# President's Perspective

A message from  
**C. T. O'Donnell II,**  
President of the Florida  
Sheriffs Youth Ranches

It is amazing what can be accomplished when talented people work together to help youngsters in need.

Early this fall, many of you gathered at the Youth Ranch-Bradenton/Sarasota to celebrate the dedication of a new children's cottage and staff house. Think of the many deserving youth, now and in the future, who will enjoy this new home.

Inspired by the generosity of local Sheriffs Geoffrey Monge and Charlie Wells, who each contributed leadership gifts from their Law Enforcement Trust Funds, "Sotatee" cottage actually represents the effort of seven Sheriffs statewide; the Selby, Wilson, and Watkins Christian Foundations; as well as several caring individuals.

The Sotatee name combines the counties SaraSOTA and ManaTEE, and commemorates the joint effort of each county and its Sheriff.

This work, resulting in a new home for ten children, so inspired Mr. and Mrs. McCune that they personally funded another important need on campus. Their gift also made good use of the time and talents of the workers on campus,

and added a second building project to the list. The new McCune Staff House will enable a caring couple to help provide 24-hour supervision for the children.

Yet another individual, Mrs. Robson, joined in and provided the money necessary to equip and furnish the entire Sotatee Cottage.

So many caring people made this a reality! So many believe these young lives are worth the investment!

The stage is now set, and the continued help of all our donor family is needed to tend to these fragile young lives. The ongoing costs of feeding, clothing, and caring for needy boys and girls is a continuing challenge in Bradenton/Sarasota, and in all of the Youth Ranches cottages throughout the state.

I know those of you who can help during this season of caring and sharing will do so, as you have over so many years. I know the caring will continue and more young lives will be saved. Thank you for the enormous difference you have made, and for being a part of what generous people can do when they work together.

Gratefully,

*C. T. O'Donnell II*

 Please take a moment to review the article at the top of page 6. This new and informative column by Youth Ranches Vice President Financial Development William Yarick will appear regularly in The Rancher and will offer useful advice and countless ways you can share with our needy children. Thank you for taking the time to care!

# Brothers & Sisters

In an imperfect world, it is unfortunate that young children so often become young victims, suffering abuse and neglect at the hands of family and friends entrusted to protect them. The mere existence of these unthinkable acts offer little opportunity for troubled youth to escape unhealthy family relationships. But, among the despair of broken families, through the guiding wisdom and absolute kindness of those who truly care, at-risk youngsters and needy brothers and sisters are receiving the chance to heal delicate wounds. Together, through a unique program at the Youth Ranch/Safety Harbor, families are overcoming obstacles and repairing broken hearts and broken lives.

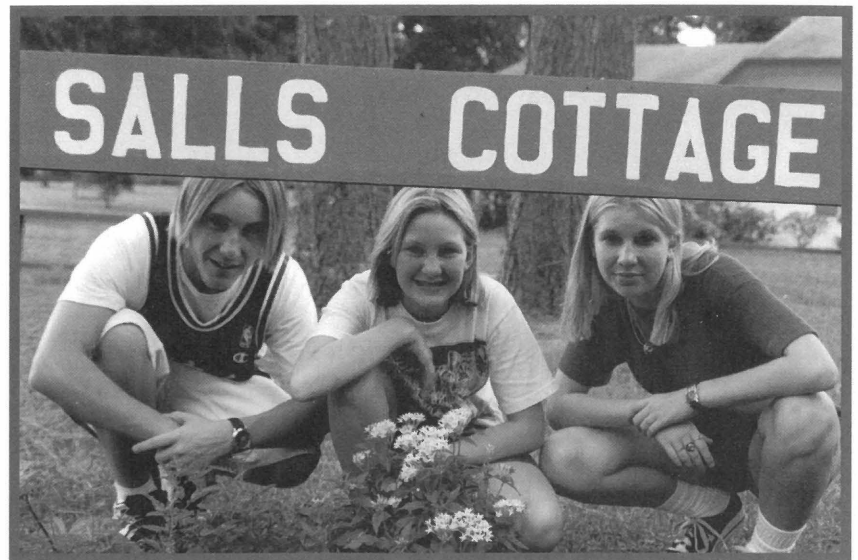

Roy arrived at Safety Harbor two and a half years ago, several grade levels behind his peers in school. In only a short time, under the steady supervision of concerned counselors and supportive staff, he has experienced dramatic improvements. "Roy literally finished four grade levels in two years," says Youth Ranches Resident Director Joe Ballard. "He wasn't content to simply 'get by'

either; he passed with practically all As."

