# A Fair To Remember

*Rancher Quason continues a Boys Ranch tradition by entering his steer in the Suwannee County Fair.*

To most of us, the three "Rs" represent reading, writing and arithmetic. But, at the Florida Sheriffs Youth Ranches, relationships, responsibility and respect are the key factors in building self-esteem and a successful future. Working with animals while training on the farm is just one important activity at the Boys Ranch which teaches youth proper values, a strong work ethic and helps build the positive relationships, responsibility and respect they need to succeed.

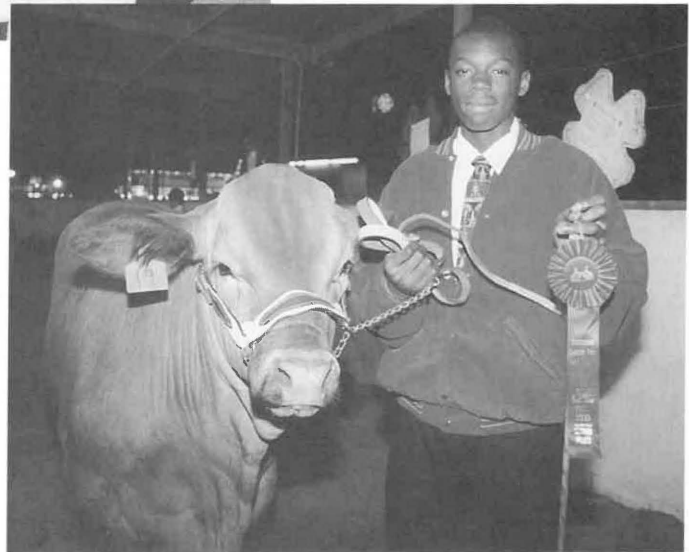

Over the years, with dedication and commitment, dozens of Ranchers have chosen to participate in the annual 4-H Spring Livestock Show at the Suwannee County Fair. By entering steer in the competition, youngsters gain valuable experience and have the opportunity to win awards for their hard work as well as earn a sense of pride that builds self-confidence and self-esteem.

"I enjoy working with animals," says Rancher

Quason. "I've learned some great lessons on the farm." This year, Quason received the 4-H Herdsman Award, given to the neatest and cleanest pen before and after the livestock show. It marked the first occasion a Rancher has won that honor. Congratulations, Quason, and thank you for making it a fair to remember.

**Rancher Quason developed a strong work ethic while building positive relationships, responsibility and respect for animals by raising a steer for competition in the Suwannee County Fair.**

## Getting The 'Recognition' He Deserves

*Boys Ranch resident Wesley Paul received recognition for turning his life around in a positive direction.*

Dealing with serious family issues while at the Boys Ranch, Wesley Paul has become highly responsible and has worked diligently at fostering positive relationships with adults, peers and siblings. School has become his main concern and focus. He was named to the fall Honor Roll, serves as a student council representative and plans to study for a career in computer science.

Congratulations, and job well done, Wesley Paul, on your wonderful progress and this prestigious award. The certificate was presented by Suwannee County Superintendent of Schools J. Wyman Harvard, Jr. (left) and Live Oak Police Chief Nolan McCloud (right).

# Weathering the Storm

*El Nino does not discriminate*

Now You See It,  
Now You Don't -  
Youth Ranches  
property was  
submerged due to  
torrential rains and  
storms brought on  
by a unique  
weather  
phenomenon  
called, El Nino.

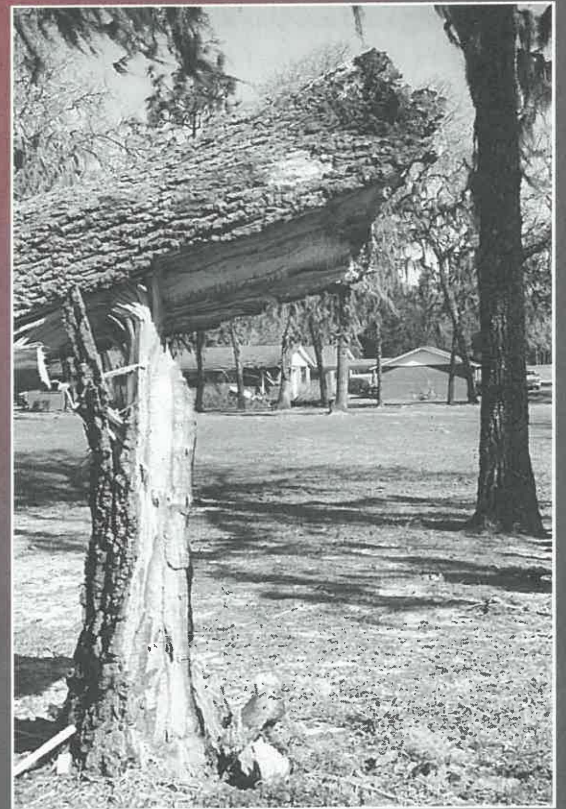

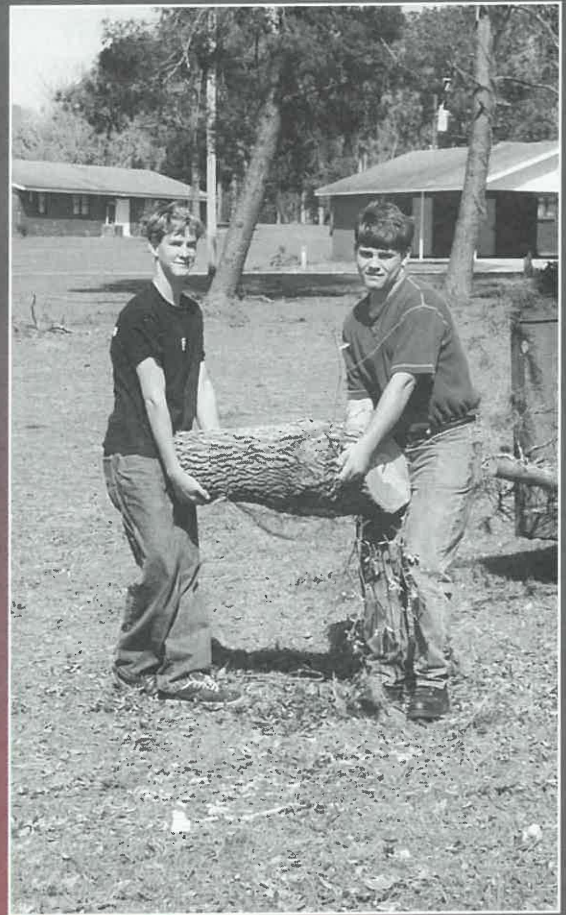

Unfortunately, the same bizarre weather patterns that have ravaged much of the nation, and the rest of the world, have also severely affected life at some of the Youth Ranches residential campuses. Flooding has been the main culprit. The Suwannee River remains many feet above flood stage, while the dock at the Youth Camp/Barberville remains underwater, swallowed by a lake usually used by campers for canoeing. Luckily, no one has been injured during the unpredictable storm season, but property damage is mounting.

