# President's Perspective

A message from  
C. T. O'Donnell II,  
President of the  
Florida Sheriffs  
Youth Ranches

On March 15, 1994, I was entrusted with the office of President of the Florida Sheriffs Youth Ranches, Inc. What a wonderful challenge — and an enormous responsibility!

There have been many welcoming people, the boys and girls, the Board, the staff, and especially our donor family. There have been highlights and great dilemmas too.

One of the highlights has been learning about the many different ways we help children and their families. As an example, I came to realize how very extensive the family social work program is and that it actually helps so many children and families, right in their own homes.

Another exciting area has been the establishment of the Harry K. Weaver Honorary Endowment Fund as a tribute to the President-Emeritus of the Youth Ranches. This will help children for years and years to come. In the very near future, you will

receive a special letter from me asking for your help in this effort.

We anticipate sufficient funds, earmarked exclusively to build a second cottage at the Youth Ranch-Bradenton/Sarasota campus, and a new campsite at the Caruth Camp. However, this presents a dilemma because, we have 60 empty beds at other sites and there is not enough operational monies to fund all programs on an ongoing basis — that is funding for food for clothing and shelter. This has been brought about by a general downturn in the economy and therefore our donors have less discretionary income.

However, I know there is an answer out there. I know this will turn around and that with your help, and the help of the Board, the Sheriffs, the staff, and with so many caring people involved, an answer will come. Of this I am certain.

You have all been so supportive to the Youth Ranches over the years and I want to thank you for what you have done, and what you continue to do for the many needy boys and girls we serve.

\*\*\*\*\*

I am pleased to report that Harry K. Weaver continues to be very active in the financial development arena and will continue helping us for some months to come. His goal has been, and continues to be, that we be able to help as many troubled boys and girls as we can with the funds available. I share that goal.

By Vivian Starling

**W**atching this attractive, confident young lady stride across the campus of the Youth Ranch at Safety Harbor, it's hard to imagine that she could have been another statistic in the juvenile crime rate. However, because generous people still care, she isn't.

Arriving at the Youth Ranch when she was just 14, Teri had a history of hanging out with the "wrong" crowd, truancy, and a strong disregard for structure and discipline — a prime candidate for a future laden with delinquency and criminal behavior.

Resident Director Joe Ballard reflects on that younger Teri, "She was a feisty little thing, not afraid of anything or anyone. Teri would challenge authority figures and peers alike," recalled Mr. Ballard. Accustomed to coming and going as she pleased, it was the firm guidance, consistent accountability, and the patient, loving spirit of "Mom & Pop" Elliott that encouraged Teri to turn her life around.

"After awhile, I began to understand they really did care. I knew it was up to me what I did with what they offered me," said Teri. Once she accepted the support, counseling, and structure that is an integral part of life at the Youth Ranch, two of her greatest assets — athletic ability and determination — began to emerge.

Wonderfully blessed as a natural athlete, Teri has played soccer since she was seven years old, gaining a reputation that is known throughout the

when she earned a place on the **Florida Athletic Coaches Association West All-Star team** and was named **Most Valuable Player**.

On campus, Teri received the **Resident Director's Award**, which is the highest award given to our youth for their overall achievement and positive change. She has also claimed the annual **Athlete of the Year Award** on four separate occasions.

With Teri's determination, focus, discipline, organization, and outstanding personality, awards and recognitions such as these will not end here. Teri maintained a "B" average throughout high school, and held a part-time job to help with her team travel expenses. After reviewing scholarship offers from a number of colleges, Teri accepted an offer to attend school in Anderson, South Carolina.

Teri's story is not unlike the stories of many other boys and girls who have experienced success because the Youth Ranches provided direction, support, love and guidance in their lives. Teri has had

# Steer and Heifer Auction is payoff for months of hard work

**T**hirteen percent of the young men in residence at the Boys Ranch successfully completed the steer and heifer program with a fine showing at the Suwannee Valley Youth Livestock Show and Sale. Their hard work paid off when many won ribbons and plaques in recognition of their achievements.

