## President's Perspective

A message from C. T. O'Donnell II,  
President of the Florida Sheriffs  
Youth Ranches

---

---

Picture where you would like to be in the year 2000! That was the challenge in creating "VISION 2000," the Strategic Plan for the Florida Sheriffs Youth Ranches. Planning for the long-term, best interests of so many boys, girls, and families takes great courage and energy in a world that is ever changing. Once the Board of Directors affirmed the Mission, they focused on Vision. They asked donors, Sheriffs, and other interested citizens of Florida to help create this vision and shape future efforts to prevent juvenile delinquency.

What emerged was the Vision of a healthy, growing organization helping boys and girls throughout the entire state of Florida. A Vision where we earn daily the reputation of "Florida's premier, non-profit, child and family agency."

Working together, we will reach this dream.

In 1957, two Sheriffs created the vision of a safe place where needy, neglected or abused boys could become productive young men. A few years later, their vision became a reality because it was shared by thousands of caring and generous Floridians.

Today, your individual support is vital to this ongoing work at each of our six program sites and in communities throughout the state. We strive to save the at-risk boys and girls from a life of crime and delinquency, and to keep our citizens safe.

I am proud to share our Vision and ask that you renew your commitment to these youngsters who so desperately need a helping hand. Thanks for caring!

*C. T. O'Donnell II*

*We invite you to join us for the celebration of our 40th Anniversary at the Boys Ranch on October 3,4,5, 1997. We look forward to seeing you there!*

# A Golden (Orange?) Opportunity

**"I** know Danny won't let anyone down, especially himself. Danny has matured. He has good problem solving skills and is making good, sound decisions about his life and his future." Mr. Vance Timmons, Danny's Family Teacher at Saunders Cottage, is especially proud of this graduating senior. When Danny arrived at the Boys Ranch almost three years ago, he had no self-confidence, no ambition, and no discipline. Even Danny himself says, "Without the Boys Ranch, I know I would be in jail or dead. I was just barely hanging in there; I wouldn't have finished school."

In just three short years, Danny has turned his life around. Once a potential dropout, he now is on the A/B Honor Roll and has earned a Youth Ranches Scholarship to help with college expenses. The young man, who once lacked discipline and initiative, has taken control of his life. He knows that he alone is responsible for his future; and what a bright future it is!

Danny excelled in the on-campus work program at the Boys Ranch. The structured environment and vocational skills he learned have helped him develop a strong work ethic and eagerness to succeed. These qualities landed him a job at the Youth Ranches Opportunity Store in Live Oak.

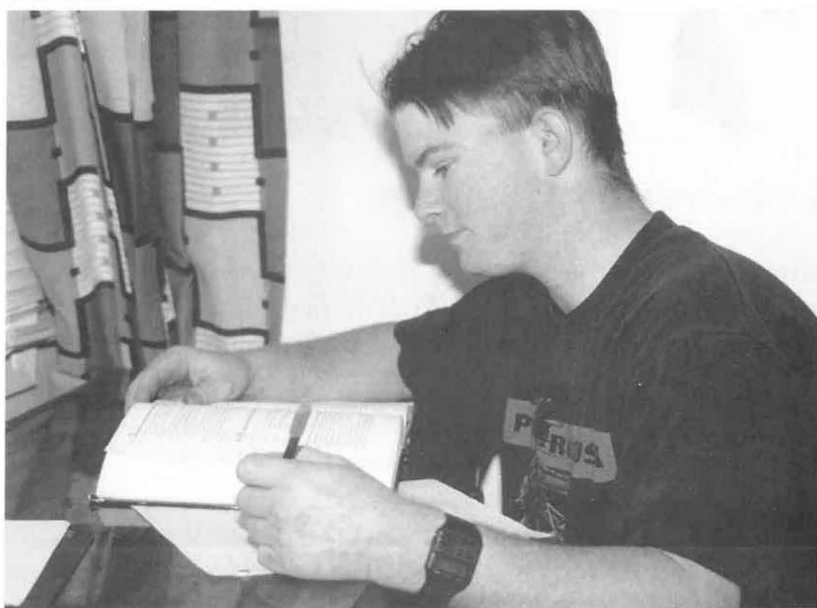

Today Danny's love for the outdoors and Florida's unique citrus industry have led him to another wonderful job opportunity. When Danny graduates in June, he will begin working on a 300 acre citrus grove. Learning about the citrus industry will keep Danny very busy. Knowing how important it is to continue his

**Hard work, dedication, guidance from caring Family Teachers, and the generosity of our donors have changed this young man from a potential dropout to an Honor Roll student with a bright future.**

Danny's love of the outdoors and Florida's unique citrus industry have led him to a wonderful job opportunity. He is looking forward to moving out on his own and continuing his education.

education, Danny also plans to take agriculture courses at a nearby community college.