"We have actually been lucky . . . it could have been a lot worse," says Youth Ranches President Harry K. Weaver. "I have confidence our donor family will respond quickly in this time of crisis with gifts to help make major repairs."

Along with severe flooding, high winds and heavy rains have also caused extensive damage to Youth Ranches properties. The roof on Merrill Cottage at the Boys Ranch was crushed when hurricane-force wind gusts downed trees throughout the campus. Fortunately, none of the boys were hurt when the pine smashed through their roof, but the fall has left a gaping hole and a pile of broken timber to repair.

"All of the boys have shown tremendous pride in the campus," says Mr. Weaver. "Everyone has pitched in with the clean-up effort . . . it has truly taken teamwork."

The Sky Was Falling -  
The Boys Ranch campus  
suffered the most severe  
damage due to falling  
debris and downed trees.  
Ranchers worked dili-  
gently to clean up their  
yards, but some major  
structural repairs must  
still be completed before  
life can return to normal.

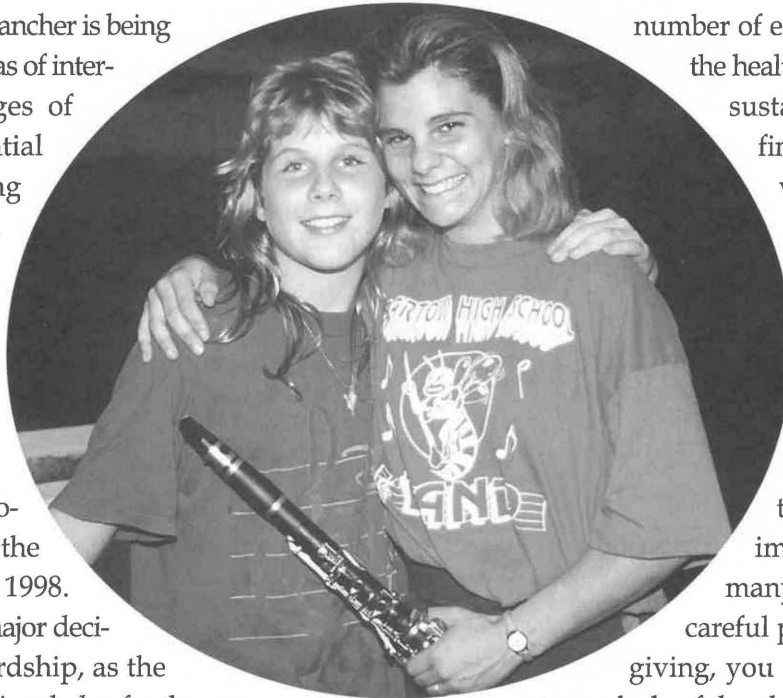

## A Message from Youth Ranches Vice President Financial Development

*William W. Yarick*

As this issue of *The Rancher* is being compiled, several key areas of interest are in various stages of progress. The Presidential Search Process is moving along quite well. As Mr. Weaver stated in the last issue "a committee has been appointed and a procedure for the search, screening and selection has begun."

We are also in the process of putting together the budget for Fiscal Year 1998. This is always a time of major decision-making and stewardship, as the budget reflects our operational plan for the year stated in dollars and cents.

Planning is an essential and important part of this process. We must project the many expenses involved in caring for hundreds of needy, neglected and troubled boys and girls. And we must faithfully earn the trust of those

who help provide for the youngsters in our care. Much like a family, we must work together, plan together and pray together.

During the past several months, the Florida Sheriffs Youth Ranches has been blessed to receive a number of estate-related gifts. Sadly, the health of these people failed to sustain their life, but careful financial planning has provided the opportunity for young boys and girls to build a meaningful and productive life.

You, too, can control, and direct, your own financial well being. How you handle this responsibility will impact your own life and many others, too! Through careful planning and thoughtful giving, you can help boys and girls toward a lawful and productive life.

If we can help in any aspect of gift planning, please let us know. As always, your interest in our work is deeply appreciated.

*William W. Yarick*

# MAKING THE RIGHT TURNS

For decades, the Florida Sheriffs Boys Ranch has taught misdirected youth to respect as well as value the benefits of a strong work ethic. In fact, most Youth Ranches boys and girls participate in after school activities, like team sports or service clubs, while also working diligently either on or off campus in various jobs throughout the community.

Rancher Arthur, along with daily schoolwork, senior activities and chores on the Boys Ranch farm, also works part-time for Publix Supermarkets, saving money for college and his future. Juggling so many responsibilities requires talent, intelligence and patience.

"The structure at the Boys Ranch helped me the most,"

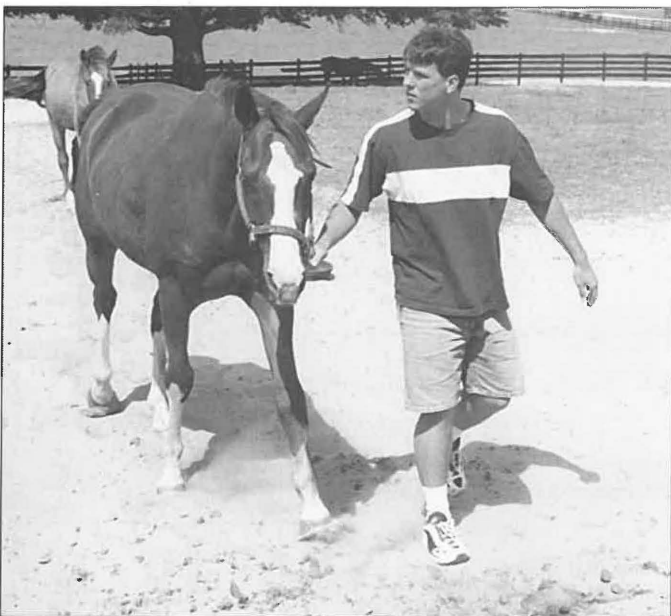

Driving Ahead! Rancher Arthur is proud of his many accomplishments while at the Ranch. He was able to purchase this used car through years of hard work, patience and diligent savings.

says Arthur. "I had to do certain things, like work and study. Now, I have really learned to love and enjoy them."