Chance, a 17-year old from South Florida, rarely encountered farm animals prior to coming to the Boys Ranch, and initially was extremely hesitant to get involved in the program. But, as he began to enjoy the horses at the Ranch, his education about the other animals grew.

Last year, Chance "tended" a heifer and developed a great deal of trust and compassion for the young animal. This year, he took on an even greater challenge to break and show a steer. Chance's long hours and responsible behavior were well worth it. He won a ribbon for Home Grown Champion Steer as well as added to his savings account with the money earned from the sale of the steer.

John, a strapping young man from the North Florida area also invested his time, effort, and patience raising a steer. His animal weighed in at 1104 pounds which is extremely important when the buyer pays by the pound. John's careful attention to detail certainly increased the value of his steer.

Many other boys of varying ages participated in the heifer program. It differs significantly from the steer program in that the time

commitment is less and the animals are not sold at the fair.

In these programs, the boys learn a great deal about responsibility. They must accommodate their schedule to help care for their animal. They also receive instruction in animal science, diet, health care, grooming, trust, dependance, and reliability.

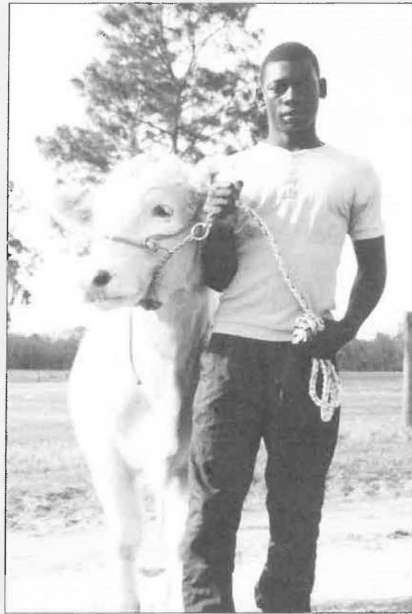

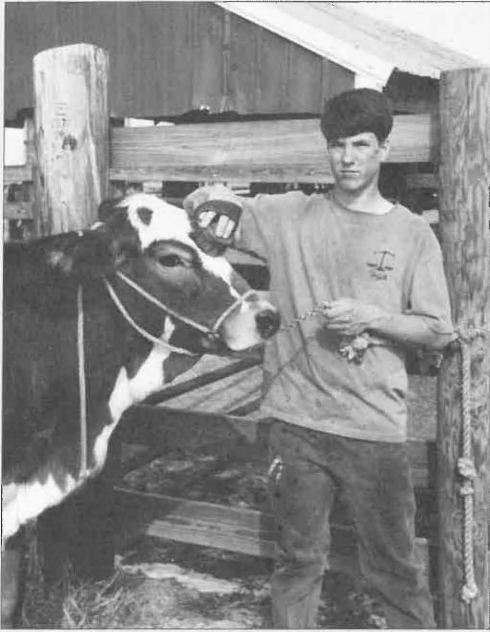

The chores and enjoyment of these animals go hand in hand. Each young man feels a strong sense of success and pride, which is overwhelmingly apparent as they "show" their animals.

Lynn, who has only been at the Boys Ranch for eight months, is a likable young man ready to take on any challenge. On campus, he immediately became involved with the heifer program and truly enjoys showing his animal in front of a gathered crowd. Upon winning a blue ribbon, his self-confidence soared and an impish grin of satisfaction and pride crossed his face — the hard work and commit-

ment was really worth it!

Like many events in life, these learning experiences and memories will remain with these young men for a lifetime. They will be able to tell their children about life on a farm, the early rising and hard work, which together translate into a satisfied feeling of a "job well done."

