**Merry  
Christmas!**

## President's Perspective

Roger O. Bouchard, Jr.  
President, Florida Sheriffs  
Youth Ranches, Inc.

THE RANCHER magazine is our main vehicle for communicating with our donor family. It is how we let you know how your money is being spent and lets you see some of the results achieved because of your gifts. In this issue you will hear about a few of the many successes our children have recently accomplished and get some idea of the impact your gifts have made in their lives.

All of the children, who live on one of our campuses, come to us with problems and issues in their lives. Sometimes these are issues caused by problems in the family and other times they are caused by the young people themselves. Despite the past, each youngster has some clearly established goals to help them achieve future success.

Although our children have a lot of fun and participate in many different activities, they are expected to work hard and focus on their goals in program. These goals include education, social skills, work experience and a lot of emphasis on the life skills necessary to be productive and successful when they leave. They often make mistakes and poor choices and are expected to face the consequences of those choices. The difference is that they can do this in a safe and loving environment where they can learn from their mistakes.

Growing up has never been easy. There have always been bad and lots of temptation to do the wrong things. In the midst of the uncertainty of adolescence, each child needs adults they can trust and look to for guidance. The lucky ones get this from parents, relatives, teachers, coaches, and others in their lives. The Youth Ranches model surrounds our youth with just those types of people, caring for and teaching them on a daily basis. I believe this is the main reason we have been so successful over the past 55 years.

In closing, I want each of you to know that we continue to be an issue. We struggle with this on a daily basis and are so appreciative of those of you who give of your own resources to make sure these children are cared for and prepared for the future. I ask each of you as we enter this Christmas season to consider a generous gift to the Youth Ranches. Your gift will allow each child in our care to continue to work toward a successful and productive life.

Thank You and God Bless,

Roger Bouchard, President

# Quotes and Notes

"The Cottages...and Ranch overall are certainly obvious examples of one of the finest commitments to disadvantaged children in Florida. I was very impressed in meeting and talking with our resident children. Especially notable was their pride in "family" and the acceptance of their family responsibilities. I smiled often observing the normal interactions among the "Family of Five" in the sibling cottage. I believe the political and social services in this state would be well served to witness on site the value gained with maintaining sibling togetherness vs. the prevalent separation process in effect. You cannot build a solid foundation with the bricks scattered apart. I am pleased to be a part of the Youth Ranches program."

~ Major J. J Molitaris, Jr.  
USAF (Rtd.), Donor

"The afternoon was most enjoyable and informative. I was so impressed with your facility, what you do for the boys, and most especially, the clean-cut appearance and courtesy of your young residents. You and your colleagues are doing a wonderful job and are to be commended. You are developing a fine group of young adults who will be contributing to our future and I thank you for that. Please use the enclosed check in whatever way will best benefit the boys and your program."

~ N. Jordan, Donor

"My daughter and I spent a beautiful day visiting at the Ranch. I was so impressed that I've been telling everyone I see about it. Jacob and Tyler were friendly and polite. They demonstrated pride in their work. It is wonderful to know that respect, responsibility and cooperation are still being taught and practiced. You are truly saving lives!"

~ H. Poremba, Donor

"Thank you so much for your help and support while I completed my education. I truly appreciate your kindness and generosity. The Ranch has already given me so much by blessing me with a home and a childhood; this just goes far above and beyond. I am proud to report that I now have a wonderful rewarding job in the cath lab at Bayfront Medical Center and I absolutely love my career! Thank you so much!"

# Celebrating 55 Years of Serving Boys, Girls and Families

The sun was bright and the weather was beautiful as the Florida Sheriffs Boys Ranch welcomed home our Alumni and celebrated 55 years of changing children's lives for the better.

Special recognition during the Grand Entry Horse Parade was given to our 2012 Grand Marshals Commander and Mrs. Steve Berman of St. Johns County.

Commander Steve Berman has been a reserve Deputy with the St. Johns County Sheriff's Office for over 30 years. He holds a Bachelors Degree from Syracuse University and a law degree from Brooklyn Law School. He has been a Vice President at Smith Barney and Executive Vice President for Drexel, Burnham, & Lambert. Currently, he is the Vice Chairman & Founding Member of Palisade Capital Management, LLC.