The young men at the Boys Ranch learn proper values, to be law-abiding citizens, and to plan for the future. Danny has proven himself to be a responsible young man. He has saved enough money to buy a truck and plans to get a puppy for companionship when he makes the transition from living with his "family" at the Boys Ranch to living by himself. This young man has taken the opportunity provided him by the generous donors of the Florida Sheriffs Youth Ranches and turned his life around. Now, he is taking advantage of a wonderful work opportunity. There is no doubt Danny is well on his way to leading a productive, law-abiding life.

**Mr. Vance Timmons and Danny have developed a lasting friendship. The loving guidance of the Family Teachers and others at the Boys Ranch provided an environment in which Danny thrived and was motivated to strive for his best.**

## Community Cleanup

The youngsters participating in the Early Delinquency Intervention Program (EDIP II) at the Florida Sheriffs Youth Ranch/Safety Harbor have been busy sprucing up the community. The EDIP II program is a partnership between the Florida Sheriffs Youth Ranches, Daniel Memorial Inc., and the Florida Department of Juvenile Justice.

The EDIP II youngsters are participating in the Pinellas County "Adopt a Mile" litter control program. The youth regularly clean up one mile of

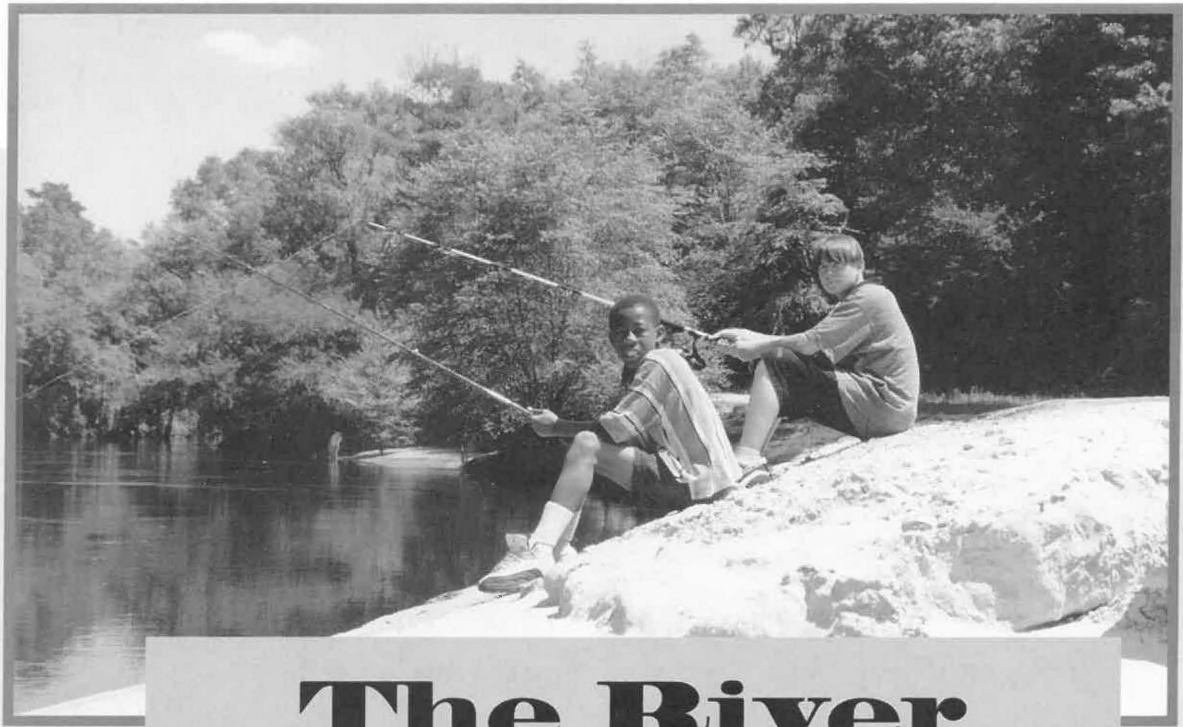

roadway along McMullen-Booth Road. The youth are also learning the value of giving back to the community. Another project of these energetic youth, is helping keep the community free of unattractive graffiti painted along roadways. The youngsters spend their Saturdays painting over unsightly words and symbols to help keep their community clean and attractive.

