President's Perspective

A message from Roger O. Bouchard, Jr.
President of the Florida Sheriffs Youth
Ranches, Inc.

Over the past 46 years, the Florida Sheriffs Youth Ranches has been involved in the lives of countless children and their families. One of the primary areas we focus on is the building of positive character in the lives of these young people. We know if they develop strong, positive character traits, they will be successful in their chosen professions, their families and their communities.

Without good character, no one can be truly successful. Horace Greeley, founder and editor of the *New York Tribune* newspaper, once stated "Fame is a vapor, popularity an accident, riches take wing, and only character endures." A lack of honesty, dependability, responsibility, initiative or other important character traits will bring about a lifetime of failure and frustration.

As our children learn to develop strong character, it is important that they have opportunities to practice these traits. These opportunities are available every day as they work, study, pray and play together in the Youth Ranches programs. Good character is built and becomes strong by making daily decisions to do the right thing.

Good Ole Boys remain faithful! With a strong commitment to maintain their support of the Florida Sheriffs Youth Ranches, the Wacahoota Good Ole Boys decided to make a significant contribution without hosting their annual golf tournament. Levy County Sheriff Johnny Smith, Marion County Sheriff Ed Dean, Youth Ranches President Roger Bouchard and Donor Relations Officer Frank Kenny receive a very generous gift from Dennis Strong (2nd from right) representing all the members of the group.

One way our girls are able to build character is by volunteering time at a nursing home near the Youth Villa campus. The story on page eight tells how the girls learn to give back as they visit with these beautiful senior citizens. Opportunities to give back to others are provided at all of the Youth Ranches programs and many of our young people volunteer time to help others in their communities.

In closing, I would like to thank each one of you for your support of the Youth Ranches. Without each of you, these children would never have this wonderful opportunity to become strong men and women of character who will make a difference in all of our local communities. It is your gifts of love, support and prayers that keep the Youth Ranches strong and healthy.

Gratefully,

Roger Bouchard

For the last nine years, this group of dedicated individuals has focused their effort on supporting the Florida Sheriffs Youth Ranches. With this check for \$12,556, the Posse' has generated over \$100,000 for the boys and girls in our care. Our hats are off to Sheriff Charlie Morris (center) and this fine group of volunteers!

Florida's Charity for Florida's Children Celebrating 46 years of Success!

Long ago, on the banks of the Suwannee River, Florida's Sheriffs decided to build a Ranch to help wayward boys become responsible men. Over four and a half decades later, their dream has grown into a statewide network of Ranches and Camps geared toward preventing juvenile delinquency and developing lawful, productive young men and women.

As we prepare to help the teens of tomorrow, we always embrace the traditions and tremendous success of the past. A new generation of Sheriffs now leads the Florida Sheriffs Youth Ranches as we serve over 5,000 children each year.

Each year in early October, we pause to celebrate the great accomplishments of our children and welcome back some very special donors, alumni, staff, and friends who make it all possible.

We fellowship together as one large family, reunited by a common desire to give children a brighter hope for a better future. Among the tall pines and along the winding river, we visit, share,

In keeping with tradition, we host a weekend long anniversary horse show complete with the bright and colorful Grand Entry Parade. Many local citizens from the Live Oak area continued their commitment of support by helping us serve a delicious barbecue lunch to over 2,000 people on the banks of the Suwannee River. The evenings were full of music, dancing and fun led by the dynamic music of The Diamond Band.

Our special 46th Anniversary weekend concluded on Sunday morning with a Sunrise Chapel Service led by Youth Ranches President Roger Bouchard who expressed his gratitude to God for the scores of faithful donors, Sheriffs and staff who have given so generously and blessed the Youth Ranches over so many years.

Youth Villa Alumna Kelly Whittenberg spoke to a group of special donors during one of the 46th Anniversary celebration events. After her speech, President Roger Bouchard presented her with the Helen R. Linder scholarship to help continue her studies to become a dental hygienist.

Other wonderful reunions occurred at the Alumni Banquet as "Mom" Joyce McCoy was surrounded by the men who were once boys in her care.

The coveted "Our Friend" award is given to an individual or group who has made a lasting impact on the life of a boy at the ranch. This year the award was given to Pat Walker Raulerson. She has worked with the boys for over 20 years and continues to give above and beyond the call of duty. For one special Alumnus with unique circumstances, she maintains very regular contact, helping him as needed and keeping him focused on a life of self-sufficiency. Unfortunately, she was unable to attend the Alumni banquet, so the award was presented by alumni Bill Riggins and received on behalf of Pat Raulerson by Roger Bouchard, Harry Weaver and Jim Strayer.

