Charitable Gift Annuity . . . A Gift That Gives and Provides Payments For Life

What is a charitable gift annuity?

A charitable gift annuity is a gift to help troubled boys and girls in Florida while providing a guaranteed lifetime annuity for the donor.

It is an irrevocable agreement by which you make a gift to a qualified charitable organization and receive fixed payments for life. It is also a gift since part of the payment is given for a charitable cause. Charitable gift annuities are recognized by state and federal authorities as a way to make a gift, and they have been around for many, many years.

The annuity payment one receives is based upon the amount of the gift and the age of the donor. The older the donor, the higher the gift annuity rate.

A portion of the gift is immediately tax deductible and a portion of the periodic payment is tax-free during normal life expectancy.

Organizations issuing gift annuities are required by Florida law to meet precise financial standards and be registered. The Youth Ranches was the first organization in Florida to be issued a permit to write charitable gift annuities. The Youth Ranches permit number is DAAP-74-1. The Committee on Gift Annuities meets every three years to set the uniform rates and the Youth Ranches is a sponsoring organization of this group.

You are encouraged to consult your attorney or other professional advisor for advice and assistance.

***EXAMPLE:**

A \$10,000 charitable Gift Annuity agreement with the Florida Sheriffs Youth Ranches, Inc. will give a 70-year-old person the same after tax cash payment each year for their remaining life as a \$10,000 Certificate of Deposit or similar fixed rate investment that yields 9.18% assuming a 28% marginal tax bracket.

Florida Sheriffs Youth Ranches

★ HONOR ROLL ★

Roster of Builders

To protect our donors from receiving unwanted solicitations and junk mail, we have discontinued printing home towns when we print names. This became necessary after we learned that certain organizations of questionable legitimacy were adding our donors to their mailing lists. As long as the home towns are not revealed, this will be extremely difficult to do. We want our donors to know that we have never permitted other organizations to use our lists of supporters, and we will continue to do everything possible to preserve their privacy.

This Honor Roll gives special recognition to generous supporters of the Florida Sheriffs Youth Ranches and its six child care programs: the Florida Sheriffs Boys Ranch, Youth Villa, Youth Ranch/Safety Harbor, Youth

Ranch/Bradenton/Sarasota, Youth Camp, and Caruth Camp. Those who give \$100 or more receive a Builder Certificate, and their names and pictures are printed in *The Rancher*. Those who give \$1,000 or more receive Lifetime Honorary Membership in the Florida Sheriffs Association, and their names and pictures are printed in the *Sheriff's Star*, official publication of the Florida Sheriffs Association. A large wall plaque is awarded to each Lifetime Honorary Member, and gold stars are added when that person's total gifts reach \$5,000 (one star); \$10,000 (two stars); \$15,000 (three stars); \$20,000 (four stars); and \$25,000 (five stars). For gifts of \$50,000 or more, there is the Golden Star Award. Donors of \$100,000 or more receive the Grand Star Award.

Something to cheer about !

Planning began early in 1991, and the poster picture printed here was one of the first results.

In the months that followed, the message went out in so many different forms that no one — except maybe a hermit living in the depths of the Everglades — could have been unaware that the 35th Anniversary of the Florida Sheriffs Youth Ranches was going to be celebrated on October 2, 3, and 4, 1992.

Posters were distributed statewide.

Outdoor advertising companies donated space for hundreds of ads proclaiming the birthday party.

Mailmen delivering Youth Ranches mail far and wide got the message from special 35th Anniversary seals that were placed on all letters and packages.

Souvenir 35th Anniversary cups were distributed from border to border and coast to coast.

At this point it was reported, but never verified, that the first thing a Tarpon Springs sponge diver saw when he surfaced for a cup of java was the Youth Ranches logo. Now that's getting the word out!

Radio and television stations around the state aired public service announcements.

Service clubs and other organizations cooperated by scheduling Youth Ranches staff members, a Boys Ranch alumnus, and a former Sheriff as speakers.

Newspapers printed press releases and letters to the editor to make readers aware that "Florida's Charity for Florida's Children" was 35 and very much alive.

The Rancher, official Youth Ranches publication, produced a special 35th Anniversary edition.

And Governor Lawton Chiles capped the climax on October 3 when he delivered a commemoration ceremony speech at the Boys Ranch. He said the Boys Ranch glorifies the spirit that distinguishes a community from a

crowd. "In a community," he said, "you have people who have made a covenant to join hands and help each other. In a crowd you have people who are only thinking of themselves and are not trying to help each other."

He obviously thought that lending a helping hand to over 7,000 troubled and neglected youngsters in the past 35 years was something to cheer about — and of course, it was!