The Boys Ranch environment provides a nurturing home, reaches out to help and heal the hurt of times past, building anew the foundation for a stable and productive life. More and more children need this vital opportunity to turn their lives around. Fortunately for these young men, they have "seized the day" and are making the most of life at the Florida Sheriffs Boys Ranch.

## For Dee: The hard way seemed to be the best way

**I**n 1989, Dee, a 16-year old, and her two younger sisters became residents at the Florida Sheriffs Youth Villa. They were desperately in need of a stable living environment with a strong emphasis on educational opportunities.

Over two years behind in school, Dee was faced with a difficult decision whether to attend high school for three or four years or take an examination for a General Education Diploma (GED). She thought hard about the sacrifices and challenges of entering a new school and a class two years behind her age group, weighed the tediousness of daily schoolwork against the expediency of GED studies and finally, with a strong determination and unswerving desire, she decided the hard way was the best way.

"I wanted to graduate with a class... to stay in school. I look forward to going every day," said Dee in a recent interview. Dee has been extremely successful in her pursuit of the "typical" teenage goals, winning medals in track events, and being elected to her high school homecoming court.

Dee has also capitalized on many other opportunities at the Villa. Her positive and productive behavior earned her the privilege of taking an off-campus job. After working at Little Caesars Pizza Restaurant for the past three years, she is currently the Assistant Manager.

Recognizing the need for reliable transportation to and from work, Dee saved her money and purchased her first car. All the upkeep, insurance, gas, and maintenance are her full responsibility.

Dee has also taken on a leadership role by serving as the Youth Villa Council President for a third consecutive term. The elected council members represent their peers and work with the administration on decisions relating to campus improvements and activities. When asked what positive steps have been taken on campus under her leadership,

1994 graduate of Bartow Senior High

she quickly cited the addition of a tetherball court, a shuffleboard court and a water fountain near the recreation area.

Anticipating graduation this spring, Dee is preparing for her future by residing in the Independent Living Cottage which allows her to be responsible for her personal schedule, meals, and budget. However, she is required to observe the structured guidelines of the program, obey the nightly curfew and maintain responsible behavior.

After graduation, Dee plans to secure her own apartment in the Bartow area because it's familiar to her and will enable her to keep in touch with her sisters. Dee knows the value of taking small, careful steps in shaping her future and would eventually like to pursue a career in law enforcement. It may have been a long road to her cap and gown, but it certainly has been a successful journey.

Dee shows off her Senior Class pride.

Senator John McKay (D) - Bradenton, shares his thoughts and feelings with the crowd gathered at the Youth Ranch-Bradenton/Sarasota.

## YOUTH RANCH- BRADENTON/SARASOTA & CARUTH CAMP HOST OPEN HOUSE

Earlier this spring two of our five residential child-care campuses held their annual Open House celebrations. Sheriffs, community leaders, donors, friends and families joined us in giving recognition to our growth and leadership in quality child care.

Dedication ceremonies for the Kiwanis Club of Bradenton Administration Building and the Hugh and Mary Wilson Foundation Activities Center highlighted the program held at the Youth Ranch-Bradenton/Sarasota. State Senator John McKay, a strong advocate of child and family values, was the guest speaker. He deplored the decay of the traditional family structure and offered active solutions by pledging to support residential child-care programs such as the Florida Sheriffs Youth Ranches, Inc.

The keynote speaker at Caruth Camp was Circuit Court Judge W. O. Beauchamp, Jr., a Youth Ranches board member. He referred to the three R's in addressing juvenile behavior problems: **Repel** violence and hold young people accountable for their actions; **Restore** family values; and **Replenish** the child's surroundings to enable them to take positive steps in their lives.

Judge Beauchamp challenged the audience to acknowledge the current problems, to actively participate in the solutions, and to become advocates on behalf of children in need.

Ranchers and Campers participated in the Open House festivities by leading pledges of allegiance, delivering invocations, providing special music, and conducting guided tours.