# Puppies!

*A* litter of cute and cuddly puppies in need of good loving homes received a helping hand from some of our boys and girls. The children were able to help each of the four puppies find someone to love. The children enjoyed the opportunity to care for the puppies and help find them appropriate homes.

Two friends spending time together on the banks of the Suwannee River.

## The River

Randy helps Rico cast his line into the river.

Since 1957 many boys have called the Florida Sheriffs Boys Ranch "home"; some arrived with heavy hearts, some with problems too great for one so young to bear, and others who simply had no place else to live. At one time or another, most, if not all, have taken time to sit on the peaceful banks of the serene Suwannee River. It is a very thoughtful place; the only sounds are those of the songbirds happily singing, the wind in the ancient oaks, and perhaps a fish leaping from the cool waters. Many friendships start here and continue throughout the years. Boys with common problems share time together healing wounds of a troubled past and looking forward to brighter futures.

During the hot, humid days of summer, fishing is a favorite activity of the boys at the Boys Ranch. The river is a picture perfect place for a young boy to cast a line in the hopes of catching a few fish to proudly carry back to his cottage. Under the guidance of the caring Family Teachers, the boys are taught the basics of fishing: how to thread the line, attach a hook and some bait, cast, and perhaps reel in the big one! The boys also learn lessons on conservation, how to identify what type of fish they catch, which are legal to keep, and which ones must be carefully released back into the water.

So whether in 1957 or 1997, for forty years the majestic Suwannee River has helped heal troubled lives and brought about boyhood joy.

## A Message from Youth Ranches Vice President Financial Development

**William W. Yarick**

During this time of year, we celebrate several very special days... V-E Day... Mother's Day... Armed Forces Day... Memorial Day... D-Day... Flag Day... Father's Day... and our nation's birthday, the 4th of July. These days and others throughout the year have special meaning, some more than others, to each of us.

These holidays help remind us of achievements and tragedies in American history... instill traditional family values and patriotism... and build appreciation for the freedom we enjoy in our country.

Someone has said, "days become weeks; weeks, months; months, years; years a lifetime." Some 25 years ago, we taught our children a poem conveying a simple truth about life. As memory serves, the poem goes like so:

"Now isn't it strange, that  
princes and kings and clowns  
that caper in sawdust rings,  
and common folk like you and

me... to each is given a bag of tools... a shapeless mass... a book of rules and each must make ere life has flown, a stumbling block or stepping stone."

As the Florida Sheriffs Youth Ranches looks forward to celebrating our 40th Anniversary this October, please consider an Anniversary gift in honor of those who have helped our youngsters find a stepping stone. We are eternally grateful to all who continue to invest in the lives of boys and girls, who on their way to adulthood, pass through our gates and learn of these traditional values we hold so dear.

## "Tell Me...Why Should I Give My Money to the Youth Ranches?"

"I'm a better person because of this," plainly said a sixth grader named Jordan. "We learned that cooperation, communication, and concentration are the first things you should think about before you say anything." Reflecting on his experiences in "Project Harmony," Jordan's words ring true for over 1200 students who learned how to reduce violence and conflict with their peers at the Florida Sheriffs Youth Camp.

By utilizing the summer camping facility year-round, more boys and girls benefit from the delinquency prevention services of the Youth Ranches. However, with the increase in services, there emerged a critical need for more physical space in the administration building. Every logical office space was already committed to the Summer Camping Program, Family Services Social Workers, Nurse's Office, and other necessary staff.

Believing in doing more with less, the Youth Camp doubled-up, shared space, and converted a small conference area into a work area to meet the growing needs of the children at the camp. Then, unexpectedly, a blessing walked right in the front door of the Youth Ranch/Safety Harbor.

"Tell me why should I give my money to the Youth Ranches," the gentleman asked in earnest. "Well, I'm glad you asked," responded Senior Development Officer Mac Stones,

Volusia County Sheriff Bob Vogel joined Wayne and Elli Jensen and their family as they broke ground for the much needed Wayne and Elli Jensen Administration Building.