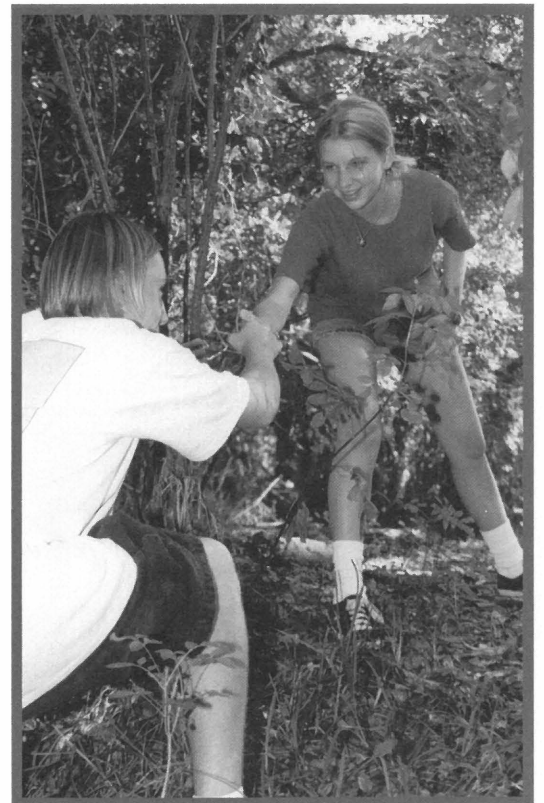

Thanks to the Ranch's unique atmosphere and commitment to reuniting broken families by keeping brothers and sisters together, Roy has excelled in all phases of campus life. Since moving on campus, he has received a scholarship to become certified in catamaran sailing, joined a local youth basketball league, and developed a passion for fishing. "Roy has been taking care of his own exotic fish and tank," says Youth Ranches Supervisor of Recreation Brad Gregory. "He is also responsible for the care of the rabbits on campus and one of only two trained in the maintenance of the pool; he's just a true leader and one of the hardest workers we have."

As 1993-94 Turnaround Student of the Year at Safety Harbor Middle School and the 1994 Resident Director Award recipient, the key to Roy's early success has been

the result of amazing dedication as well as the special bond he shares with his two sisters, also residing on campus. "Roy has quite a sense of responsibility to his sisters," continues Mr. Ballard. "In all practicality, he's the man of the family . . . being a positive role model is very important to him."

**Jennifer** also arrived at Safety Harbor two and a half years ago, unsure about the future. Like her brother, she has flourished through the Ranch's dedication to supporting the special needs of neglected brothers and sisters. Jennifer has earned the Resident Director Award, and certification in

catamaran sailing. In addition, through a unique scholarship program, Jennifer was eligible for professional instructions in runway modeling and ballroom dancing. "Jen loves the chance she's had to model," says Mom Wagner. "It has been such a self-esteem builder; I can see her confidence grow each time she walks down the platform."

Today, Jennifer is busy setting goals and enjoying the possibilities of a new and positive future. At only fourteen, she recently was only one of two selected to participate in a federally-funded program through the local division of Youth Employment Services, an organization that sponsors ambitious children who wish to get a taste of the working world, but are not legally of age to seek employment. "I can't wait until I'm old enough to work," says Jennifer. "Since I was nine years old, I've wanted to practice criminal law."

**Very Special Friend – Jennifer holds Sēdann, a pet hamster she has learned to care for while living at Safety Harbor.**

**Trish** arrived at Safety Harbor two and a half years ago, virtually a non-reader. Through the helping hand of supportive friends and

teachers, Trish's vocabulary has improved tremendously and her grades have sky-rocketed. "I have been so impressed with Trish's progress," says Mr. Ballard. "She does everything we ask, never complains."