Working daily on the Boys Ranch farm allowed Arthur to raise his own steer, and taught him important lessons about business and responsibility. While most of his peers were spending money on clothes and music, Arthur was planning for the future. He was able to pool his savings for the purchase of a used Ford Taurus, personal transportation that allows him to

travel to and from work without difficulty. The car is a tribute to hard work as well as a reminder of his dedication and sacrifice.

In my mind, I have memories,  
of science fairs and spelling bees;  
Of Math and English and History,  
two plus two and three plus three.

In my mind, I have a thought,  
of teacher's words and what they taught;  
A schoolhouse where I learned a lot,  
like Shakespeare and Sir Lancelot.

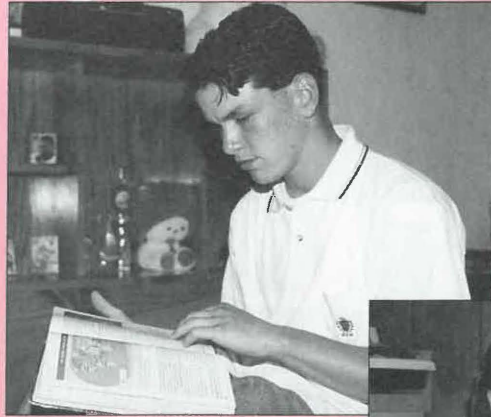

In my mind, I have a sight,  
of chalk and boards all dressed in white;  
A place that helped me see the light,  
to guide, to teach, to do what's right.

In my mind, I have a dream,  
to always play on the winning team;  
To use wisely all I've seen,  
and reach my goals with self-esteem.

In my mind, I have a fear,  
of falling back towards the rear;  
But I remember, I'm in the clear,  
my friends, my teachers, my peers are near.

In my mind, I take a peek,  
and plan for the coming weeks and weeks;  
Because, in my mind, I know wherever I look,  
in my mind, I can always read a book.

# Cooking Up Support

*The 4th Annual Indian River County Barbecue raises over \$20,000 for Youth Ranches boys and girls.*

Thanks to faithful volunteers, generous sponsors and enthusiastic community involvement, the Florida Sheriffs Youth Ranches annual barbecue, hosted by the Indian River County Sheriff's Office and Sheriff Gary Wheeler, has become a treasured tradition.

"Each year just gets better and better," says Indian River County Sheriff Gary Wheeler. "The enormous support and generosity we receive throughout this community is always amazing."

Numerous law enforcement agencies also participated in the festivities by providing special demonstrations and information regarding their roles within the community. Thanks goes out to the dedicated individuals who make this event such a scrumptious success each year.

## Showing Our 'Appreciation'

*The Youth Ranches Opportunity Store in Dunedin hosts its 2nd Annual Customer Appreciation Day.*

At the Florida Sheriffs Youth Ranches, we are thankful for the tremendous generosity of our donor family. We greatly appreciate their sacrifices and are committed to acknowledging their selfless contributions to the needy boys and girls of Florida. Customer appreciation days help us say "thank you" to those who support our Opportunity Stores and our children.

Rancher youth and staff showed their incredible 'appreciation' by volunteering their time and efforts to thank their local community.

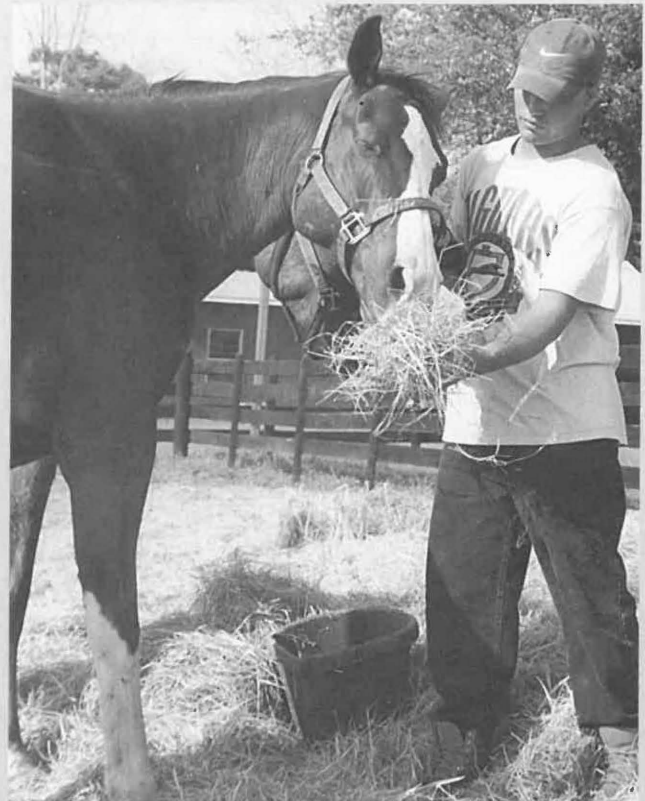

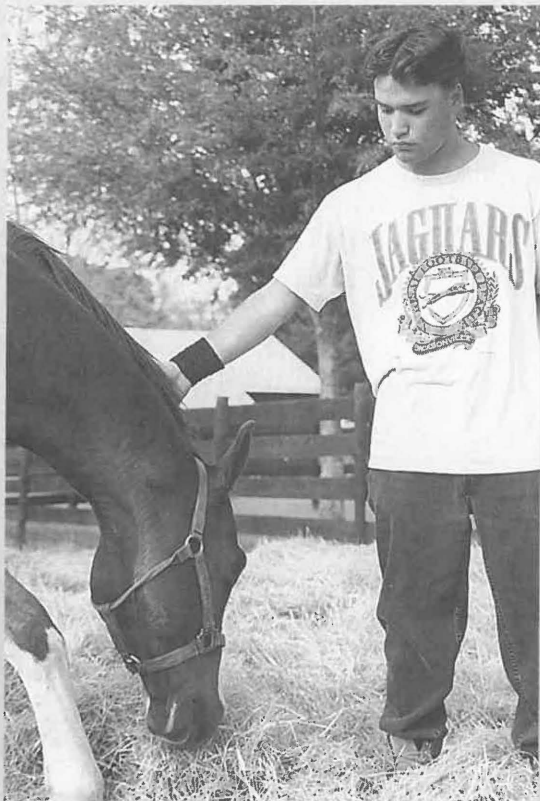

Special demonstrations by local law enforcement officers, complimentary refreshments, storewide sales on new and used merchandise as well as free