Twelve year old Jordan offers his thanks, sharing the lessons he learned at PROJECT HARMONY with those gathered together at the Youth Camp Open House.

and he shared who the Youth Ranches is and what they do. Straight forward and direct, the donor inquired, "What are some of your greatest needs?" The challenging conditions at the Youth Camp came quickly to Mr. Stones' mind. Following a visit to the campus, Mr. Jensen made a firm commitment to help young boys and girls learn and grow at the Florida Sheriffs Youth Camp. He generously agreed to fund the Wayne and Elli Jensen Administration Building. Surrounded by his family at the groundbreaking ceremony, Mr. Jensen heard from youth like Jordan and saw firsthand the tremendous impact the Youth Camp and Project Harmony can have on the fragile youth of our state. Certainly, the generosity of his gift will bless deserving boys and girls for years to come!

### Project Harmony Gains Second National Award!

On the heels of winning the MultiCultural Diversity Award from the National Association of Counties, the Florida Sheriffs Youth Ranches received word Project Harmony would be the recipient of a second national award. Given by the American Camping Foundation, this tremendously successful program received the Eleanor P. Eells Award of Program Excellence. Bill Frye, (L) President of the Southeast Chapter of the American Camping Association and Director of Camping Services for the Florida Sheriffs Youth Ranches, presents the award to Youth Camp Director Phil Shults.

# SUMMER CAMP 1997

Summer is here! The campsites at the Youth Camp in Barberville have been prepared for the eager, young campers. Hurting boys and girls will enjoy many activities designed especially for them. There is a "Challenge Course" de-

signed to teach youth teamwork and encourage imaginations to solve various problems facing the group. The youth will also practice teamwork paddling a canoe across the still waters of the lake. Some youngsters will experience the thrill of riding a horse for the first time. Others will enjoy the cool waters of the swimming pool on a hot summer afternoon.

Since 1981, our generous donor family has made it possible for over 5,500 hurting and troubled youngsters to attend summer camp. Young boys and girls spend 5 days with caring counselors and dedicated Deputy Sheriffs, who help them begin the healing of wounds from abuse, neglect, and other

problems. Many of the youth who attend camp carry scars from broken homes and broken dreams. These youngsters have little hope in life and need a guiding hand and loving support.

Summer camp is designed to enhance self-esteem, strengthen peer relationships, and build self-confidence. It also gives these unfortunate boys and girls a chance in which to be carefree, enjoy life, and learn there is hope; they can follow a path to a better and brighter future.

Please help the hurting, troubled and neglected children around the state have the opportunity to attend the Youth Ranches summer camping program. With your generosity, deserving children can stop hurting and start healing. Please remember our boys and girls and sponsor a child at summer camp. Thank you for your love, compassion, and continued generosity.

# Dunedin Opportunity Store Hosts Customer Appreciation Day

Youth Ranches supporters take advantage of the great bargains at the Dunedin Opportunity Store.