With Roy and Jennifer living by her side, this youngest of the three has benefitted from the influence of her siblings and has also gained the confidence and courage to explore new interests. "Roy and she spend a lot of valuable time together fishing, sailing, shooting baskets," reports Mr. Ballard. "The two even repainted their cottage office together."

With guitar always nearby, Trish has also uncovered a talent for music. During a recent talent show competition held on campus, Trish was hoping to perform 27 acts. "We had to compromise at five," smiles Mr. Ballard. "She is just so full of spirit and promise."

Roy, Jennifer, and Trish arrived at Safety Harbor two and a half years ago, together. Under the warm sunshine of an afternoon, or the cool shadows of an evening sunset, the three now walk and talk, together; fish and sail, together; play and work, together; laugh and cry, together. These deserving brothers and sisters have learned to overcome many obstacles; together they have been given the chance to be a family. "We really do see this as our home," says Roy. "It's the best place to be, the same kids with the same problems . . . in fact, this is the longest I've ever been in one place . . . and, with my sisters."

**Blossoming Future!**  
Trish is all smiles since arriving at Safety Harbor to live with her brother and sister.

**Gone Fishing** – Roy, Jennifer, and Trish fish from the bank of an on-campus pond. What a special afternoon activity for brothers and sisters!

## A Message from Youth Ranches Vice President Financial Development

### William W. Yarick

**A**lthough the "Boys of Summer" have returned home to family and friends, the 1995 baseball season will remain in the minds and spirit of Americans long into the future. Those at Camden Yards who were fortunate enough to watch Baltimore Orioles' second baseman Cal Ripken, Jr., break Lou Gehrig's "unbreakable" record of 2,130 consecutive games played, witnessed undeniably, a mark that will live as one the greatest sporting feats of this century. But, despite this tremendous individual milestone, Ripken was first to confess that loyalty to the team was always his first priority. That is the same philosophy we enjoy here at the Florida Sheriffs Youth Ranches.

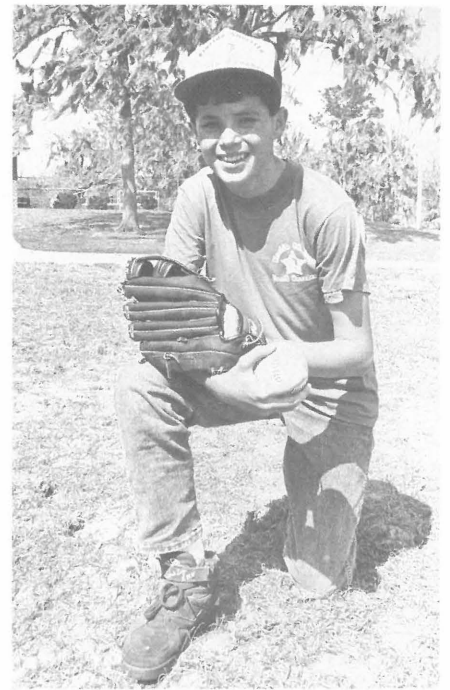

Each individual donor, staff member, friend, Sheriff, and Board Member is part of a great team. That team's mission is to help troubled and neglected youth develop into productive citizens and tomorrow's leaders. It is an investment of time, energy, love, and hope; providing discipline, while instilling a

strong work ethic in young lives!

Do these selfless investments pay dividends? Undoubtedly, Yes! We can cite example upon example of the countless lives saved each year. Just look at the faces of our current Ranchers and the alumni who have turned their lives around in a positive direction. (Please see page 14 for one of these amazing stories.)

Baseball players frequently communicate by exchanging signs—the catcher to the pitcher, the coach to the base runners, and many times player to player. The goal of this column will be to communicate with all of our faithful readers. I will be writing this column on a regular basis in hopes of sharing information with our friends and donors about the trends in philanthropy, changes in tax laws affecting charitable contributions, ideas about how financial planning may benefit family and loved ones, and other topics of interest. We always invite your comments or suggestions regarding current and future topics.

Thank you for this special

opportunity; thank you for your continued support; and from the boys and girls of the Florida Sheriffs Youth Ranches, thank you for being a part of our team. To all of the great heroes, like Cal Ripken, Jr., and all of you, thank you for your unbreakable spirit and undeniable generosity.