T-shirts and a special drawing are a sampling of the unique events patrons enjoy during the fantastic festivities each year.

# A River of Dreams

Reuniting and repairing broken families is a primary concern of the Florida Sheriffs Youth Ranches. Unfortunately, many needy youth are unable to return home due to unhealthy circumstances. These deserving boys and girls must find love, shelter and guidance in other places; these youngsters are cared for by "moms" and "pops"; these underprivileged kids live in cottages and call the Florida Sheriffs Youth Ranches home.

When Rancher Michael graduates from Suwannee High School in less than two years, he will have spent nearly a decade, almost half his life, in the loving care of the Youth Ranches. Michael entered the program at the Florida Sheriffs Caruth Camp (then a unique wilderness camping program) as a youngster in desperate need of guidance and special attention. It was at the camp, under those therapeutic conditions, he discovered his love of nature and learned the value of the environment.

**Then and Now:** Rancher Michael strikes a pose, recreating an image that was captured years ago when he first began his Youth Ranches journey at the Caruth Camp.

"I remember canoe trips at Caruth," says Michael. "The river was always peaceful and quiet . . . it always gave me time to think."

After a productive stay at the Caruth Camp, Michael graduated to the Boys Ranch located on the banks of the majestic Suwannee River. This comprehensive residential program offered grand new experiences and a healthy home environment to continue his growth and maturation. Michael even quickly discovered his primary passion while working on the farm.

"I love animals," says Michael. "Caring for them is special to me."

By feeding cows and bulls, and by mowing and clearing pastures, teens like Michael learn a proper work ethic, sense of responsibility and self-respect. Performing duties on the farm help youngsters develop in other areas of their life as well. Since joining the Boys Ranch, Michael has received many campus recognitions including the Agriculture, Most Improved and Best Worker Awards.

"I want to go to college and become a herpetologist," says Michael.