# Culture and Education Found in the Rich History of St. Augustine

Since the basics such as food, electricity, clothing and supplies consume a major portion of our income, the constant struggle to meet these escalating expenses limits our ability to provide special trips that create fond childhood memories.

Occasionally, however, we are blessed to receive an extra-special treat, and that is what occurred earlier this year, when the Youth Villa residents were treated to an all-expense paid trip to St. Augustine. In this city noted for its history and culture, they spent a weekend broadening their horizons and enjoying unique experiences.

They visited the mythical "Fountain of Youth", the ancient fort and the Spanish Quarters, making friends wherever they went. Their trip ended with dinner at one of the best restaurants in town. Regional Director Michele Linebaugh watched proudly while they ate, and commented later: "Some of our children have never been out to a very nice restaurant or stayed in a hotel. I was extremely proud of how good they looked and how well they behaved. They were truly excited to experience this special trip."

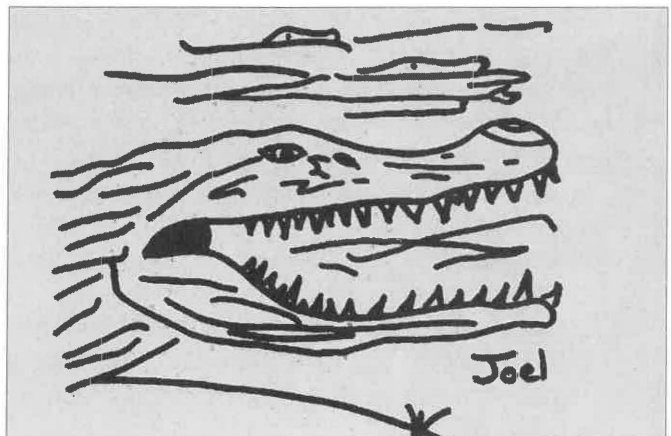

Residents of the Youth Villa gather for a picture at the Fountain of Youth.

While the Youth Villa residents were in St. Augustine, the Caruth Campers were busily preparing for an educational trip to the same destination, and, to stretch their dollars, they opted to camp out rather than stay in a hotel. They visited some of the same places as the Villa youth and even a few more.

Later, the Trailblazers shared some of their favorite memories through their newsletter, *Caruth Camp Capers*. Nick wrote, "On Tuesday, we went to Ripley's Believe It or Not! I saw a lot of amazing things. The one that made me laugh is the mirror

that you can see through. They also had a mirror that made me look skinny which influenced me to work on my diet."

By far, the Alligator Farm was the biggest hit with the boys. Keith was fascinated with Gomek, a saltwater crocodile that is a mere babe at 17 feet and 1,700 pounds. Eventually, he may grow up to 22 ft.

Robert added his observations: "Florida alligators resemble lizards in their shape," he wrote, "but they have thicker bodies and tails. An alligator's skin is rough . . . it is dull gray and dark olive in color. Alligators are scary, but interesting. It is fun to watch them swim, walk, and eat. They will eat most anything they catch."

## Summer Camp Sponsorships Still Needed

Each year the Florida Sheriffs Youth Ranches provides a high-quality summer camping program at the Youth Camp near Barberville. Hundreds of boys and girls join law enforcement officers from around the state for wholesome recreation and plenty of self-esteem building activities.

The Youth Camp Program includes swimming, horseback riding, archery, canoeing, arts and crafts, and many other recreational activities. Oftentimes, the families of these children do not have the necessary resources to provide this unique learning experience and summer adventure. The Youth Camp keeps them off the streets and, hopefully, prevents delinquency by establishing a good relationship with law officers.

## Endowment fund honors youth who was killed in Vietnam

**A** new \$25,000 Endowment Fund has been established by the Florida Sheriffs Youth Ranches, Inc. to serve the needs of Florida's neglected, unsupervised and troubled youngsters.