Sincerely,

# N.A.R.I. - Restoring Hope to Youth Ranches Youth

The National Association of the Remodeling Industry (NARI) Tampa Bay Area Chapter recently agreed to help the Florida Sheriffs Youth Ranches with the restoration of a 2,400 square-foot home which was donated by Lee and Shirlee McCauley and moved to the Youth Ranches 32-acre Safety Harbor campus. N.A.R.I. is the only national trade association dedicated to serving residential and commercial remodeling professionals.

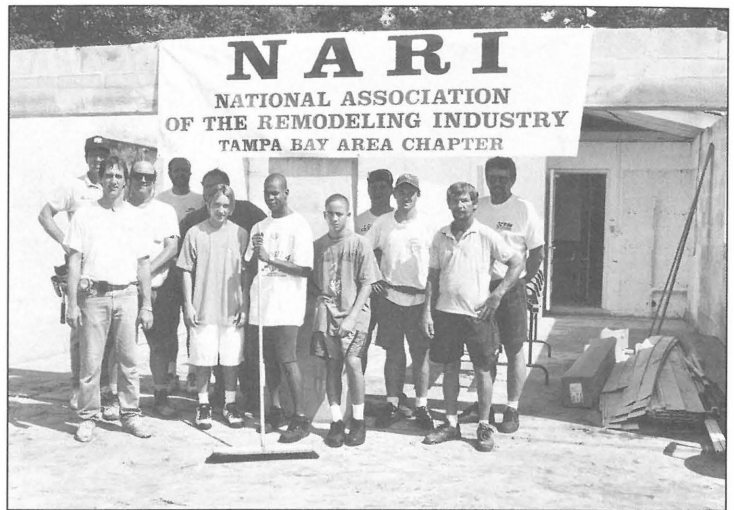

The recently relocated home will currently be used as a Youth Ranch staff residence, and will mean increased supervision for the children in residence. Perhaps in the future, it will serve as an independent living facility for older youth.

In order to be moved to the new site, the home was literally cut in half, loaded on a trailer, and driven from Dunedin to Safety Harbor. Due to the nature of such an undertaking, significant repair and construction work was needed to restore the house back to its original, liveable condition.

Mark Cagni, a Director with the local N.A.R.I. chapter, says his organization is delighted to be involved with the project. "Our membership is made up of individuals who are dedicated to the promotion of professionalism in this

industry. We believe in our community and are happy to give something back to it. This project was a natural for us - we are able to do what most of us love (remodeling and/or restoration) while providing the Youth Ranches with some much needed guidance. I was overwhelmed with the great response we received from local suppliers, subcontractors, our contractor members, and the willingness to help out with a great cause."

Almost all of the materials and labor for the project have been donated, and N.A.R.I. has organized a series of work days to bring the project to completion.

Team Effort! Two youngsters and a law enforcement officer learn how to ride and care for a horse . . . together!

Through a combined effort between the National Conference, Metro Dade Police Department, and the Florida Sheriffs Youth Ranches, 40 Dade County boys and girls enjoyed a special summit at the Florida Sheriffs Youth Camp in Barberville.

Along with the typical camp activities, time was spent learning to appreciate peer differences and to accept and respect one another.

Communication, teamwork, and trust were the key concepts taught at this year's Youth Summit.

"Watching all of the families, friends, Sheriffs, donors, and children come together to laugh and celebrate is so gratifying. This year's festivities were even brighter thanks to the 25th Anniversary of the Boys Ranch Alumni Association. That is where our success is truly measured; seeing all of the former Ranchers come "home" with their own families and hearing the laughter, joy, and stories of triumph and success is very special to witness."

## A Postman Who Truly Delivers

"We make 25,000 deliveries daily," says Wayne Fidler, Leesburg United States Post Office Clerk Supervisor and Boys Ranch Alumni. "With hundreds of routes to organize and over 80 mail carriers to supervise, it is my responsibility to make sure the mail gets out on time, every day."

Wayne Fidler began his tenure with the Leesburg Post Office as a City Clerk and has witnessed enormous changes throughout the surrounding county. "A population explosion in recent years required us to move into this new facility five years ago," says Mr. Fidler. "In fact, we've already practically grown out of this 26,000 square foot building; I never imagined that would ever happen."