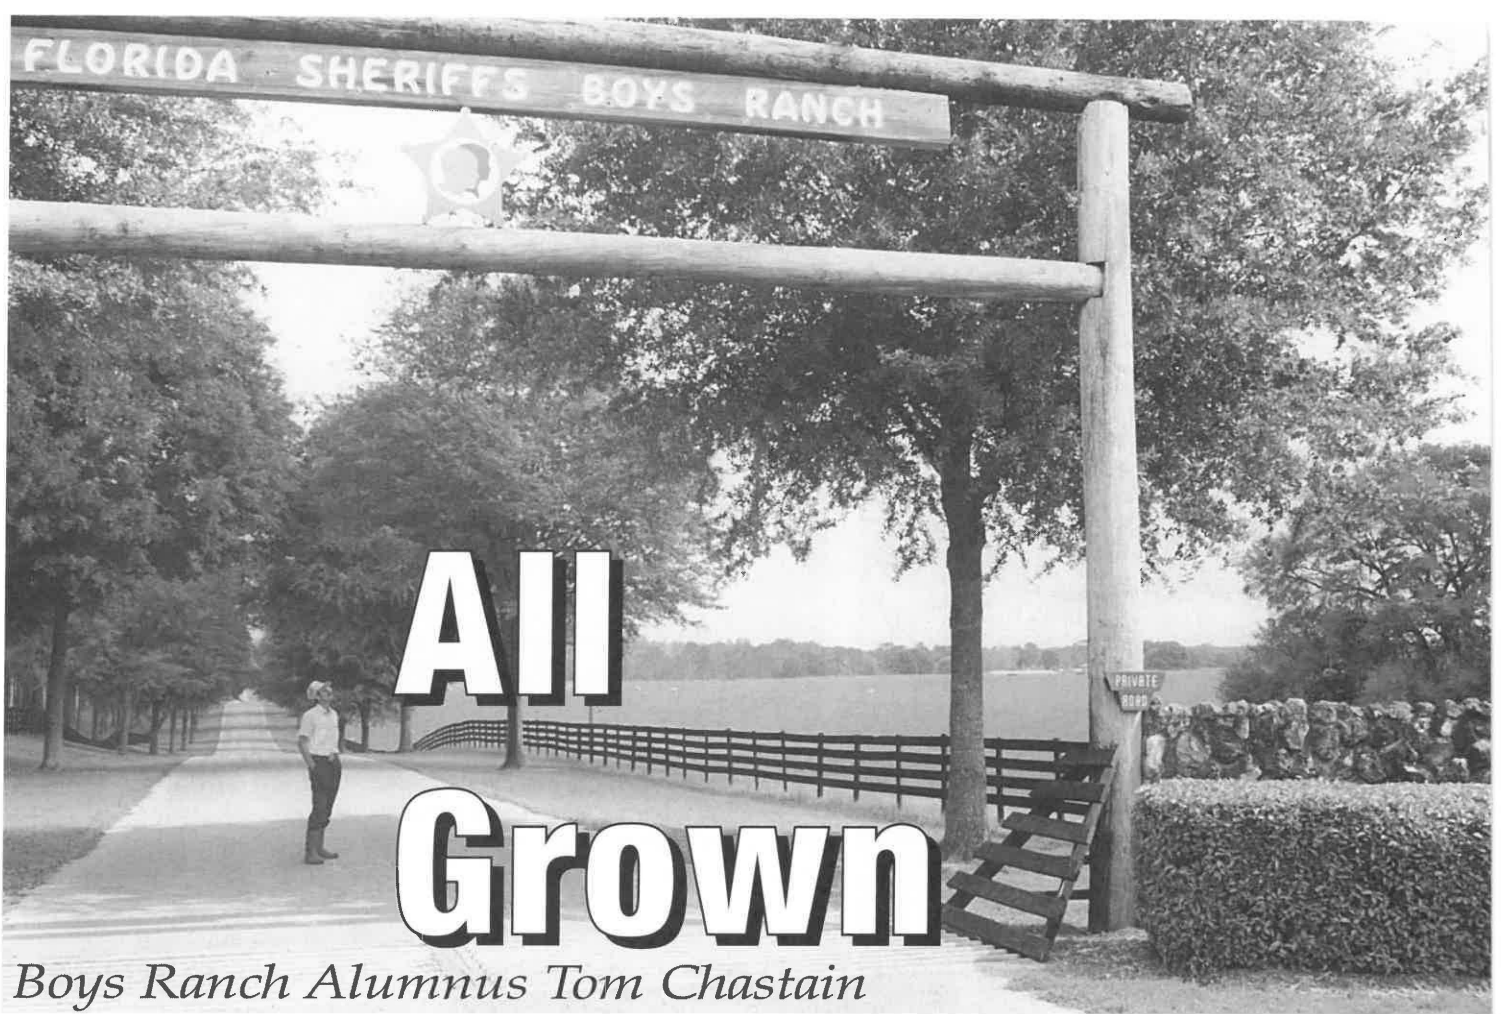

What's that, you ask?

"It's someone who studies reptiles and amphibians."

Michael openly admits if it were not for the Florida Sheriffs Youth Ranches, the Caruth Camp, the Boys Ranch and all the staff who have helped him expect more from himself, he would undoubtedly have landed in jail.

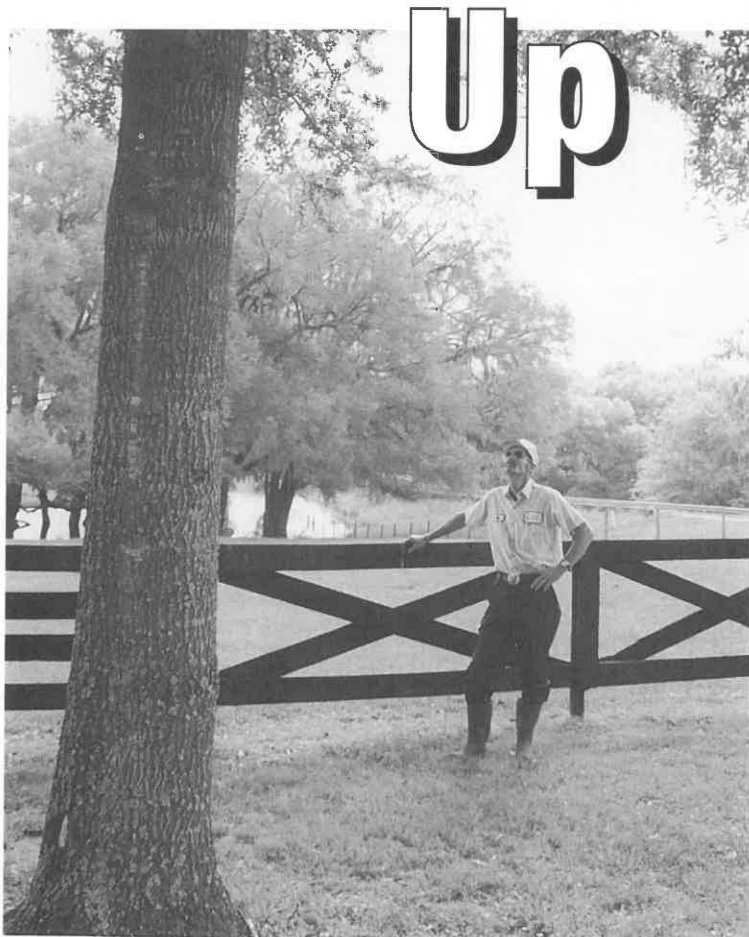

"Mr. Claffey helped me with my problems the most," Michael speaks of Steve Claffey, former Caruth Camp counselor and Boys Ranch Unit Director. "He is truly like a brother to me; he is my family."

Today, Michael is able to canoe a different river, a river of peace, satisfaction and promise; it is a river of dreams, a river of dreams come true.

# All Grown

*Boys Ranch Alumnus Tom Chastain*

# Up

“They’ve grown,” he says. “I remember when we planted those trees; they were no more than three feet tall . . . it brings back lots of memories.”

After 20 years, those same oak trees that line the archway and welcome family and friends to the Florida Sheriffs Boys Ranch, stand three and four stories, towering and watching over all of the needy, neglected boys who continue to seek shelter and guidance, as alumnus Tom Chastain (Conn Cottage '73-'79) did so many years ago.

Today, Tom has truly come home again. As the Boys Ranch newest Assistant Farm Manager, he has the unique opportunity to help influence and mold young lives.

“Everything I learned at the Ranch I use in my life today,” says Tom. “Honesty, integrity, hard work, church . . . to be there when family or friends need me, and most importantly, how to swallow my pride.”

After spending much of his childhood shuffling between nearly 20 foster and temporary homes, Tom credits the Boys Ranch and its extraordinary caregivers, some of whom remain today, with grounding

tage to safety.

Today, with a wife and two teenage children of his own, Tom continues to dedicate his life to his loved ones, his community and the boys who now look to him for guidance.

"Family comes first," says Tom. "I enjoy working with the boys, going to chapel on Sundays . . . bringing my family to service."