After the sun set, many folks headed for the dance tent to enjoy the fine entertainment and learn some new dance steps.

Boys Ranch Alumnus Albert Williams introduces his baby sister Audrey to the crowd gathered at the annual Alumni banquet.

Let Me Introduce You to My Sister!

At the tender age of 12, Albert Williams was left home alone to care for his two younger brothers and baby sister. He was told to make sure they all ate dinner, took a bath, and got into bed on time. As the very young "man of the house," he was determined to follow instructions and make sure his siblings did, too.

Unfortunately, Albert didn't know much about caring for infants. He turned on the hot water and went to get the baby. Her screams and red skin were evident immediately and have long lingered in his memory as the last time he saw his baby sister.

The neighbors came and helped do what they could, so did the police. The baby was whisked away to the hospital and the young boys became wards of the state. Fortunately, the Sheriff learned of the boys plight and did all he could to keep them together. He immediately called to see if there was room at the newly founded Florida Sheriffs Boys Ranch.

Albert and his brothers grew up at the Ranch. All three went on to become responsible and reliable men with good jobs and strong families. But, for Albert, there was always a lingering guilt about what happened to his baby sister.

Then, just this year, a call came into the switchboard at the Boys Ranch. The lady on the other end was asking if we knew anything about the three Williams boys from years ago.

With a few quick calls to verify the contact, Albert was on the phone speaking to his long lost baby sister! His joy was unspeakable as he learned she had no lingering effects from the burn and had been raised well.

With great pride and tears of joy, Albert brought his sister to the 2003 Alumni banquet and introduced her to his Boys Ranch family.

Pinellas County Sheriffs Office Sets A New Record!

Pinellas County Sheriff Everett S. Rice and his staff love a good challenge. Beginning many years ago, Sheriff Rice sat in on an orientation that educated the Sheriff's Offices on ways they could help the children served by the Florida Sheriffs Youth Ranches. After he saw the amount of funds generated by various fundraising events, he leaned over to Community Events Specialist Claudia Patterson and said with confidence, "We can beat that!"

True to his word, the Sheriff (who does not play golf) launched the first annual Pinellas County Sheriffs Office Golf Tournament. Immediately, it was a success and quickly won the top spot as the single largest one-day fundraising event in the

history of the Sheriff's Office.

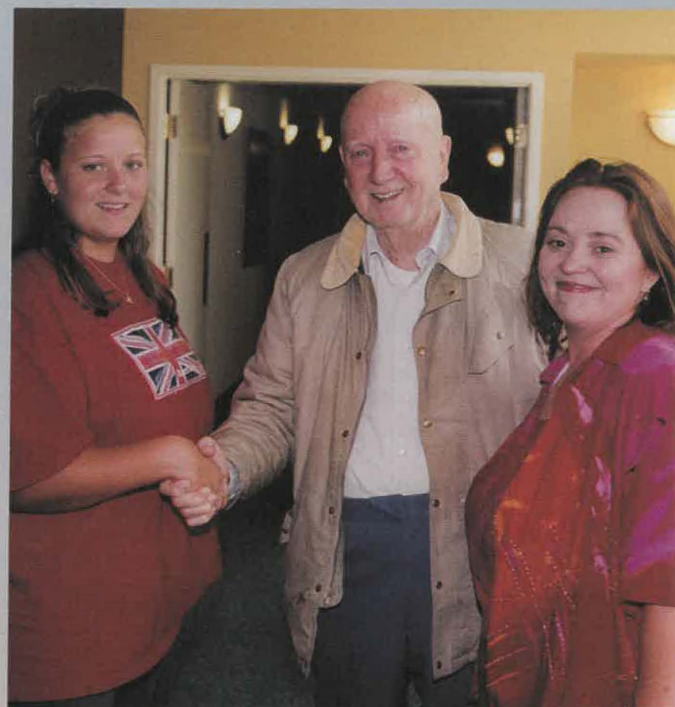

Other Sheriff's Offices came close to beating their record but never quite topped the mark set in Pinellas County. That was the case, until this year. Pasco County Sheriff Bob White's 2nd Annual Clay Shootout took the lead this summer by raising \$45,000 in one day.

Not to be outdone, Sheriff Rice's Golf Committee took the challenge seriously and regained the bragging rights by raising over \$60,000 in October. With a smile on his face, Sheriff Rice says the challenge with his neighbor Sheriff in Pasco County is all in good fun. "The real winners here are the kids – the more money we raise the better off they will be."

So hats off to the Challenger and the Champion and may the competition continue – all in the good name of the Florida Sheriffs Youth Ranches – Florida's Charity for Florida's Children.