Today, the Leesburg branch office processes over 300 feet of mail per day, making it one of the most prolific and efficient offices in the state. With the advent of full computer-automation next sum-

"We are evaluated periodically through a random sample survey of patrons in the area," reports Mr. Fidler. "We're very proud to say, that at last inspection, the facility received a 93 out of 100 Customer Service Index rating; the national average is 89."

Public sentiment is also high thanks to a series of special open house celebrations where visiting patrons are cordially invited to take a peak behind the scenes on guided tours of the post office. "Between keeping the public satis-

The eight years Wayne Fidler spent at the Boys Ranch in the 1960s and 70s remains a fond memory and a primary source of personal inspiration. "I remember, to this day, something Mr. Weaver (then Administrator of the Boys Ranch) used to say to us, 'This place may not be home, but it's the second best thing to it.'"

Living in Pentland Cottage through his years at the Ranch, Mr. Fidler credits his success to numerous caring cottage parents and counselors. "The Ranch was there for me when I needed it, inspired me to receive my education, and helped me get to where I am today.

"Just having a home and settling down," Mr. Fidler continues, "really makes a difference . . . especially when you're a child."

# Charitable Gift Annuity

The charitable gift annuity allows you to give to our troubled boys and girls and also provides you and/or someone you designate with a guaranteed periodic payment for life.

A sizeable portion of your gift (cash, stocks, bonds, or mutual funds) is immediately tax deductible and a portion of the periodic annuity payment is tax-free during normal life expectancy. The agreement is irrevocable and is guaranteed by the full assets of the Florida Sheriffs Youth Ranches, Inc.

The amount of the annuity payment is based on the amount of the gift and the age of the annuitant. Typically,

the older you are, the greater the payment.

Organizations that are permitted to issue gift annuity agreements are required by state and federal law to meet stringent financial standards. The Youth Ranches was the first organization in the state of Florida to receive a permit number, which is DAAP-74-1.

The American Council on Gift Annuities meets every three years to establish the uniform gift annuity rates. The Youth Ranches is a sponsoring organization of this group.

## HONOR ROLL

**Roster of Builders** - To protect our donors from receiving unwanted solicitations and junk mail, we have discontinued printing home towns when we print names. This became necessary after we learned that certain organizations of questionable legitimacy were adding our donors to their mailing lists. As long as the home towns are not revealed, this will be extremely difficult to do. We want our donors to know that we have never permitted other organizations to use our lists of supporters, and we will continue to do everything possible to preserve their privacy.

This Honor Roll gives special recognition to generous supporters of the Florida Sheriffs Youth Ranches and its six child-care programs: the Florida Sheriffs Boys Ranch, Youth Villa, Youth Ranch/Safety Harbor, Youth

Ranch-Bradenton/Sarasota, Youth Camp, and Caruth Camp. Those who give \$100 or more receive a Builder Certificate, and their names and pictures are printed in *The Rancher*. Those who give \$1,000 or more receive Lifetime Honorary Membership in the Florida Sheriffs Association, and their names and pictures are printed in the *Sheriff's Star*, official publication of the Florida Sheriffs Association. A large wall plaque is awarded to each Lifetime Honorary Member, and gold stars are added when that person's total gifts reach \$5,000 (one star); \$10,000 (two stars); \$15,000 (three stars); \$20,000 (four stars); and \$25,000 (five stars). For gifts of \$50,000 or more, there is the Golden Star Award. Donors of \$100,000 or more receive the Grand Star Award.

**Ribbon-cutting I** – Sarasota County Sheriff Geoffrey Monge, Youth Ranches President C. T. O' Donnell II, Dr. Robert Perkins of the Selby Foundation, Mr. Rick Smith, Mrs. Francis S. Robson, County Commissioners Stan Stevens and Maxine Hooper join together to cut the ribbon of the newly dedicated Sotatee Cottage. (Not pictured, Manatee County Sheriff Charlie Wells.)

**Ribbon-cutting II** – Mr. and Mrs. Frank McCune dedicated the newly completed McCune Staff House which is meant to provide youth with added guidance and supervision. Joining Mr. and Mrs. McCune in the ribbon-cutting celebration were Youth Ranches Staff Member Dru Thompson (second from left) and his wife Linda (back left), Youth Ranches President C. T. O' Donnell II (back center), and two Bradenton/Sarasota residents.