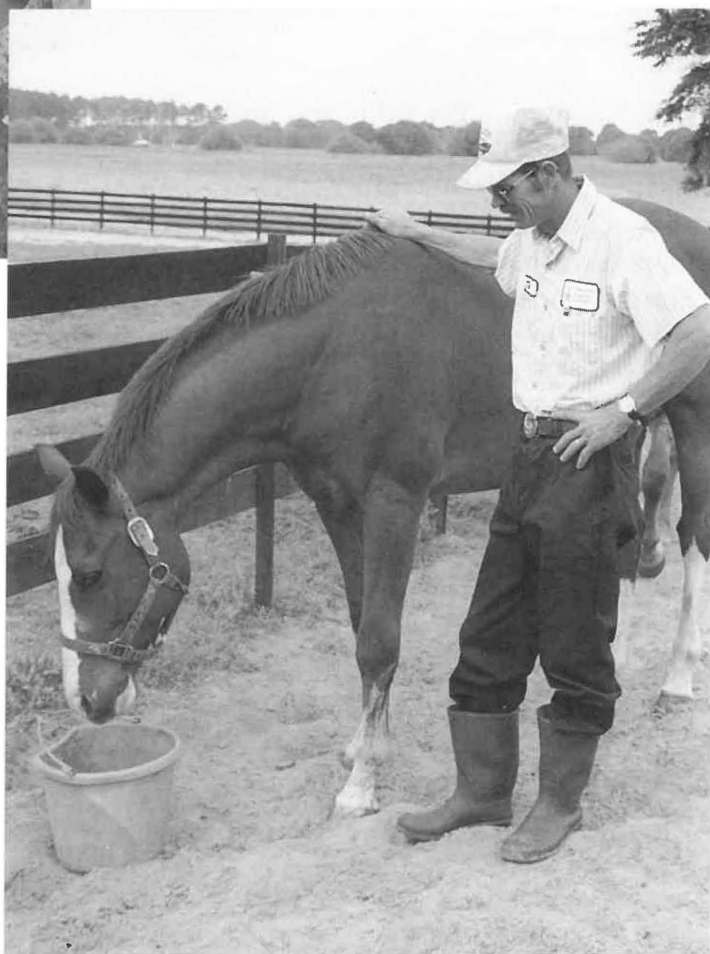

In his spare time, between feeding and doctoring various animals on the farm, devoting time to his family, and 24-hour-a-day duty at the Boys Ranch, Tom also enjoys singing and writing music. Through the years, he has even penned two special songs about the Boys Ranch. Tom continues to play piano at the chapel and dedicates time exposing the boys to music and the rewards of a well-rounded education.

The Boys Ranch is lucky to have such an inspirational alumnus back on campus. And, like his treasured trees, needy, neglected boys can rejoice that Tom Chastain is now all grown up.

his life and giving him the courage, wisdom and guidance to succeed. Many of the same activities today's troubled youth enjoy (horseback riding, camping, canoeing, ROTC and work program) helped Tom learn responsibility, set goals and gain trust.

"Lots of folks helped get me out of my shell," says Tom. "Being at the Ranch was the first time anyone ever asked me what I wanted; it was the first time anyone ever wanted my opinion, trusted my judgement and truly valued my own decisions . . . after all, everyone has to start making their own decisions sometime."

Perhaps it was Tom's maturity, quick-thinking and pure heroics which illustrates his own words best. When one of the worst fires in Boys Ranch history accidentally erupted in Conn Cottage by a forgotten candle, it was Tom who, through pillows of black smoke, checked each room in the house to make certain all of his housemates had woken and made it out of the cot-

# Breaking New Ground

*The Youth Ranch-Bradenton/Sarasota Annual Open House was highlighted by groundbreaking ceremonies for the Ruth Bell Learning Center.*

Teaching youth the value and importance of an education is one of the most vital lessons in guaranteeing a successful future. Nearly half of the youngsters who enter the Youth Ranches residential programs require specialized coursework, personal tutoring or another form of individualized instruction. Learning Centers were established on most Youth Ranches campuses to accommodate these special student needs. Boys and girls interact in a unique classroom environment, building social skills, peer relationships, and the ability to participate effectively in their respective grade levels.

Now, thanks to the generosity of the late Ruth Bell, a loyal Youth Ranches supporter during her lifetime, a new Learning Center will be built at the Youth Ranch-Bradenton/Sarasota and named in her honor. It will help future Ranchers improve their educations and redirect their lives.

"Miss Bell never married and often spoke of the Youth Ranches as her true 'family,'" says Dr. Bill Aust. "For her commitment and love, we will be forever grateful."

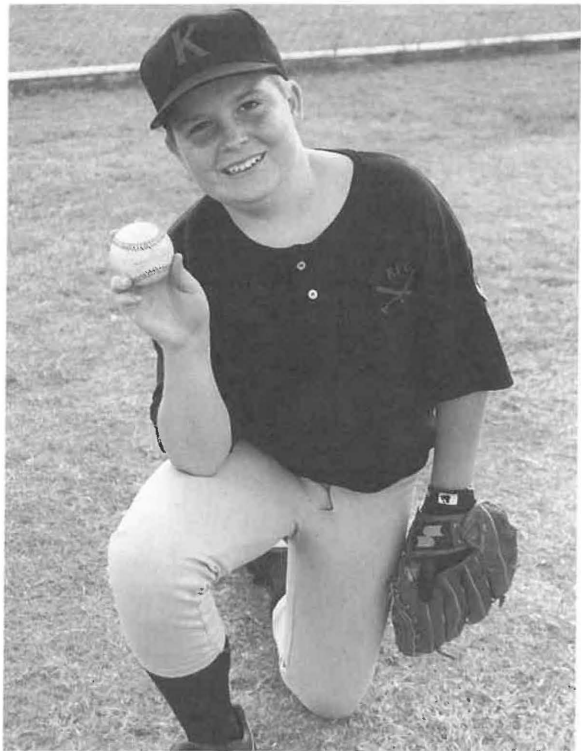

## My Special Home *by Jesse*

... when my mother went to live in heaven, my family fell apart. I found myself searching for a new home. My heart was broken and I needed help to put all the pieces back together again. Now, I live at the Florida Sheriffs Youth Ranch here in Bradenton. I live with seven friends who are like brothers to me. We take trips and play all kinds of sports.

I not only have a cottage "Mom" and "Pop," but other people who love me. Ms. Hazzard is a person I can go to for any of my special problems. I like to talk to her because she listens. Ms. Hazzard is a very close friend to me. I know my mother watches over me and that she is happy that I have found people who love and care for me. Some days are very tough, but I know I must go on. I also feel lucky that I have a teacher that is nice and caring.

So, if you ever have trouble making good decisions and need a home filled with love, the Florida Sheriffs Youth Ranches is the place to be, a place to be proud of. I am definitely proud of being at my special home.

# The American Dream

Baseball, America's favorite past-time.

