual publication of Honor Roll listings was absent. We are pleased to include those special individuals in an extended format throughout this Spring 1998 issue. Thank you for your understanding and continued support.

On The Right Track

Stephen still runs — away from trouble, but not his problems. Today, thanks to perseverance and diligence, Stephen faces life's challenges with enthusiasm and self-confidence.

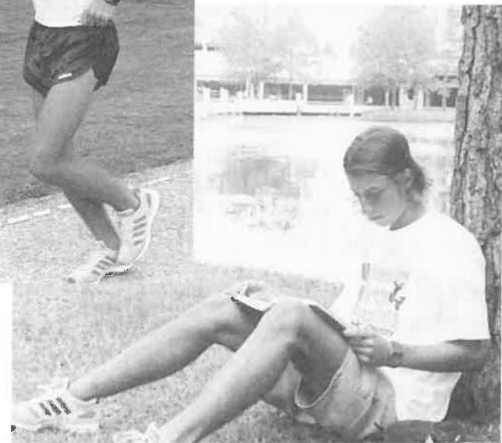

After four years of study, with assistance from the Youth Ranches Scholarship Program, Stephen graduated from the University of North Florida in Jacksonville with a Bachelor's Degree in Advertising. Maintaining a B-plus grade point average while competing in three varsity sports and working part-time, Stephen has far surpassed even his own expectations. He has already secured a position with an advertising firm in Jacksonville and plans to begin graduate school in the near future.

Stephen still attributes much of his success to the special guidance he received at the Florida Sheriffs Youth Ranch/Safety Harbor, and the kindness and generosity of countless individuals who helped guide him along the way.

"I think I just needed a place to 'chill out,'" Stephen once recalled, reflecting on his days at the Ranch. "It was definitely a great place to mature and learn how to deal

Congratulations, Stephen, and those Rancher alumni like you, who continue to strive for the tape at the end of the race. We're proud you are all running down the right track.

A Message from Youth Ranches Vice President Financial Development

William W. Yarick

Valentine's Day has passed and April 15th is just around the corner! Although these days have nothing in common (one represents LOVE and the other TAXES) the very thought of LOVE and TAXES reminds me of two excellent reasons to think about estate planning.

There is no greater expression of love than a person taking time to plan for the well-being of one's family. Regardless of the amount of wealth someone has accumulated, or the extent of one's family, all the benefits of hard work, saving, investing wisely, and being a good steward in life may be undone by lack of simple planning.

For example, it is still a fact the majority of people in our country do not have a valid will in place at their death. In these situations, the state dictates who gets what and when. How much better would it be for all involved if a will had been put in place?

Why is it so many people never get around to having a will prepared? Some rely on other means to take the place of a will. Others want to avoid the costs involved, while others feel uncomfortable discussing the details involved. Certain decisions do have to be made and sometimes the decision making process gets bogged down.

And certainly, some fear the preparation of a will may hasten death itself.

However, many advantages can help overcome this resistance. A properly planned will takes into consideration and provides for a spouse, a dependent child, parent or other family member. It names the personal representative and may include the naming of a guardian or trustee where required or desired. It may also provide instructions concerning funeral arrangements. Bequests for the Florida Sheriffs Youth Ranches as well as other charities may also be contained in the will.

Finally, good estate planning may help save income and estate taxes. The process of planning need not be complex, although complexity may arise. As has been said, "The journey of a thousand miles begins with the first step." Your first step may be to request a free booklet containing general information you will find helpful. Best of all, the booklet contains 38 commonly asked questions about making or revising a will.

Please complete and return the coupon below to receive more information about this important topic. As always, our staff is available to work with you in planning for your future.

Cordially,

What a World!

The Youth Ranches underprivileged boys and girls discovered a magical underwater world thanks to the generous members of the Sea World family.

Sea lions, tiger sharks, and polar bears, oh my! With the production of films such as *Orca*, *Jaws*, *Free Willy* and *Flipper*, there have been many contradictions, and misconceptions, portrayed in our culture about the "creatures" of the deep. But, for over 20 spectacular years, a voice for underwater inhabitants has strived to teach both young and old the truths about those that call our oceans their home.