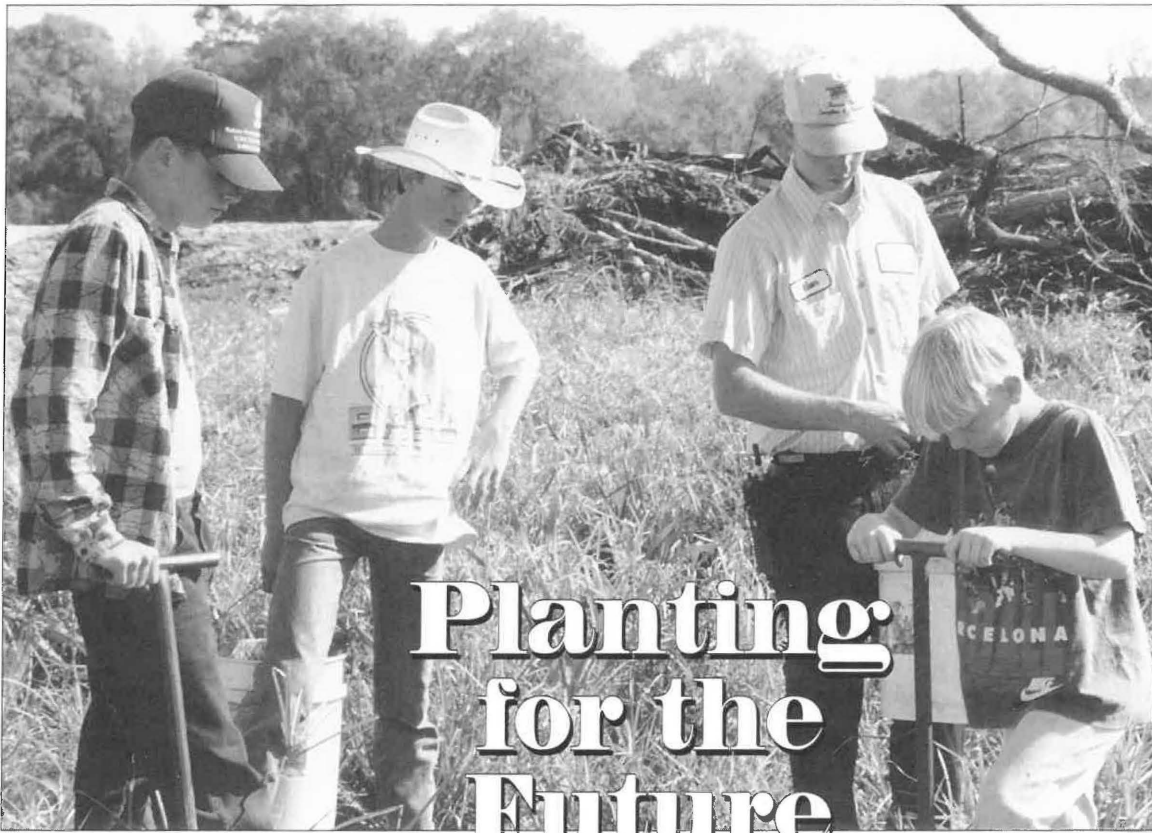

Brandi, Stephanie, and Erick volunteered to help make the busy day a great success!

The Dunedin Opportunity Store held its first Customer Appreciation Day on March 22, 1997. The fun-filled day was enjoyed by many supporters and friends. Volunteers and children from the Youth Ranch/ Safety Harbor were on hand to assist the large crowd with purchases, free T-shirts, and a great give-away of door prizes. The Pinellas County Sheriff's Office provided entertainment including: a monster truck, a classic 1961 Plymouth Fury police car, and a K-9 dog. Thanks to many fine folks the day was a great success!

## Planting for the Future

**Rancher Brian carefully sets the young seedlings on the ground where Robby will plant them.**

**A**t the Florida Sheriffs Youth Ranches, we have a long-term investment in children. We teach them a strong work ethic, traditional values, and help them plan for the future. We make sure our children have the skills necessary to lead productive, law-abiding lives, and make a positive contribution to the community.

At the Boys Ranch, many acres of planted pine trees offer valuable lessons including forestry management, wildlife conservation, and planning for the future. The mature pine trees provide a habitat for wildlife, prevent erosion, and provide a future income for the Florida Sheriffs Youth Ranches.

Most of the pine trees are planted by tractor in long rows. However, small areas are planted by the young men who participate in the farm work program. The boys work in teams of two. One places the trees on the ground where they should be planted, and the other walks behind with a tool designed to make planting quick and easy. Together the Ranchers plant the young seedlings in the ground. As the day of work ends, a youngster can survey the land seeing the fruits of his labor. Looking upward he can also appreciate those who came before him and planted the pines which will help provide for his future.

## A Great Day for Flying!

The sun was warm, the sky was blue, and the breeze was balmy. It was a perfect day for flying – flying radio-controlled model airplanes, that is! For the young men of the Florida Sheriffs Youth Ranch-Bradenton/Sarasota, it was not only a great day to watch the Manatee County Radio Controllers fly model airplanes; it was also a wonderful opportunity to make new friends and learn an exciting and worthwhile hobby.

## A Delicious Success!

Chief Deputy Jim Davis helped carry barbecue dinners to the table where a group of senior citizens had gathered to enjoy the afternoon.

Just before the serving line opened, the American flag was presented and hundreds joined in the Pledge of Allegiance.

Indian River County Sheriff Gary Wheeler presents a check in the amount of \$18,000 to Youth Ranches President C.T. O'Donnell. Sheriff Wheeler was quick to praise the hard work of all the volunteers who made this gift possible.