A bat, a ball, nine on a side, ninety feet between bases. Abner Doubleday's invention over a century ago has become more than just a simple game of runs, hits and errors. Baseball has come to define our nation, inspire young dreams and challenge racial divide.

Youngsters around the world continue to chase Maris, DiMaggio, Aaron and Ruth. And, children of the Youth Ranches are no different. They hold the same dreams, the same desires and admire the same heroes that have made up the 20th Century.

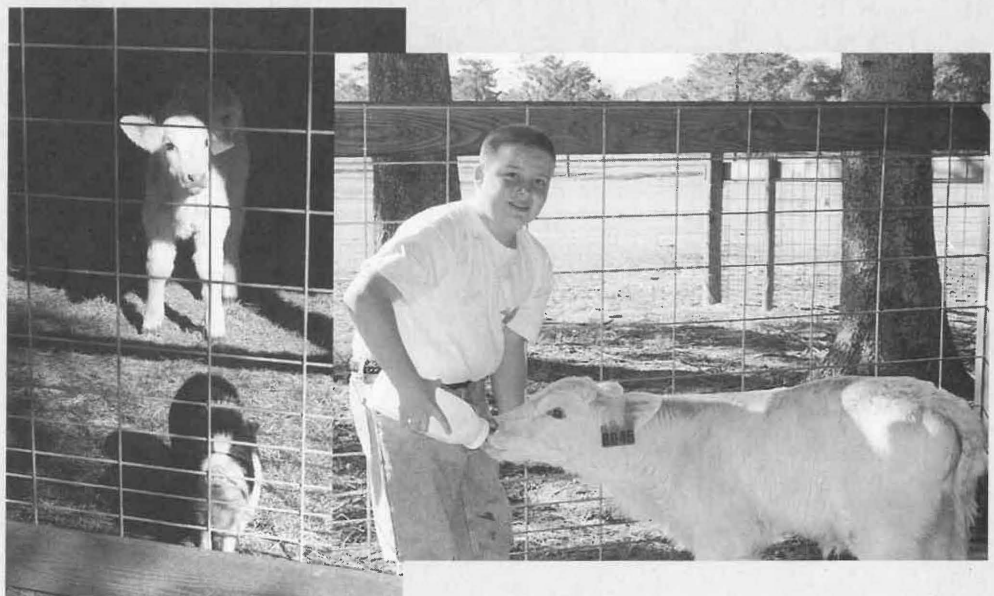

Rancher Adam may not remember Willie Mays or Jackie Robinson or the Bronx Bombers but their historic accomplishments live on in the minds and hearts of even today's little league players. Adam talks lively about his own favorite ballplayers.

By building teamwork, practicing with passion and setting goals both on and off the field, Ranchers like Adam can reach for and live the true American Dream.

## Leader of the Pack: Pig Plays Mother Goose

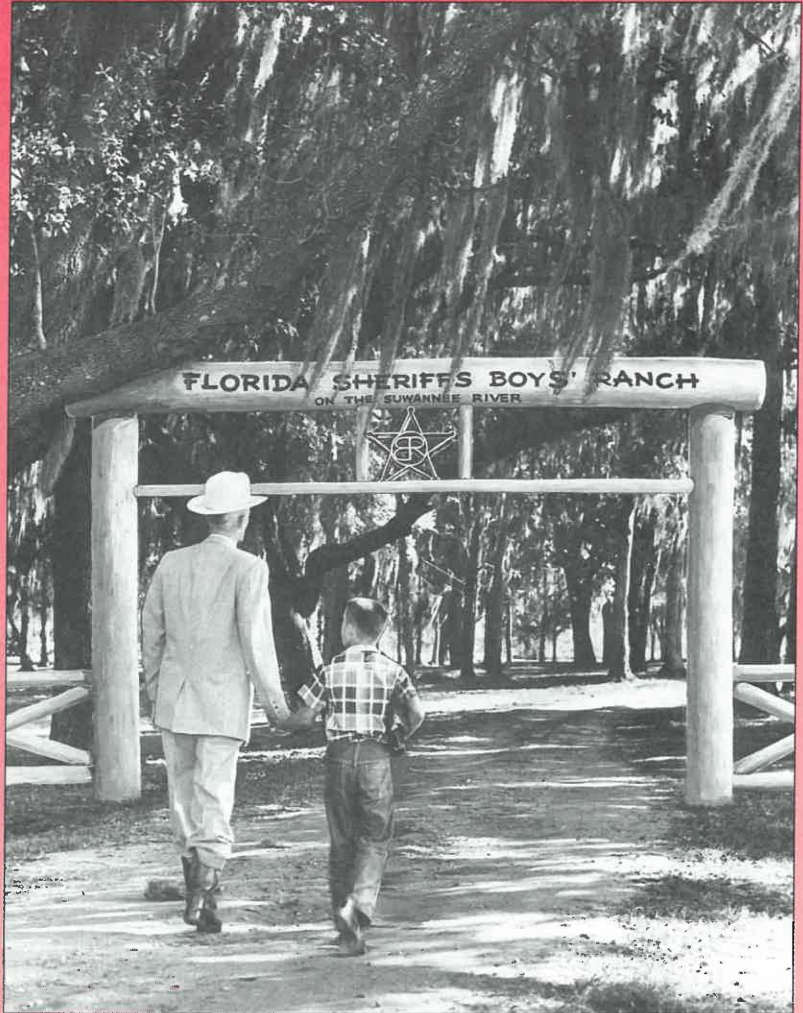

*A seeing-eye pig? You have to see it, to believe it!*

Rancher Adam takes time-out from baseball practice to feed a new calf that was recently born blind on the Boys Ranch farm. But, not to worry, the impaired calf has made many special friends, including a particularly paternal pig. The two now share a pen while the pig plays Mother Goose, watching over and guiding the calf around the farm.

“Mending Lives and Healing Hearts” is a pictorial book which spans the first 40-year history of the Florida Sheriffs Youth Ranches. The book is dedicated in loving memory of Clay County Sheriff John P. Hall, Sr., by his children Mr. John P. Hall, Jr., and Mrs. Dena Mae Lemen. Sheriff Hall served a record 36 years as Sheriff of Clay County. He was the first treasurer of the Florida Sheriffs Boys Ranch and an active supporter of the Youth Ranches during his entire lifetime. His children have chosen to further honor their father’s great citizenship and good works by underwriting the pictorial history of the Florida Sheriffs Youth Ranches. Any income derived from the sale of the publication will be placed in the John P. Hall, Sr., Memorial Endowment Fund to benefit troubled boys and girls served by the Youth Ranches.