Girls at the Youth Villa Give Back to the Local Community

Despite living in a nice home with up to nine other girls, some of our kids can still feel lonely. They miss their families and friends – and sometimes wish for the way things use to be.

Maria Ewing, Clinical Director at the Youth Villa in Bartow began thinking about these challenges and quickly remembered how many elderly folks who now live in a retirement home share these same feelings. They are separated from their families and miss the contact they use to have with friends and neighbors.

Initially, she explored the idea of an “adopt a grandparent” program to help our girls fill this gap and learn how to better communicate with senior adults. Over time, this evolved into a way for the girls to give back to the community as they visit with the residents of a local retirement home.

The weekly visits are especially meaningful to Karie age 15. For the past 13 years, she was raised by her grandparents and misses the gentle wisdom of this older generation. She wants to volunteer for something meaningful and knows these relationships can be very special.

sing-a-longs or just sit and visit with the residents. Amber just enjoys the social aspects of their time together. “I like to talk to people and they seem to enjoy having a younger crowd come visit.”

Andrea is a career minded young woman who believes this experience will help her in the future. She would like to become a nurse, just like her mom.

Sixteen year old Charlene sees this as a way to focus on her education. “If I stick with it, I will have my LPN when I graduate from high school. As I volunteer here, I have learned a lot about patience and the reality of this career choice.”

Then with a slight smile she adds, “These folks are sometimes very funny. They are always making jokes and trying to pull a fast one on me. This one gentleman always wants to introduce me to his wife...and its always a different woman at the home – then he leans over with a wink and whispers...‘she’s really not my wife, I was just checking to see if you remembered!’”

Overall, nearly a third of the girls at the Youth Villa have participated in this very special program. They learn about compassion, attentiveness and gentleness as they show their concern for these delightful senior citizens. And as they leave and wave good-bye, they smile and say “See you next week!”

"I like seeing their smiles -it's as if we make their day!" says Amber during a visit outside on a beautiful fall day.

Statement of Faithful Stewardship

Founded by the Sheriffs of Florida in 1957, the Florida Sheriffs Youth Ranches has always embraced and applied the principles of faithful stewardship in all of our donor-based relationships. We recognize and understand that we would not exist without the charitable gifts of our donor family. The resources they provide are purposefully given in support of our mission to prevent juvenile delinquency and develop productive, law abiding members of our communities through a broad range of family-centered services.

Many caring individuals have chosen to support the Florida Sheriffs Youth Ranches by making an unrestricted gift that can be used to further the general purposes of the organization. Each year, the Board of Directors approves the annual budget. When a gift is made payable to the Florida Sheriffs Youth Ranches, without any specific restrictions, it is carefully and thoughtfully used where it is needed most.

The Florida Sheriffs Youth Ranches has always valued and respected the right of a donor to designate or restrict the use of a particular gift for a specified purpose or service. We are committed to honoring these clearly defined requests with great care. Our goal is to work diligently with the donor to carefully plan a gift that will best meet the donor's wishes and appropriately serve the needs of the children in our care.

At times, we have had to decline a gift because we could not, in good faith, fulfill the donor's wishes. On other occasions, we have defended the donor's gift in court as others have tried to change or alter the donor's specific directions. Proper planning and complete documentation helps us maintain our ethical commitment to the donors who choose to share their gifts with us.

The bottom line is the Florida Sheriffs Youth Ranches Board of Directors and Staff pledge to honor and respect each donor's instructions regarding the use of their gift.

Learning First Hand

With an eagerness to learn, our boys recently had a first hand lesson on the vital work performed by the volunteer firefighters of Florida.

Under the direct guidance and specific instruction of experienced emergency response personnel from Columbia City Station #44 and West Columbia Station #43, several Ranchers were given the privilege of utilizing lifesaving equipment as they helped extract a "volunteer victim" from a junkyard vehicle.

Donning the appropriate protective gear, three boys were paired with three trained firefighters as the simulated car accident scenario unfolded. With each purposeful action, the firefighters explained why and how they approached the task at hand.

The boys learned how to survey the scene for any unusual or dangerous conditions. Then, they made contact with the victim, providing protection, comfort and care. Next, they worked together to gain access to the victim by removing the automobile glass and operating the famous "jaws of life."

Step by step, the trained instructors explained the use of each tool and how it achieved the desired results. Properly aligned and clear of other debris, the powerful tools can cut through the mangled metal with unusual ease. "It's amazing," proclaimed Aaron. "We cut that door right off at the hinges!"

After the demonstration was over, the boys' questions continued. "Why do you remove the glass?" "How often do you get to use this equipment?" "What does it take to become a firefighter?"