Created as a gift from Mr. and Mrs. Charles M. Taylor, of Little Rock, Arkansas, and their daughter, Julia J. Taylor, the fund is a memorial to Charles M. Taylor III, son and brother of the donors, who was killed in combat while serving in Vietnam with the First Marine Division. At the time of his death he was 19.

Charles grew up on the outskirts of Little Rock, attended the public schools in Little Rock, and graduated from The Hill School at Pottstown, Pennsylvania. He enrolled at Vanderbilt University, in Nashville, Tennessee, but cut short his college career to enlist in the Marines. He finished his recruit training in the top ten percent of his platoon.

Killed in combat November 21, 1967, PFC Taylor was awarded the Purple Heart, National Defense Service Medal, Vietnam Service Medal with one bronze star, the Vietnam Military Merit Medal, and the Vietnam Cross of Gallantry with palm.

"To honor this gallant young man with a memorial endowment fund seems very appropriate," said

**Charles M. Taylor III**

Youth Ranches President-Emeritus Harry K. Weaver. "He grew up and worked with registered Welsh ponies in much the same way many of your Youth Ranches youngsters are doing at the present time." As a youth he became aware of the needs of troubled boys when he accompanied his father to St. Francis Academy, at Salina, Kansas, to donate a training cart and two ponies. They not only delivered this gift, but also spent considerable time training the young people in handling the ponies before returning home.

"With this kind of background, and with the example he set by serving in the Acolyte Guild and participating in the youth program at Christ Episcopal

Church, in Little Rock, Charles M. Taylor III established a standard of conduct that our Youth Ranches boys and girls will find worthy of emulating."

Weaver expressed deep appreciation for the Taylors' gift, and said he hoped it would encourage other donors to establish similar endowment funds. He explained that the principal of the Charles M. Taylor III Memorial Endowment Fund will be kept intact, but the income it produces from investments will be used as needed for current Youth Ranches operating expenses.

### Care and compassion mark the efforts of Church Singles Group

PALM HARBOR — For the past three years, the George Young Memorial United Methodist Church Singles Group has reached out to help the children in our care. Needless to say, many of our youngsters have experienced painful childhoods and this compassionate group believes that "a little tenderness can go a long way" in easing that pain.

This year they donated a cute, fuzzy teddy bear for each child at the Youth Ranch/Safety Harbor. A personal note was attached to these little "critters" offering kind thoughts and words of comfort. The broadest of smiles and tightest of hugs greeted these lovely gifts from such wonderful friends.

# Arabian Nights Attraction Scores with Youth Villa

By: Bill Bass

**O**n a memorable night last fall, the Youth Villa appeared deserted because all the youngsters and their cottage parents were enjoying a spectacular Vegas-style performance at the Arabian Nights Dinner Theatre as the guests of Albert Sorger.

The group was joined by Osceola County Sheriff "Charlie" Croft and his wife Nell; Orange County Sheriff Kevin Beary and his wife Rebekah; and Orange County Commander Brad Margeson and his wife Linda. Commander Margeson serves as a special liaison to the Youth Ranches in addition to other duties on behalf of the Sheriff. Prior to the show, everyone attended a reception in the dinner theatre's VIP decorated Green Room.

Mr. Sorger, a "semi-retired" refinishing specialist, learned of the Youth Ranches last summer when he wanted to give away some good, used camping equipment and chain saws. Commander Margeson suggested the Florida Sheriffs Youth Ranches, Inc. Soon thereafter, Mr. Sorger and his wife, Nilda, visited the Youth Villa in Bartow, and later toured the Boys Ranch as a guest of then President Harry K. Weaver. After these visits, Mr. Sorger was absolutely convinced that he wanted to do more to enrich the lives of our children.

What a special treat to be invited to an evening at one of Orlando's premier attractions! At the end of the evening, Mr. Sorger introduced the group to the star of the show, Gaylord Maynard, and gave the youngsters souvenir tickets as well as a large framed Arabian Nights Dinner Theatre poster.