Sheriff Gary Wheeler put forth the call for support and the Indian River community responded by the thousands. In keeping with tradition, Sheriff Wheeler and the Indian River Sheriffs

Office hosted the Third Annual Florida Sheriffs Youth Ranches Barbecue. They received overwhelming support from Corporate Sponsors, Helping Hand Sponsors, Individual Sponsors, and the general public.

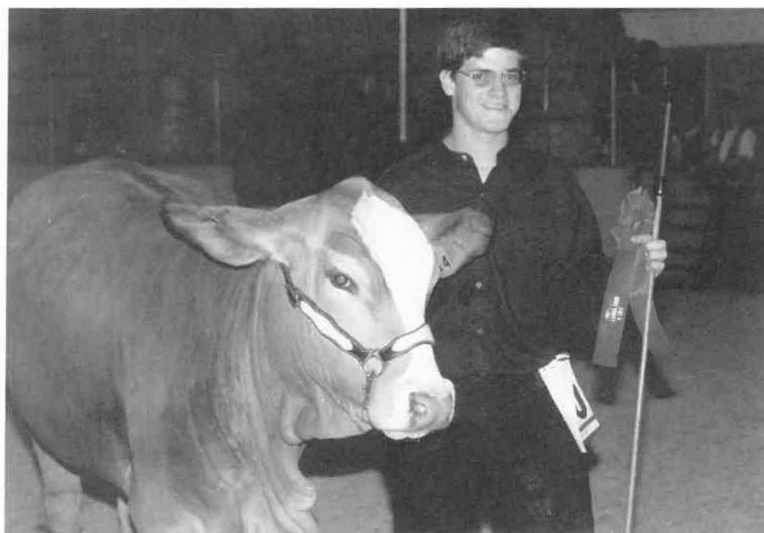

Many different Law Enforcement Agencies also joined in the festive event by providing special demonstrations and other exciting information about their role in the community. Many dedicated volunteers made the day very successful as over \$18,000 was raised for the boys and girls at the Florida Sheriffs Youth Ranches.

## Jaime's a Winner!

The smile on his face says it all! If you read the Spring 1997 issue of *The Rancher* you will recognize the young man pictured here. Jaime raised and trained two heifers to show at the 4-H Spring Livestock Show at the Suwannee County Fair. The proud, beaming smile might reveal he won with both of his heifers! "Baby" a Simbrah-Brahford cross won second place in the crossbred heifer's class and "Snow White" won first place in the Charolais class!

Jaime worked diligently with his heifers for many months. His hard work paid off handsomely.

As you can see from his smile, Jaime is one happy young man who is proud of his accomplishments at the Florida Sheriffs Boys Ranch. You can bet those ribbons will be proudly displayed in his room!

## Welcome to the Boys Ranch, Snow Ball!

(L to R) Glades County Sheriff James Rider; Roy Williams, Florida Game and Fish Commission; Sgt. Herb Collier, Glades County Sheriff's Office, and Snow Ball prepare for the ride to the Boys Ranch.

When Florida Game and Fresh Water Fish Commission officers in Glades County confiscated a beautiful gray Arabian horse, they called upon the Sheriff's Office for assistance. The mare had been neglected and was due to foal in a few months. Sgt. Herb Collier, of the Glades County Sheriff's Office, took it upon himself to care for the mare, which he named "Snow Ball,"

until a suitable home could be found. Glades County Sheriff James Rider contacted the Florida Sheriffs Boys Ranch near Live Oak. Sheriff Rider knew Snow Ball would have a good home, be well cared for, and give young boys the opportunity to learn horsemanship skills. The boys were excited at the arrival of Snow Ball and are looking forward to seeing the newborn foal.

## Mobile Missionaries lend a helping hand

The MMAPers (Mobile Missionary Assistance Program) are volunteers from around the country who travel to help others in need of their skills. The Youth Ranches has been blessed by this group for many, many years. The retirees have assisted with cottage renovations, office expansion, clerical duties, and the list goes on and on.

In an effort to provide a safer place for the boys at the farm to work with their animals and prepare for the 4-H Livestock Show, the MMAPers have built a new livestock barn. It will accommodate more animals and allow more boys the opportunity to learn hard work, selflessness, and sacrifice in raising and training animals.