Patently, Clint Pittman answered every question. He told the boys about the training they attend and the many different opportunities available to them in this profession. And then, as a final word of encouragement, he reminded the boys they could always pursue the career of their choice and still serve as a volunteer firefighter. "We are just trained volunteers who wanted to protect our families and help keep our community safe."

After Danny Garbett instructs Jeremy on the proper position of the tool, Jeremy uses it to pry open the door of the vehicle.

As Danny Garbett (center) looks on, volunteer firefighter Clint Pittman gives Jeremy instruction on how to safely remove the shards of shattered glass. "Rather than reaching out and grasping the glass in your palm, use the back side of your gloved hand to knock it away."

As Jeremy steps back and under the watchful eye of firefighter Danny Garbett, Adam uses a special tool to pop the glass from the passenger door.

With the lesson complete, all the participants (l-r) David Bickel, Ashton Shaw (volunteer victim), Aaron, Danny Garbett, Adam, Adam (kneeling), Jeremy and Clint Pittman are proud of the successful demonstration.

Columbia Sheriff Frank Owens is surrounded by three Ranchers who expressed their appreciation for his work on this fundraising event.

Steppin' Out in Style!

Sheriff Frank Owens took a bold step and invited every Youth Ranch donor in Columbia County to join him for a festive evening at the Barn Dance and BBQ. Plenty of meeting and greeting took place as hundreds of citizens accepted the invitation and came out for the fantastic fellowship, music, food and fun.

With a great flair for southern hospitality, Sheriff Owens and his staff converted a huge warehouse into a country style, foot stomping success!

With the stands full of fans, ten scrappy retired school buses steered by skillful drivers, screamed past the starting line to begin the 2nd Annual Sheriffs Office Bus Race. With lights flashing and engines chugging, the 15 lap event was the highlight of the evening at the New Smyrna Speedway.

Starting at the back of the pack, the defending champion Volusia County Sheriff Ben Johnson surged past the other celebrity drivers to take the checkered flag in his second consecutive win of the Annual School Bus Race.

The real winners of the evening are the children served by the Florida Sheriffs Youth Ranches. Under Sheriff Johnson's leadership, nearly \$14,000 was raised at this exciting and creative fundraising event.

Invited Celebrity Drivers included Osceola County Sheriff Charlie Aycock, defending and repeat champion Volusia County Sheriff Ben Johnson, Seminole County Sheriff Don Eslinger and Brevard County Sheriff Phil Williams.

The members of the Daytona Beach Mustang Club helped to sell tickets for this event. Club President Dick Gordon and his wife presented a \$400 check to Sheriff Johnson (left) for the boys and girls of the Florida Sheriffs Youth Ranches. Additionally, they made Sheriff Johnson an honorary member of their car club.

Boys Ranch Anniversary Golf Tournament

Several Sheriffs joined forces to raise money for the Florida Sheriffs Youth Ranches during a recent golf tournament held in celebration of our 46th Anniversary. Sponsored by First Federal Savings Bank, the 6th Annual outing raised much needed funds for the Boys Ranch.

Attending the event in support of the children were (l-r) Hamilton County Sheriff Harrell Reid, Madison County Sheriff Pete Bucher, Washington County Sheriff Fred Peel, Leon County Sheriff Larry Campbell, Youth Ranches President Roger Bouchard, First Federal Savings Bank President Keith Leibfried, Baker County Sheriff Joey Dobson, Suwannee County Sheriff Al Williams, Columbia County Sheriff Frank Owens, and Alachua County Sheriff Steve Oelrich.

At the conclusion of the tournament, Washington County Sheriff Fred Peel (left), Suwannee County Sheriff Al Williams (2nd from right) and Madison

County Sheriff Pete Bucher (right) presented Youth Ranches President Roger Bouchard with a generous check for over \$13,000.

Hancock was invited to play in the tournament by Florida Food Service President Jim Islam who is a Gold Sponsor of the event. The girls in the art class display their paintings alongside Artist Patrick Gaughan's famous framed print entitled THE LEOPARD.

Elio (right) indicated Mr. Patrick (left) was a very good teacher and thanked him for volunteering his time at the Youth Ranch in Safety Harbor.

Developing Creative Minds

Patrick J. Gaughan's respect for law enforcement began at a very early age. His father, a Sergeant in the police force, was killed in the line of duty when he was 11 years old. His mother became Indiana's first undercover Policewoman.

After a successful business career, he discovered a flair for some very colorful painting. With a strong charitable desire to merge his affinity for law enforcement with his artistic talents, Mr. Patrick (as he

is known to the kids) decided to volunteer his time teaching art classes to the youngsters at the Youth Ranch in Safety Harbor.