The Youth Villa's Stephanie, Christi, Maria, Colleen, and Vanessa really look great as they relax in the Green Room before the show.

## Martin County Barbecue

**S**TUART — Martin County Sheriff Bob Crowder's First Annual Family Fun Day and Barbecue was a team effort from the word "go." Volunteers from his staff and the community pulled together to ensure a smooth operation. Advance planning included ordering food, procuring equipment, preparing the site, scheduling the event, setting up the tables and tent, signing up sponsors, arranging publicity, and, of course, selling tickets. All of these details were supervised by Deputy Steve Mochen, a world class expediter.

Sheriff Crowder was quick to commend Deputy Mochen and the other volunteers for their tireless efforts on behalf of the children served by the Florida Sheriffs Youth Ranches.

Youth Ranches President C. T. O'Donnell II was also on hand to join Sheriff Crowder in thanking the many volunteers.

The day-long event provided a colorful array of children's games, carnival rides, pony rides, good music, food, and fellowship. "It was our goal to make this family outing a place where everyone could relax and enjoy themselves," said Sheriff Crowder. "I believe we have been successful. From here, we only need to increase our attendance. Once word gets out, it should become a major event."

of the Youth Ranches, said he believes in the program and hopes that this event will further motivate the people of Martin County to increase their support of the Florida Sheriffs Youth Ranches and the children and families it serves.

Volunteers from all areas of the Martin County Sheriff's Office pitched in to make this a successful day.

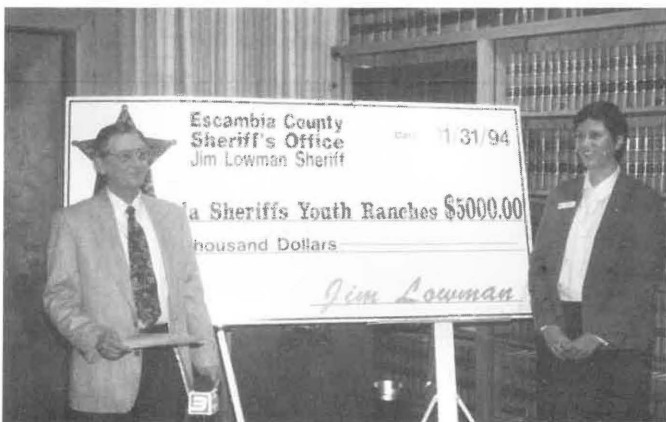

Carnival rides and games were the highlight of the day for youngsters.

## Sheriff Lowman Joins in Support of the Youth Ranches

PENSACOLA — In response to an appeal presented at the Florida Sheriffs Association's 1993 Summer Conference, Escambia County Sheriff Jim Lowman responded with a \$5,000 gift to the Florida Sheriffs Youth Ranches, Inc. It represents a portion of the forfeiture funds that have been acquired in that county over the last fiscal year. The gift was gratefully acknowledged by Linda Crews Vice President Planned Giving and will be used for prevention of juvenile delinquency.

"If you are going to give your money away, I can't think of a better cause than Florida's Charity for Florida's Children — the Florida Sheriffs Youth Ranches," began St. Lucie County Sheriff Bobby Knowles as he welcomed and thanked players and sponsors of the 8th Annual Florida Sheriffs Youth Ranches Golf Tournament. He then presented a whopping fifteen thousand dollar check to the Youth Ranches President C. T. O'Donnell II.

Mr. O'Donnell responded with sincere appreciation to the Sheriff, committee members, volunteers, players and

sponsors for their part in this prestigious event. He painted a vivid picture of how the money raised at events like this translates into direct care and services in their community.

He gave an example of a local young man who felt he would be a drug dealer or dead by the age of 20 unless he received help. Today, at age 19, he has graduated from the Boys Ranch, attends community college and has quite a different future than he previously thought.

Sheriff Knowles and the people who take obvious pride in this tournament should be commended for their fine efforts. Thank you and keep up the great work!