# Cry Those Happy Tears

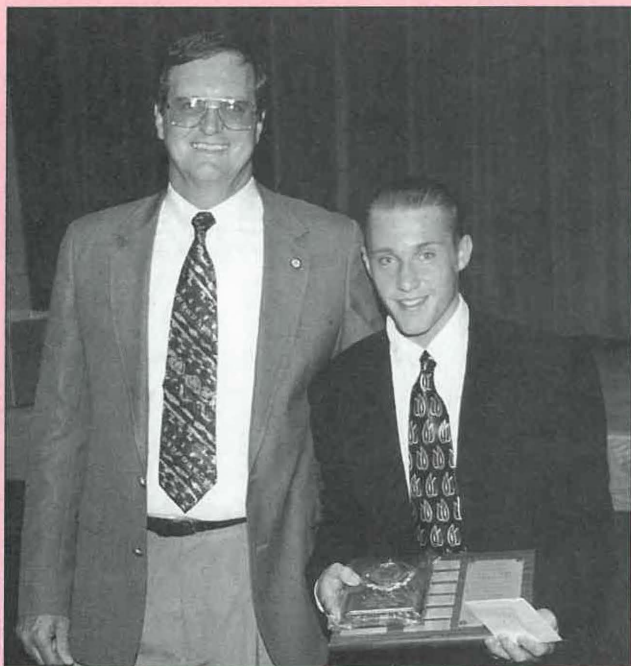

Ultimately, the Florida Sheriffs Youth Ranches attempts to reunite broken families and prepare its needy youngsters for positive futures, attending colleges and universities or joining America's workforce. Because of the close bonds and relationships that form over many years of special care, it can be a sad occasion when the Youth Ranches has finally accomplished its own goal of raising and shaping a troubled youth into a law abiding, productive adult citizen. It can be an emotional day when the Youth Ranches watches its brightest boys and girls graduate and plan for other dreams

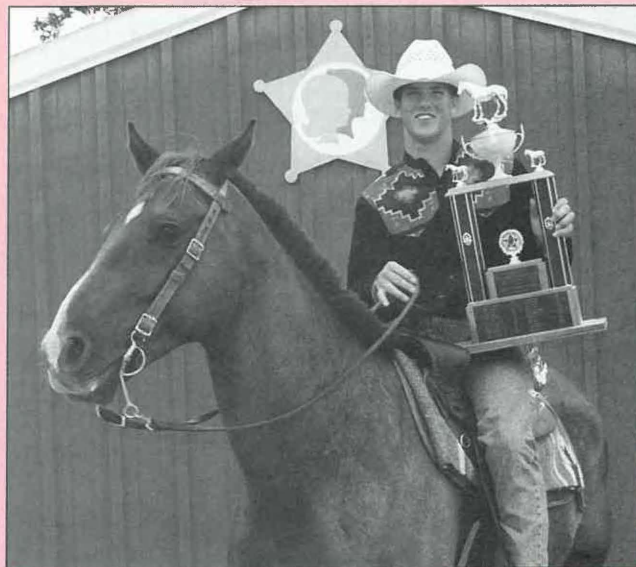

and endeavors. Yes, it is tough to see them go, but it is good to see them go prepared, prepared to face life's challenges and turn a troubled past into a promising future. It may be hard to watch them leave, but at least they are tears of joy, at least we cry those happy tears.

This year, the Youth Ranches says "goodbye, good luck and congratulations," to three of its long-time residents; three boys that have learned many lessons and grown into fine young men.

**Rancher B. K.** won many awards, received numerous honors and gained a lifetime of memories and friends during his time at the Boys Ranch.

**Rancher Roy** turned his life around in a positive direction and has become a productive, energetic individual because of the Youth Ranch/Safety Harbor.

**Rancher Arthur** won the coveted Carleton F. Tweed Memorial Trophy for Horsemanship while at the Boys Ranch, discovered a deep desire to work with animals and adopted a new set of values to set the course for his future.

Those who give \$250 or more in cash, or \$500 or more in non-cash gifts, receive a Builder Certificate. Those who give \$2,500 or more in cash, or \$5,000 or more in non-cash gifts, receive Lifetime Honorary Membership in the Florida Sheriffs Association. A large wall plaque is awarded to each Lifetime Honorary Member, and gold stars are added when that person's total gifts reach \$5,000 (one star); \$10,000 (two stars); \$15,000 (three stars); \$20,000 (four stars); and \$25,000 (five stars). For gifts of \$50,000 or more, there is the Golden Star Award. Donors of \$100,000 or more receive the Grand Star Award. We want our donors to know we have never permitted other organizations to use our lists of supporters, and we will continue to do everything possible to preserve their privacy.

## Location! Location! Location!

*Thanks to a generous donation by the C. V. Griffin, Sr., Foundation, Inc., the Florida Sheriffs Youth Ranches has established a financial development office in Winter Park.*

The Florida Sheriffs Youth Ranches is continually searching for new and innovative strategies to help more needy youngsters. The Youth Ranches believes a stronger presence in the central Florida region will carry a greater awareness of the organization's purpose, and ongoing mission to prevent juvenile delinquency and develop lawful, productive citizens through a broad range of family-centered services.

C. V. Griffin, Sr., Foundation Chairman Mrs. Elsie R. Griffin was instrumental in spearheading this effort to establish an office in central Florida. The Griffin Foundation has been a steadfast supporter of the Youth Ranches for many years.

"It's great to have such a faithful donor family," says Youth Ranches President Harry K. Weaver. "They (Griffin Foundation) are committed to the youth of Florida and the continued success of this agency."

The new field office will be located in the Crealde Executive Center at 2431 Aloma Avenue in Winter Park, Florida 32792.

## Scoring Goals

One of the fundamental functions of the Boys Ranch is the balance of work and play. By participating in organized sports, youngsters learn the value of working together and how to use teamwork to accomplish goals and succeed. Troubled boys who agree to join the Boys Ranch basketball team gain valuable experience working with their peers to build sportsmanship, trust and confidence. The lessons they learn and the memories they share will forever influence their future success on any court.