In the community, Commander Berman has

Grand Marshals Steve and Jennifer Berman (l) joined Sumter County Sheriff Bill Farmer in presenting Rancher Jacob with the 2012 Carleton F. Tweed Memorial Horsemanship Trophy.

been very active in supporting the Four Star Foundation of the St. Johns County Sheriff's Office, Angelwood, and the Florida Sheriffs Youth Ranches.

Mrs. Jennifer M. Berman holds a Bachelors Degree from Jacksonville University. She worked in the banking industry, then served as a Senior Sales Representative and National Sales Trainer for an international pharmaceutical company. Most recently, she was a Specialty Sales Repre-

sentative for a large biotech firm in the northeastern part of the United States.

In the community, Mrs. Berman actively supports the St. Johns County Sheriff's Office Four Star Foundation and the Susan G. Komen Foundation. Jennifer is also the Co-Leader of the Gateway Council, Junior Girl Scouts Troop #142 and was directly responsible for the first ever Florida Sheriffs Youth Ranches Kentucky Derby fundraiser which raised over

\$25,000 for our boys and girls.

The reason Steve and Jennifer Berman think it's so important to support the Florida Sheriffs Youth Ranch is because we improve, empower and change the lives of children in need of a loving, caring and a safe environment!

Founded in 1957 by the Florida Sheriffs Association, the Florida Sheriffs Youth Ranches has hit another milestone. We have helped over 128,000 boys, girls and families!

Citizen donors joined with the Sheriffs of Florida to create a children's home for abused, neglected and troubled boys and girls. As "Florida's Charity for Florida's Children" we have built 19 cottages across the state, adding two camps and a host of other services to help prevent juvenile delinquency and develop young men and women who can face the future with a sense of direction, ability and hope as they become productive members of our communities.

We are proud to be 100% debt free but need your continued help to pay for the day to day expenses of the children in our care. Your generous support and charitable gifts are needed now more than ever! Please help us continue this legacy of love and care for the next 55 years. ★

## A True Family Reunion

Back in the 60's the three young Williams boys, Albert, Ronnie and Tommy, came to live at the Florida Sheriffs Boys Ranch. They had been neglected and left unsupervised by their mother who struggled to

raise three boys and a baby girl. About five years ago, they were reunited with their baby sister and thought their family was complete.

This year, everything changed again and their family grew by leaps and bounds. Tommy was searching the web and discovered a photo of his grandfather. He tagged it and made an amazing discovery!

The three Williams brothers (back, l-r) Tommy, Ronnie and (front right) Albert welcome their newly found brother Keith to the Boys Ranch.

Long story short, the boys actually have several older siblings they never knew about. When their parents split up, mom took the younger siblings and moved to Florida, never again mentioning the rest of the family. An older brother, Keith, who remained with family up north went to bed every night with a photos of his three younger brothers and sister on his night stand. Even as an adult, this photo remained a prize possession as he hoped to one day find his lost family. Keith's daughter, Mary, took it upon herself to help her dad and started a search which included posting a photo of her great grandfather.

When Tommy tagged that photo, and the family confirmed the relationship, the joy was overwhelming. Keith heard about the boys' life at the Ranch and brought his family down to our annual Open House celebration to

## “OUR FRIEND” Award

William E. “Bill” Powers, Jr .

**W**illiam E. “Bill” Powers, Jr., has been practicing law for over 40 years.

A 1963 graduate of the University of Dayton, he received his law degree from Cleveland State College of Law in 1968 and obtained an L.L.M. degree in labor law from New York University School of Law in 1969.

Bill Powers has provided free legal services including consultation, representation, employee training, and other forms of support for the Florida Sheriffs Youth Ranches since the early 90's. Valued at an extremely conservative rate, this represents a pro bono service donation of over \$50,000.

Additionally, he and Karen, his wife, have made significant personal cash contributions to the boys and girls served by the Florida Sheriffs Youth Ranches, Inc. including scholarship funds and senior graduation

gifts. They regularly attend dinners and events at the Boys Ranch.

Bill's determination and humility is evident in a letter he wrote in 1992 to Youth Ranches President Harry K. Weaver...“This commitment is based on my sincere belief that the Youth Ranches has made a substantial difference in the lives of hundreds of young men and women, and my desire to assist the Ranch, however slightly, in continuing its efforts to provide these boys and girls with a realistic opportunity for future success as a meaningful member of society.”