The teenagers participating in the classes expressed tremendous interest in this hobby. After completing her first project, Lindsey proclaimed "Painting is 'spiffy'...I really like art." Ashlee identified her creation as "something out of Star Wars." Other youngsters, like Amanda, took a more philosophical approach and named her painting "Romeo and Juliette" because the two circles are so far away from each other on the canvas.

Former Sheriff Buddy Smith and his granddaughters Shartlyn, Caroline and Mary Elizabeth delighted the audience with their phenomenal pickin' abilities.

Gospel Sing A Great Success!

With a little bit of bluegrass music and a great deal of entertainment, the 11th Annual Gospel Sing in Blountstown was a great success. The auditorium was packed to hear The Lewis Family perform some of their famous music. All the proceeds were designated to benefit the Florida Sheriffs Youth Ranches.

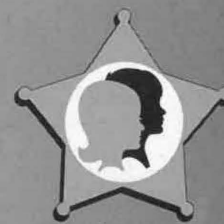

At the end of the evening, Buddy Smith, Betty Hirsch and friends had raised over \$2,700 for the boys and girls of the Youth Ranches. Then, the kind, neighborly Sheriff of Liberty County Harrell W. Revell reached into his pocket and rounded the figure up to \$3,000. We appreciate and acknowledge Sheriff Revell's personal generosity!

Somewhere along the way, the show was taken over by this comical trio billing themselves as the long lost siblings of Cinderella.

Helping Hand Society

From the earliest days, the image of the Boys Ranch was conveyed by a tall, determined Sheriff who was leading a young wayward boy under the archway and down the right path to a better life.

In reality, the only thing missing from this photograph is YOU...holding tightly to the other hand of this young lad. Over the years, some very special and thoughtful people have decided to include the Florida Sheriffs Youth Ranches as a beneficiary of their will, trust or estate. This extremely generous way of sharing has made a significant impact on our ability to prevent juvenile delinquency and develop lawful, productive young men and women.

Today, nearly 50 years later, deserving boys and girls still need a "Helping Hand" to help provide them with a brighter future. Will you consider making this "Ultimate Gift" and include our youngsters in your written estate plans?

Should you desire to share your intentions with us before we receive this gift, you will be honored as a special member of THE HELPING HAND SOCIETY. Charter members will receive a

unique lapel pin bearing the symbol of the Sheriff and boy, along with a handsome certificate quietly acknowledging your commitment of support for the children in our care.

As you make the decisions about your will or want to give something back for all the blessings in your life, please remember our children and lend them "A Helping Hand."

HONOR ROLL

Roster of Builders - This Honor Roll gives special recognition to generous supporters of the Florida Sheriffs Youth Ranches and its six child-care programs: the Florida Sheriffs Boys Ranch, Youth Villa, Youth Ranch/Safety Harbor, Youth Ranch-Bradenton/Sarasota, Youth Camp, and Caruth Camp. Those who give \$250 or more in cash receive a Builder Certificate. Those who give \$1,000 or more in cash receive Lifetime Honorary Membership in the Florida Sheriffs Association. A large wall plaque is awarded to each Lifetime Honorary Member, and gold stars are added when that person's total gifts reach \$5,000 (one star); \$10,000 (two stars); \$15,000 (three stars); \$20,000 (four stars); and \$25,000 (five stars). For gifts of \$50,000 or more, there is the Golden Star Award. Donors of \$100,000 or more receive the Grand Star Award. We want our donors to know we have never permitted other organizations to use our lists of supporters, and we will continue to do everything possible to preserve their privacy.

Baker County Sheriff's Office Golf Tournament - Despite a downpour of rain, the caring people of Baker County still carried on the tradition of caring for our kids and raise \$3,000 for the Florida Sheriffs Youth Ranches. Special Events Manager Ed Blair (left) thanked Lt. John Finley of the Baker County Sheriff's Office for this generous contribution.

Beef O' Brady Golf Tournament - Sponsored by the Beef O' Brady's restaurant located near the Youth Ranch in Bradenton, this tournament was a huge success. Restaurant owner/manager Tim Macri proudly presented Youth Ranches President Roger Bouchard with the proceeds from this adventurous tournament.

Nassau County Sheriffs Office Golf Tournament - Nassau County Sheriff Ray Geiger (center) is joined by Fernandina Beach Optimist Club Tournament Chairman Robin Heath (left) as they present a sizable check to Florida Sheriffs Youth Ranches President Roger Bouchard. This gift is just a part of a larger, generous commitment from Sheriff Geiger who makes an annual gift to help the children served by the Youth Ranches.