## An Expensive Fly Helps Raise Money for the Youth Ranches

Local auctioneer Ron Smoak acknowledges a bid — or was that another fly?

**Quarterly auction benefits Florida Sheriffs Youth Ranches neglected boys and girls thanks to wonderful donations and gifts.**

On a surprisingly cool morning in May the Florida Sheriffs Youth Ranches held their Spring auction at the Boys Ranch near Live Oak. Despite minor technical difficulties (losing use of the audio system) the event was well worth the effort and thanks to our boys, helping as Displayers, Transporters and Loaders, the activities ran smoothly.

Over the "calling" of the auctioneer, hundreds of items were up for bid, ranging from bicycles, bookcases and brass fixtures to boats, coins, electronics and goats. There were bargains, rarities and oddities, from tea sets and microwaves, to 1947 Roosevelt dimes and a crystal sugar bowl from Czechoslovakia.

Personalities like Jim "Mud Cat" Grant, Dom DiMaggio, Al "The Mad Hungarian" Hrabosky, Jimmy "The Toy Cannon" Wynn and many other great players of America's favorite game joined in rounds of golf and tennis for the benefit of the Youth Ranches. # Charitable Gift Annuity

The charitable gift annuity allows you to give to our troubled boys and girls and also provides you and/or someone you designate with a guaranteed periodic payment for life.

A sizeable portion of your gift (cash, stocks, bonds or mutual funds) is immediately tax deductible and a portion of the periodic annuity payment is tax-free during normal life expectancy. The agreement is irrevocable and is guaranteed by the full assets of the Florida Sheriffs Youth Ranches, Inc.

The amount of the annuity payment is based on the amount of the gift and the age of the annuitant.

Typically, the older you are, the greater the payment.

Organizations that are permitted to issue gift annuity agreements are required by state and federal law to meet stringent financial standards. The Youth Ranches was the first organization in the state of Florida to receive this permit number DAAP-74-1.

The American Council on Gift Annuities meets every three years to establish the uniform gift annuity rates. The Youth Ranches is a sponsoring organization of this group.

# Florida Sheriffs Youth Ranches

## HONOR ROLL

**Roster of Builders** - To protect our donors from receiving unwanted solicitations and junk mail, we have discontinued printing home towns when we print names. This became necessary after we learned that certain organizations of questionable legitimacy were adding our donors to their mailing lists. As long as the home towns are not revealed, this will be extremely difficult to do. We want our donors to know that we have never permitted other organizations to use our lists of supporters, and we will continue to do everything possible to preserve their privacy.

This Honor Roll gives special recognition to generous supporters of the Florida Sheriffs Youth Ranches and its six child-care programs: the Florida Sheriffs Boys

Ranch, Youth Villa, Youth Ranch/Safety Harbor, Youth Ranch-Bradenton/Sarasota, Youth Camp, and Caruth Camp. Those who give \$100 or more receive a Builder Certificate, and their names and pictures are printed in *The Rancher*. Those who give \$1,000 or more receive Lifetime Honorary Membership in the Florida Sheriffs Association, and their names and pictures are printed in the *Sheriff's Star*, official publication of the Florida Sheriffs Association. A large wall plaque is awarded to each Lifetime Honorary Member, and gold stars are added when that person's total gifts reach \$5,000 (one star); \$10,000 (two stars); \$15,000 (three stars); \$20,000 (four stars); and \$25,000 (five stars). For gifts of \$50,000 or more, there is the Golden Star Award. Donors of \$100,000 or more receive the Grand Star Award.

## About your estate planning

Many of our friends have thoughtfully made provision in their estate planning for our boys and girls. If you are considering a gift of this nature or if you would just like to know more about the many and varied opportunities for sharing, we can help. At your invitation, it would be our privilege and pleasure to visit you in your home. If you prefer, you are welcome to visit us or we can furnish information by mail or telephone, whatever is most practical and convenient.