Sea World, and its network of underwater parks, was designed to educate as well as entertain. Rides like *Wild Arctic* expose youngsters to a wonderland of ice and snow, as well as explain a unique habitat and home on the frozen tundra where polar bears and penguins share glaciers and cool mountain snow. At pavilions around the park, live shows feature killer whales like Shamu, and bottlenose dolphins, performing action-packed, acrobatic underwater sequences intended to motivate, educate and stimulate a child's imagination. In interactive areas like *Key West at Sea World*, boys and girls can brush their fingers along the back of a harmless stingray, catch a glimpse of nesting sea turtles and pet the slippery snout of a bottlenose dolphin.

As gracious and caring hosts, Sea World granted our neglected youth an adventurous afternoon of exciting and unconventional activities, and provided these needy youngsters with a special educational seminar after a nutritious lunch. The park's promotional team of trainers volunteered valuable time and energy to offer the Youth

Sea World staff helped educate youth in a unique "behind-the-scenes" tour of this aquatic park.

Ranches children rare behind-the-scenes insight into potential employment opportunities as well as interviewing advice and etiquette regarding future career and life objectives.

"The entire Sea World family was so instrumental in organizing and sponsoring this exciting event," said Youth Ranches Development Officer Sandy Phillips. "We hope this will become an annual, back-to-school tradition."

I Can Always Pitch a Tent

In my mind, I have memories,
of horses hooves and honeybees;
a forest of pines and oaks and leaves,
waving, dancing to the summer breeze.

In my mind, I have a thought,
of a blue, blue lake and the fish I caught;
a summer camp where I learned a lot,
like how to tie a windsor knot.

In my mind, I have a sight,
of marshmallow smores on a warm summer's night;
a place that helped me see the light,
to guide, to teach, to do what's right.

In my mind, I have a dream,
not to fight or kick upstream;
to use my head or magic beans,
and reach the stars by any means.

In my mind, I have a fear,
of falling down or failing faithful peers;
but I remember my friends are near,
the camp, the counselors that watched me persevere.

In my mind, I take a breath,
and thank those close to my success;
Because, in my mind, I knew wherever I went,
in my mind, I could always pitch a tent.

Harmony : One 'Promising Practice'

Since its humble beginnings in 1994, Project Harmony, a program intended to cultivate student leaders and promote ethnic and racial harmony, has quickly received national recognition for its insight, promise and outstanding success. Through unique classroom training and recreational activities, hundreds of youth have now shared this camping experience with a special emphasis in violence diversion and multi-cultural sensitivity.

Students of *Project Harmony* learn to improve communication skills, group dynamics, environmental awareness, goal setting and community respect. Acknowledged on the **White House Website** (<http://www.whitehouse.gov>) as one of the elite "Promising Practices" of The President's Initiative on Race, *Project Harmony*, through intense study, survey and evaluation is making the grade, and providing the help to build better relations in our schools and communities.

Well-Warranted

The Clay County Lockdown recently raised \$10,000 for the needy, neglected youth of the Florida Sheriffs Youth Ranches.

The Charge: Conspiracy to commit pre-meditated acts of kindness and generosity.

The Verdict: GUILTY

The Sentence: One night in the Clay County Jail, compliments of the Sheriff.

In excess of 100 friends, community leaders and local citizens, bravely surrendered to Clay County authorities for the pleasure, and privilege, of being locked in at a "lockdown." Guests were led through a maze of prison walls and iron bars where they registered, gave away fingerprints, jumped into prison stripes and posed for mug shots.

"Inmates" were allowed to tour the newly expanded facility before a latenight snack and "lights out."

"This is a great way to help the Youth Ranches kids and test the new jail facility," says Clay County Sheriff Scott

Lancaster. "The response from this community has been overwhelming. Many thanks to the volunteers who helped with this special and unique event."

Camp Not Just For Summertime Anymore

Florida Sheriffs Youth Camp "Taking It to the Streets"

In an effort to serve even more underprivileged children each summer, the Youth Camp/Barberville took its message and spirit to the needy youth of Duval County (Jacksonville). Thanks to a generous grant and special interest from Duval County Sheriff Nat Glover, the Youth Ranches provided mobile camping services to 150 inner-city youth through three one-week sessions held right in their community.