Without the support of Bill Powers, charitable dollars would have to be spent on administrative matters rather than children's services. He has demonstrated the commitment to preserve and protect the resources which help thousands of Florida's needy, neglected and dependent boys and girls.

## James Zattiero > Giving Back

“I was at the Boys Ranch from 1975 to 1979. I wanted to share some of my memories of living at the Ranch and why I come “home” as often as possible. Like many boys while there, I learned many life lessons. I learned responsibility by working every day. I had my own chores, one of which was raking across from my cottage. I was in McGehee Cottage and my cottage parents were Mom and Pop Voss. They were stern but with their sternness came lots of love, which, in turn, taught me respect.

I learned many skills while there as well and a great work ethic. Putting up hay, raising crops and a calf were just some of the things I took part in. There were many ups and downs, trials and rewards. Through it all, looking back, those were some of the best days of my life. I love to come back. So many memories and such thankfulness comes flowing back every time I go through those front gates. The same front gates that brought a sort of nervous fear the first time I went through them. Today,

some 33 years later, it’s still home. It always will be.

I am humbled when I can come home and meet the boys here and share a story or two with them. I love to give them encouragement and congratulate them on their accomplishments. I remember when I was in their shoes and it meant a lot to know someone cared. Now, I have the chance to give back. And I’m blessed for the opportunity to do so.” ~ James Zattiero First Vice President, Boys Ranch Alumni Association ★

# A Day in the Life *of a* Cottage Parent

Written by Cottage Pop Mike Heller

**M**ajestically welcoming all visitors to the Florida Sheriffs Boys Ranch, the wise old live oak tree illustrates the primary reason for our existence: **“Every acorn can become a majestic oak; every boy can become a successful man!”**

Offering a positive new day to each of the youngsters in our care is both a privilege and a challenge. Our Cottage Parents are on the front lines (and sometimes the firing line!) and it is a labor of love. There really is not a “typical day”, so to offer you an idea of the important role we play in the lives of troubled teens, come along and experience a day in the life of a Cottage Parent.

This work is a calling, a ministry and a commitment. We live with the children 24/7,

with eight days on and then four days off. The keys to success are consistency, fairness, patience and perspective. We seek to create a family friendly, home like environment that

is secure, stable, predictable and encouraging.

The children come to the Ranch with problems and have often been mistreated, neglected, abused or abandoned. Behind academically, they struggle because of a lack of study, social and life skills. The coping skills they have learned from the

“streets” are often unaccepted in the broader society. They are angry at parents, authority figures, peers, themselves and life in general.

The Ranch team offers solutions by working together with parents or guardians, teach-

ers, cottage parents, unit directors, therapists, nurses, clinical director, work place supervisors, case managers and administrative staff to implement a specific, personalized treatment plan. Our goal is to meet each youngster where they are and show them a more excellent way forward. Utilizing flexibility, adaptability, tenacity and perseverance, we strive together to assist in building a bridge over troubled waters, resting on a solid foundation of character and integrity.

But, we often get asked, what does a Cottage Parent actually do all day? Come along with me to experience one day in a cottage with 10 boys (or girls)!

**5:00 AM:** My alarm sounds and the morning routine begins. The coffee is made, messages checked and schedule reviewed.

**5:40 AM:** Boys who attend school in town are awake and begin their morning routine of cleaning their room, getting ready for school, doing chores and occasionally, cramming for tests. They eat breakfast, we do group devotions and they pack their back pack. The telephone is already beginning to ring.

**6:30 AM:** Town school boys head for the bus. Those who attend the school on campus wake up, check in, clean their rooms, get dressed and do their chores.

**7:00 AM:** Breakfast is served as problems are solved, issues and questions are answered. Morning devotions are held, encouragement and daily motivation echoes through the house.

**7:45 AM:** All boys are out the door and off to school. On the way, we empty the daily trash.

**8:15 AM:** ALL RIGHT!! Boys at school.... time to relax, enjoy the morning and do nothing until they get out of school, Right?? NOT REALLY!!

**8:30-9:30 AM:** Daily reports and meeting with the Unit Director and Therapist to discuss the previous day including problem solving and conflict management issues.