**D**uring the first week of fall, the Florida Sheriffs Youth Ranches held dedication ceremonies to commemorate the opening of two new buildings at the Bradenton/Sarasota campus. Thanks to the generosity and support of so many friends, the newly completed Sotatee Cottage will double the capacity of youth served at the Youth Ranch which provides opportunities for troubled boys to become productive, law-abiding members of their community. A major portion of the funding was made available through the combined support of the Sarasota and Manatee County Sheriff's Office Law Enforcement Trust Funds, the William G. and Marie Selby Foundation, and the Hugh and Mary Wilson Foundation. Other generous support was provided by the Watkins Christian Foundation, Mr. Frank Berlin, Mr. Phillip Carlton, Mrs. Francis S. Robson as well as the Seminole, St. Johns, Collier, Martin, and Pasco County Sheriff's Offices.

**A**lso opening its doors at the Youth Ranch was the McCune Staff Residence. This building was made possible through the funding of Mr. and Mrs. Frank McCune who believe in the posi-

and lasting impact of the Florida Sheriffs Youth Ranches on Florida's needy young children. Acquiring the McCune Staff House was a vital part to securing success at this residential campus by enabling Youth Ranches staff to provide loving care, guidance, and supervision to youth on a 24-hour basis.

"We are so deeply indebted to the gracious friends that have made this day possible," said Youth Ranches President C. T. O'Donnell II. "This is a dream come true for the Youth Ranches as well as the children of Florida."

Sarasota County Sheriff Geoffrey Monge

Surprise! Sheriff Ergle took the time to visit with a Rancher from Marion County. You can imagine Jesse's face when the Sheriff picked up the boy's guitar and strummed a country tune.

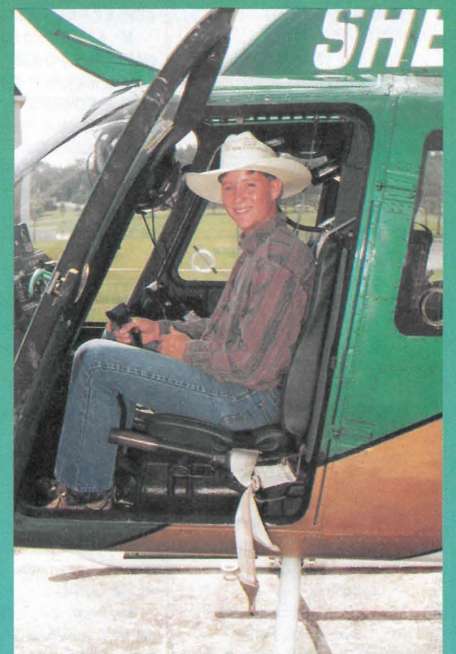

Touch-down! Marion County Sheriff Ken Ergle (far right) indulged Rancher curiosity when he arrived at the Boys Ranch in the official Marion County Sheriff's helicopter to present a special endowment gift to the Youth Ranches. What a heart-pounding and educational experience for these young men!

## Sheriff Ergle reaches new heights to care for kids

**A**nxious boys stand waiting near a slab of white cement in a small airfield on the outskirts of the tree-lined Boys Ranch. Against the blue of the afternoon a glittering object approaches, growing larger and larger, its sounds echoing from the clouds. After a few moments, the craft is well within sight, the greens and golds reflecting from a shower of light on the large, spin-

ning props above it's bulbous frame—the metallic "dragonfly" groans, blowing swirls of wind and dust as it touches squarely on the pavement directly ahead of the big-eyed boys . . .

**Piloting Toward Success!** Jesse and the boys were treated to a close-up look of the helicopter, including a chance to sit in the cockpit.

## Youth Ranches P.A.L. Around at Grand Prix Off-Shore Race

They wouldn't miss the boat! The Youth Ranch-Bradenton/Sarasota boys and staff joined the Police Athletic League (PAL) of Sarasota County for a special parade to commemorate the Sarasota County Grand Prix Off-Shore Race. Special thanks to Sarasota County Sheriff Geoffrey Monge for his continued support of the needy youth in Florida.