During the 5-day camp, boys and girls participated in both recreational and educational activities designed to encourage and teach them the importance of building self-esteem and respect. Through unique law enforcement demonstrations, visits by special guests and other "Project Harmony" messages, youngsters found alternatives and new hope for a brighter future.

"This is a very exciting time for us," said Director of Camping Services Bill Frye. "By piloting this innovative service, we are expanding camp-related services to more needy youth throughout the state."

Cleaning Up Their Act

Sitting quietly along neighborhood streets, innocent buildings suffer relentless scores of ugly graffiti which tarnishes communities and attitudes. Today, acre upon acre of public, as well as private property have become the personal canvas for gang signs, slogans and profane language.

Last fall, youngsters participating in the Youth Ranch/Safety Harbor ventured to Superior Planting in St. Petersburg to help restore some of these stained communities. By replacing graffiti with coats of fresh paint, troubled youngsters learned not only to "give back to their

community," but also gained a personal respect that comes when you are forced to clean-up after the delinquency of others.

“Mending Lives and Healing Hearts” is a pictorial book which spans the first 40-year history of the Florida Sheriffs Youth Ranches. The book is dedicated in loving memory of Clay County Sheriff John P. Hall, Sr., by his children Mr. John P. Hall, Jr., and Mrs. Dena Mae Lemen. Sheriff Hall served a record 36 years as Sheriff of Clay County. He was the first treasurer of the Florida Sheriffs Boys Ranch and an active supporter of the Youth Ranches during his entire lifetime. His children have chosen to further honor their father’s great citizenship and good works by underwriting the pictorial history of the Florida Sheriffs Youth Ranches. Any income derived from the sale of the publication will be placed in the John P. Hall, Sr., Memorial Endowment Fund to benefit troubled boys and girls served by the Youth Ranches.

Friends In All Places

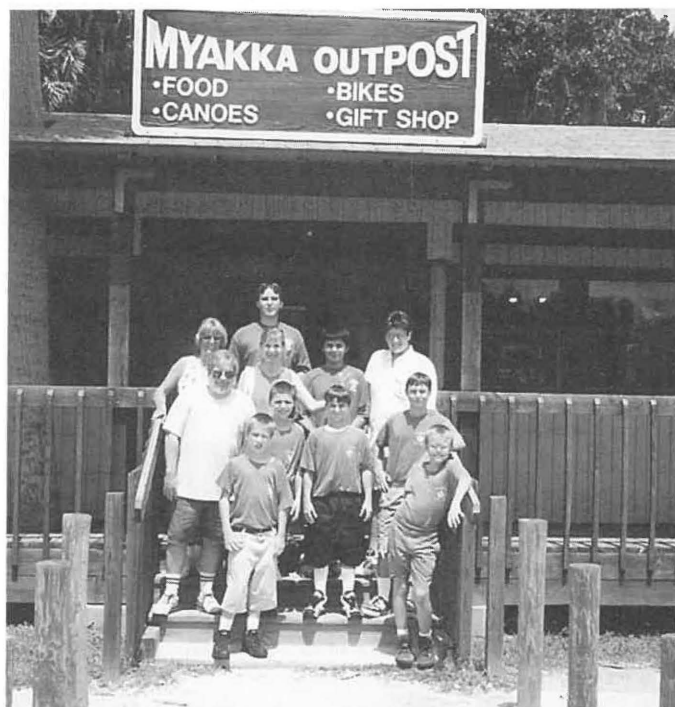

Boys of the Youth Ranch-Bradenton/Sarasota formed many new friendships thanks to a special group of volunteer teachers and an adventurous journey to Myakka State Park.

The day is sunny. The air is thick with the music of crickets. In Myakka State Park, on upper Myakka Lake, a handful of Ranchers board a docked airboat for an ultimate tour over the river and through the woods.

The lake is a bed of diamonds, shining. Their boat slides against the lake, a gentle breeze tossing locks of hair on little boys heads. The boys smile and laugh, and learn to respect nature and its unmatched beauty.