**9:30 AM:** Back at the Cottage...Room inspections, check chores, etc.

**10:30 AM:** Time for training, various other meetings or supply runs. Some days,

we may go as far as 100 miles with a child who needs to see a medical specialist, not available locally.

**12:00 PM: LUNCH TIME!!** Noon until 2:00 PM is QUIET Time at the cottage. No phone calls, visits or other disturbances..... NOT REALLY!?! Like most kids, some call or return to the cottage for books, papers, gym shorts, projects, etc.

**2:30 PM:** Boys from the school on campus return home and MUST have an afternoon snack! Then they are off to their work sites on the Ranch. Some boys work cottage crew and afternoon work projects often require supervision.

**3:00 PM:** Boys participating in sports, music lessons or other activities are dropped off in town. We also work with the kids on grocery shopping, clothes shopping, balancing the checkbook and budgeting, planning

home visits, meeting with guidance counselors or therapists and writing thank you cards.

**3:45 PM:** The local school bus arrives at the Ranch. These boys MUST have a snack before they go to their work sites. The Clinical Director calls about a boy who has a Treatment Plan Review or therapy session.

**4:30 PM:** Another town run to pick up everyone who has been dropped off at schools, thrift store, work, music lessons, etc.

**5:30 PM:** Family dinner together at the cottage around the dinner table. This is time to catch up, tell stories and discuss pressing issues.

**6:00 PM:** Evening chores, laundry, phone night and two hours of FREE TIME...if "BOB" (Based on Behavior) says it is okay! Otherwise, all consequences must be done before any free time. The boys may go to the gym, pool, book club, or other available activities on the calendar.

**7:00 PM:** Early bed for those who have lost their privileges. Hopefully, they will get plenty of rest and reflection to correct their behavior the next day.

**8:00 PM:** Evening curfew and showers BEFORE their snack. There are usually many unique and interesting discussions each evening near bedtime.

**9:00 PM:** All Ranchers to their rooms, with lights out at 9:30. Only now do the boys remember they need sunglasses, a book, a shirt for tomorrow or any other excuse to come out of their rooms. One warning, then everything gets relatively quiet.

**10:00 PM:** Cottage parents start on required paperwork, review schedules and appointments for the next day and catch their breath.

Think about it! What time did the alarm go off this morning?

**5:00 AM!!** 17 HOURS ago!!

Often we are totally spent physically, mentally and emotionally! I usually get caught up on the news or sports and my wife checks our family blog for recent pictures of our grandchildren and the latest from friends. Then this schedule repeats itself for seven more days in a row.

During our first week "on our own" in a cottage, we heard glass breaking in one of the boys rooms. He hit the window with his fist in anger. An experienced Cottage Pop came over, walked into the room, began to pick up the glass

as he calmed the boy down and put some cardboard over the window. He later told me, "If each boy goes to bed at night with ten fingers and ten toes, you have done a great job!" That put things in perspective and has really helped me over the years.

We know our every word may have an impact on a young man's life. This snap shot of the ever-changing days on the Ranch is meant to honor the commitment and dedication of each and every Cottage Parent,

past and future. They may never know (on this side of eternity) the vital and important work they do every day!! ★

# Three Days and the Kids Now PLAY!

Earlier this year, we began reaching out to younger children by providing a safe home for sibling groups who have been removed from their homes due to a crisis in the family. Serving children as young as three years old, we evaluated our campus resources and immediately discovered the need for a playground.

We all know that imagination driven, unstructured, child-directed play has been proven to help kids develop physically, socially and cognitively, yet today's kids have less time and fewer opportunities to play than any previous generation. Through a Let's Play grant, Dr. Pepper/Snapple and KaBOOM! made a generous grant to the Florida Sheriffs Youth Ranches to build a new playground at the Youth Ranch in Safety Harbor. The condition of this grant was raising additional money and developing a volunteer base in the local community to build the playground.

Immediately, we asked for support from you, our donor family. Many of you responded with generous gifts and our Board Member Bob

Pinellas County Sheriff Bob Gualtieri came out to congratulate the volunteers from his office led by Lt. Sean McGillen and Deputy James Campbell. Then he watched all the kids who live at the Youth Ranch enjoy the new playground.