*For information, simply fill out the coupon below and mail it in the postage-paid envelope found elsewhere in this magazine.*

# "I feel the Ranch has saved another child's future."

The following letter to the editor of the *St. Petersburg Times* was written by the grandmother of a young man who formerly lived at the Florida Sheriffs Youth Ranch in Safety Harbor. He is now living independently after graduating from Countryside High School, and is attending St. Petersburg Junior College. A scholarship provided by a member of the Youth Ranch/Safety Harbor Board of Associates is helping to defray the cost of his education, but he is also working part-time to help with his living expenses. We are proud to add this admirable young man to our honor roll of Youth Ranches achievers.

Dear Editor:

I would like to take this opportunity to express my gratitude to the Florida Sheriffs Youth Ranches, particularly to the wonderful, dedicated people at the Safety Harbor Ranch.

Three-and-one-half years ago my grandson was accepted into the Safety Harbor facility. He was an out-of-control teen. The first five years of his life were extremely difficult. His parents divorced.

To save this beautiful child from foster care, I took him into my home and loved him as my own son. Unfortunately, the scars of his earlier years and the continued lack of love and concern from his parents remained deep within this boy.

He attended an excellent private school where he was looked after until I returned from work. He was involved in seasonal sports, piano lessons, tennis instruction and all the cultural events I could manage.

He was a difficult child, very strong-willed; but life

went fairly well until he was about 11 years old. He then became very disobedient, angry, and verbally abusive. His school grades fell, and he continually lied for no apparent reason.

We both went to counseling. There was no improvement. I was no longer able to control this child. I knew he needed 24-hour supervision and good male role models in his life. It was apparent the future would be extremely grim for him, if something wasn't done soon.

After much effort and an endless amount of time, he was accepted in the Safety Harbor Ranch. I feel the Ranch has saved another child's future. I am quite sure he would not have graduated from high school and would probably have gotten into some serious trouble had he remained on the destructive course.

With the excellent care, concern and guidance of all these dedicated people and the generosity of the Ranch's benefactors, this boy is on the right track. He will attend college in the fall and plans to major in architecture and psychology. The Ranch will continue to assist him with a scholarship for school and housing expenses, provided he does his part with his studies and works part-time. I am confident he will be a credit to all and someday he will find a way to pay back to the Ranch for all he received.

It is so sad that such a limited number of boys and girls can be helped at the Ranches. The kind, but firm approach is what it takes to save these poor, innocent children of circumstances beyond their control. Not only do the children become happy, productive citizens, but the community is saved from out-of-control youths who eventually become adult criminals who are destroying our society.

I thank Florida Sheriffs Youth Ranches again and will continue to do so as long as I live. They are a truly kind and dedicated group of outstanding human beings.

— A Thankful Grandmother

## Excellence in Education Foundation Enhances Rancher Opportunities

**I**n a continuing effort to link the schools, community and business firms together, the **Suwannee Foundation for Excellence in Education, Inc. (SFEE)**, has awarded the Florida Sheriffs Boys Ranch Learning Center a mini-grant to upgrade its computer system.

The much needed funds provided a CD-ROM machine with multimedia speakers as well as software that includes biographies, encyclopedias, an atlas, historical information, and many more reference tools.

Boys Ranch Director of Education Keith Stavig, who was formerly an SFEE board member, reports that the new programs have definitely enhanced the learning process. He said they are primarily used in the Social Studies classes but have many different applications within the system.

Mr. Stavig expressed his deep appreciation to the Foundation for its continuing assistance with

educational programs located on the Ranch. Further, he noted that Mr. Stan Posey, President of the Foundation, and Board Member Mary Ellen Eckhoff have been very helpful in their support of the Boys Ranch.

Twenty boys are currently enrolled in the specialized Learning Center program. Through the unique opportunities provided by this equipment, many will be able to accelerate their education and return to their appropriate grades in the public school system.