Volunteer teachers educate the "class" with discussions about birds and fish and bugs and frogs. Their journey ends at the Myakka Outpost.

These needy youngsters gather together as a family to enjoy a picnic lunch. Curious squirrel appear from the arms of oak trees, hoping to catch a crust of bread if it falls. After eating, the group escapes to the air-conditioned Myakka Visitor's Center for educational movies, giftshops and scale replicas of nature's animals. "Hey, guys, look at

that humming bird, and over here . . . the big snake," echoes a Rancher.

Thanks to generous volunteers, the boys were granted the greatest gift on earth — a magical memory of lessons about our fragile earth.

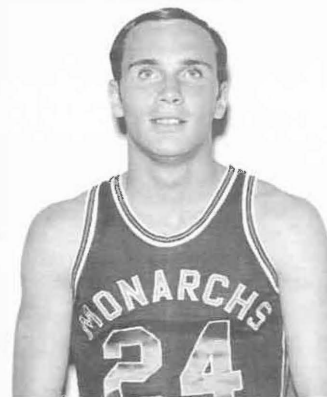

Boys Ranch Loses a Gentle and Giant Hero

Patrick Monogue 1949-1997

Leaving a legacy behind, longtime Boys Ranch Director Patrick J. Monogue, 48, passed away suddenly on November 15, 1997. Throughout his life, Monogue selflessly dedicated himself to helping hundreds of young boys grow to become productive young men.

Over 16 special years, Pat Monogue was entwined in the heart and soul of the Boys Ranch, fulfilling numerous job responsibilities, always with a positive attitude and tremendous effort. Monogue related well to children, often using a friendly game of basketball or other sport to build the self-esteem of a hurting young boy. He took tremendous pride in each youngster's individual achievements and never missed an opportunity to share his enthusiasm with others.

Active in the Live Oak area, Monogue was a faithful Rotarian and a loyal part of a "fun bunch" of local community leaders. His genuine sensitivity, friendly

Pat Monogue as a basketball "monarch" (above) and father figure to needy boys (left), passed away unexpectedly on November 15, 1997. His inspiration and devotion will always be missed.

disposition and gentle nature were known hallmarks of his lifelong commitment to helping others always see the best in every situation.

Monogue will be sorely missed by those who knew him best, worked with him daily and felt the tremendous blessing of his presence in their life. His family and the Florida Sheriffs Boys Ranch has lost a champion for children, a gentle and giant hero.

Would you like to help prevent juvenile delinquency and receive reliable income for life ?

Consider a Charitable Gift Annuity

Your gift (cash, stocks, bonds, or mutual funds) can help deserving youngsters and secure future income for you or someone you love. This irrevocable agreement is backed by the assets of the Florida Sheriffs Youth Ranches, Inc.

A portion of your charitable gift annuity is immediately tax deductible. In addition, a portion of your annuity payment is tax free during normal life expectancy. The amount of the payment is based on the amount of the gift and the age of the annuitant. Please note the first two columns below to determine the rate for each age group. The American Council on Gift Annuities will meet in April and the rates may change.

Schedule of Annual Payments and available charitable deduction for Single-Life Charitable Gift Annuity at indicated ages based on a \$10,000 agreement.

Please call us at (904) 842-5501 if you have any questions.

Please send me "no obligation" calculations showing the income and tax benefits of a gift annuity. Please base the calculations on a potential agreement in the amount of \$_____ (minimum of \$1,000).

Making History

On January 26, the Boys Ranch Learning Center took a trip back in time to the Civil War Era. Mr. Rory Baggs, of Gainesville, made a special visit to share a little history with the youngsters who have been studying this part of our nation's history. Rory Baggs is a Civil War historian who actively participates in reenactments and collects war relics. Mr. Baggs demonstrated many of the weapons used during the war, displayed various uniforms worn by soldiers and the tents where they slept.

At the end of the discussion and demonstration, the boys were allowed to dress in the soldier's uniforms, hats and packs in order to explore first-hand more of the Civil War experience. Mr. Baggs shared a wealth of information and stories that proved to be exciting as well as educational for the boys at the Ranch.