Owens stepped up by providing a large grant from the JM Rubin Foundation. Once the money was raised, it took two calls – one to Pinellas County Sheriff Bob Gualtieri and the other to Hillsborough County Sheriff David Gee and our law

enforcement family responded by providing more than enough volunteers to help us construct this new playground in three days!

Four year olds Cody, Chloe and Nemo came out daily to check on the progress.

Led by Hillsborough County Sheriffs Office Captain Paul Adee (right) and under the guidance of Mr. Angel Varela (right of slide with hat), this team of volunteers put the finishing touches on our new playground two and a half days after we started the project!

Wednesday morning we started with a patch of grass, four pallets of equipment, two truck loads of mulch and many faithful volunteers ready to go to work for our kids.

They were amazed to see how quickly the “yard” became a “park.” Chloe daintily thanked everyone for building her “park” and when asked what she wanted on her park, she replied, “A Prin-

have a beautiful playground, just steps outside of their cottage. We are so grateful for this wonderful addition to the Youth Ranch Safety Harbor!★

# Once “No One’s Kid” Now Everyone’s Daughter!

When her father remarried, Victoria was sent off to live with other relatives. When that didn’t work out, she was brought to the Youth Ranch for an interview where her father essentially implied, “You better make them like you because your only other option is the street.”

She recalls that day with a great deal of pain. “Basically, he dumped me there. I was only 12 years old. I didn’t know anyone. I was so scared and felt abandoned and alone. I really believed I was ‘nobody’s kid.’”

Moving into a home with nine other girls, Victoria immediately began to thrive. She bonded with her house parents, Mom and Pop Orkney, and got involved with school and church activities. Finally, she had found a home where she was accepted, loved and most of all WANTED!

For three and half years, Victoria lived at the Youth Ranch. She became a typical teenager and her vivacious, positive personality infected everyone she met. She set high goals for herself and achieved excellence in all ar-

reas of her life. A local family took her under their wing and eventually she moved in with them as she finished her high school education.

Victoria is now attending Flagler College in St. Augus-

At the recent Florida Sheriffs Association Conference, Victoria and her peers from Flagler College met with (l-r) Saint Johns County Undersheriff Joel Bolante, Megan Becker, Sheriff David Shoar, Victoria Hardina, Alli Siggeman, Deputy Director Becky Hesson.

time on a Youth Ranch Scholarship. She is a senior with a 3.5 GPA, majoring in Communications and Journalism with a special interest in photography. She studied a semester abroad in Italy and is considering pursuing a Master’s Degree in Visual Arts.

This past summer, Victoria spoke to the Sheriffs of Florida and Saint Johns County Sheriff David Shoar was so impressed he invited her to apply for a part time job at the Sheriff’s Office. Today, along with a full load of classes, she is gaining solid, real life work experience

in the Sheriff’s Office Communication division. Victoria brags about her job and is especially thankful for her mentor/supervisor, Deputy Catherine Payne.

“When I was 12, I felt abandoned and thought I was no one’s kid. I grew up fighting hard for a better life and given a chance, I believe good things can and will happen in my life. I promise I will never stop fighting for a brighter future! I have been given the opportunity to pursue my dreams because of the Sheriffs Ranch, our donors, the Sheriff’s Office and all those who helped raise me. Today, I am creating my own

family with folks who love me and believe in me. I clearly see that the people who invest in you and stay in your life are your true family,” Victoria shared triumphantly.

We are so proud of Victoria! She is collectively “OUR” daughter, a shining star who has only just begun her journey in life. Because of your generous support of the Florida Sheriffs Youth Ranches through your gifts and prayers, children like Victoria will become productive, healthy adults who are able to face the future with a sense of direction, ability and hope.★

# “All I Want For Christmas”

When Christmas comes each year, Paul’s memory stirs with the Christmases of his childhood. “The last Christmas before I came to the Ranch I got a broken dump truck. The wheels were missing and it had a dent in the roof. I was so thankful to have anything at all.

My years at the Ranch were the best years of my life. There was food on the table and kids to play with. We learned to work hard and do our best. **The most important thing they gave us, is what every kid wants – a mom and a dad and a regular home.**

Christmas at the Ranch was much different than my last Christmas at home. The cottage was decorated with lights and tinsel. There were stockings hung by the chimney and presents under the tree. We all helped cook a Christmas feast. Everyone sat down at the table to celebrate together.”