We cannot thank the MMAPers enough for the work they do to help touch the lives of Florida's neglected, troubled, and abused children.

# Florida Sheriffs Youth Ranches 40th Anniversary

Please join us on October 3, 4, and 5, 1997,  
for our Annual Boys Ranch Open House  
and Horse Show as we celebrate 40 years  
of helping Florida's children and families.

*Thanks for caring and sharing!*

(L-R) Hosts Maria and Erik Fahnoe welcomed special guests Boca Raton Police Chief and Mrs. Peter Petracco and Palm Beach County Sheriff and Mrs. Robert Neumann to the social event benefiting the Florida Sheriffs Youth Ranches.

Palm Beach County Sheriff Bob Neumann (L) joins Youth Ranches President C.T. O'Donnell as he accepts a generous grant from John O'Neal President of the Health Foundation of Southeast Florida. Youth Ranches Board Member Erik Fahnoe (R) was instrumental in bringing the Youth Ranches to the attention of the Foundation. As host of the evening event, he also provided the perfect setting for the prestigious presentation.

## Support from Southeast Florida Surging Forward

At the invitation of Boca Raton residents Mr. and Mrs. Erik Fahnoe, many special friends recently gathered together to learn more about the Florida Sheriffs Youth Ranches. Palm Beach County Sheriff Bob Neumann spoke warmly about his visit to the Boys Ranch, sharing his positive impression of the behavior and manners of the youngsters in care. Pledging his continued interest, the Sheriff noted the growing need in Southeast Florida for more services and support for the Florida Sheriffs Youth Ranches. Sheriff Neumann thanked Mr. Fahnoe for his leadership on the Youth Ranches Board of Directors and

his high level of commitment to the success of "Florida's Charity for Florida's Children."

The highlight of the evening was the announcement of a three year \$350,000 gift from the Health Foundation of Southeast Florida. Presented by Mr. John O'Neal, the gift will specifically support children from Southeast Florida who need the residential care provided by the Youth Ranches. The opportunity for this type of "CARE-SHIP" is available to any of our donors or corporations who wish to make a commitment to the ongoing, daily needs of deserving youngsters over a long period of time.

## Caring Couple Contributes to Caruth Camp

In Marion County, people have big hearts and helping hands. No one knows this better than Sheriff Ken Ergle. He has witnessed many generous citizens offer their support to the Florida Sheriffs Youth Ranches.

Recently, he had the opportunity to personally thank Mr. and Mrs. Cleveland Prescott for donating a brand new cargo trailer to the Caruth Camp. This gift is especially important as the camp is in the process of converting from a wilderness program to the highly successful Project Harmony Program. Plans also include expanding the summer camping program so more children will learn the camp theme, "Law Officers are Your Friends."

## Suwannee Success!

These four happy, young men who live at the Florida Sheriffs Boys Ranch were celebrating a recent sports victory. All four attend Suwannee County High School and are members of the track team. (L-R) Arthur competes in intermediate hurdles and distance; B.K. competes in shot-put and discus; Mon excels at the 100 and 200 yard dash; and Tommie competes in shot-put and discus. Congratulations to our boys and the Suwannee "Bull Dog" track team!

### Visitors Welcome!

This group of residents from the Waterman Village in Mount Dora recently visited the Youth Camp in Barberville. They were given a guided tour and even enjoyed lunch with some of the Volusia County middle school students who were participating in the very successful Project Harmony program. This program provides training to middle school children in conflict-resolution, cultural diversity, environmental awareness and group-building exercises.

“Mending Lives, Healing Hearts” is a pictorial book which spans the first 40-year history of the Florida Sheriffs Youth Ranches. The book is dedicated in loving memory of Clay County Sheriff John P. Hall, Sr., by his children Mr. John P. Hall, Jr., and Mrs. Dena Mae Lemen. Sheriff Hall served a record 36 years as Sheriff of Clay County. He was the first treasurer of the Florida Sheriffs Boys Ranch and an active supporter of the Youth Ranches during his entire lifetime. His children have chosen to further honor their father’s great citizenship and good works by underwriting the pictorial history of the Florida Sheriffs Youth Ranches. Any income derived from the sale of the publication will be placed in the John P. Hall, Sr., Memorial Endowment Fund to benefit troubled boys and girls served by the Youth Ranches.