Presents, decorations, songs, a spirit of giving, home, family and love are all a part of the “magic” of Christmas. Your gift can

give every one of those things to a child this Christmas! You can make a lasting difference in the life of a child this year.

**Please remember our boys and girls when you make your Christmas lists this holiday season.** You gift today provides children with caring parents and a warm, stable home. Your gift today also gives them hope for a bright future!

# Family Legacies Come in Many Forms

Visiting with different donors, we get ideas about how they want their family to be remembered. Some chose to leave all their money and property directly to their family, hoping they will continue to support favorite charities. Others have made specific plans to ensure their charitable wishes are followed.

Here are a few of the more creative ideas we have seen in recent years:

- Naming the Florida Sheriffs Youth Ranches as a beneficiary of a life insurance policy, retirement account or bank account
- Specifying a particular percentage of your estate for the Florida Sheriffs Youth Ranches OR the opposite, specifying a particular percentage or piece of property for your heirs and leaving the remainder of your estate to the Youth Ranches
- Investing in a charitable gift annuity where the remainder after death goes to the Youth Ranches
- Making a cash gift of \$5,000 or more to the Youth Ranches in honor of a family member and request they be made a Lifetime Honorary Member of the Florida Sheriffs Association

- Contributing a minimum of \$10,000 and creating a family named endowment fund at the Ranch
- Establishing a Charitable Remainder Trust where distributions (set amount or %) are made to family members for a period of years and once complete, the balance is donated to the Youth Ranches
- Establishing a Charitable Lead Trust where a distribution (% or set amount) is made to the Youth Ranches for a period of 10 or 20 years, then the balance is distributed to your heirs when they are older and better prepared to receive these funds

These are just a few options to consider. As always, we encourage you to discuss this with your personal attorney or advisors to chart the best course for your future and remember to update your will annually as things and people in your life change!

Caring and Sharing!***

**Would you consider making a gift to the Florida Sheriffs Youth Ranches through your will, trust or \_\_\_\_\_?**

Your gift, small or large, will help us prevent juvenile delinquency and develop lawful, productive members of our communities.

Many people believe in our children and want to help, but they need to preserve the money they have right now to cover the rising cost of medical care and other living expenses. We understand

care for yourself and your loved ones. However intent to support our boys and girls is by including the Florida Sheriffs Youth Ranches in your will or other estate plans.

As you think about your plans, a simple way to make a commitment

INSURANCE POLICY BENEFICIARY  
*"I bequeath to the Florida Sheriffs Youth Ranches, Inc.,"*

of this type would be to change the life insurance policy or add the Florida Sheriffs Youth Ranches, PO Box 2000, Boys Ranch, FL 32064

as a \_\_\_\_\_ retirement account.

This will ensure the remaining funds will be used to help serve the children in our care. If you have any questions or would like to learn more about these gifting options, please contact President Roger Bouchard at (800) 765-3797.

 **Your will should be reviewed annually.**

At your invitation, it would be our privilege and pleasure to visit you in your home. If you prefer, you are welcome to visit us or we can furnish information by mail or telephone, whichever is most practical and convenient.

## Please Donate Your Vehicle to the Sheriffs Ranches Enterprises

The Sheriffs Ranches Enterprises accepts vehicles in fair to great condition. If your vehicle has proper emission controls, fair tires, no major body or rust damage, and the engine/transmission are in good working order, please consider sharing this resource with our charity.

Your donation will be used to the boys and girls of the Florida Sheriffs Youth Ranches.

For more information or to set up an appointment for a Sheriffs Ranches Enterprises representative to pick up your vehicle, call us today at 800-765-3797.

*Please Note: The American Jobs Creation Act of 2004 contains new rules pertaining to the charitable deduction allowed for vehicles donated to a qualified charity after December 31, 2004. Basically, this law limits the donor's tax deduction to \$500, or the gross proceeds from the sale of the vehicle, if over \$500. We recognize that each individual's tax situation is different and the impact of any charitable deduction is based on a variety of circumstances. You are strongly encouraged to consult with your independent tax advisor.*
